Town of Surfside

The Town of Surfside has installed ocean emergency stations equipped with safety ring buoys. The buoys are located at every beach entrance in Surfside. The poles are numbered for identification purposes in the instance of an emergency.

See below for a map of emergency station numbers and location.

Remember: Your safety comes first.
Throw - DON'T GO
In an emergency situation call 911

Funded provided by Commissioner Sally Hayman; Miami Dade County District 4,
(Initiated by Town of Surfside, Vice-Mayor Joe Graubart)
