PODIATRIST IN SURFSIDE

Dr. Gary Curson, DPM and his staff would like to welcome you to our website and our practice. We have foot clinic in Surfside and our mission is to provide the highest quality medical and surgical care to our South Florida community. We offer a warm, inviting environment with staff that has been with the doctor for over 22 years. Our office provides an operatory with the most up to date surgical equipment. There is ample parking and easy access into both ground floor offices.

We have created a website to provide our patients with a means to research and educate themselves on various topics related to the **foot and ankle conditions** we treat on a daily basis. If you would like more information about a specific foot condition and the treatment options we offer, call our office anytime.

As a **Surfside podiatrist**, Dr. Curson specializes in medical and surgical care of the foot and ankle. With convenient office hours and our acceptance of most insurance plans, we are able to treat patients from the areas surrounding Miami Shores, Surfside, Miami Beach, Bay Harbour & Bal Harbour. Some of the most common conditions we successfully treat everyday are bunions, heel pain, hammer toes, ankle injuries and ingrown nails.

So, if you are looking for a **foot doctor in Surfside**, we invite you to call our offices and schedule an appointment.We look forward to helping keep you on your feet with professional foot and ankle treatment.
