THE FIRST ANNUAL ROTARY GOLF TOURNAMENT IN MIAMI SHORES

Rotary International consists of more than 30,000 Rotary Clubs worldwide. In our Area 5, three Rotary clubs have joined together to create an event that will help us to continue our work to benefit the community and the world. We are involved in several projects. These clubs participate in the Polio Plus Campaign with Rotary International and the World Health Organization through financial contributions and direct participation in National Immunization Days in India.

With this in mind, we invite you to participate in this 2013 First Annual Rotary Golf Tournament. **Our tournament will take place on Friday, April 26th, 2013. Check in at 9:30 a.m. /Shotgun Start at 1:00PM at the Country Club of Miami Shores (10000 Biscayne Boulevard, Miami, FL 33138. Telephone: 305-795-2360).**

Your generous participation will not only make our tournament a success, but also benefit children worldwide who are fighting to win the battle against polio, starvation, and illiteracy. Your involvement at the corporate sponsorship level, playing foursome, participant gift or donation will help with our main goal: raising funds to help the community and immunize children in third world countries for polio. Listed on the right panel are the various ways that you can participate in this upcoming event.
