# RESIDENTIAL OVERNIGHT PARKING PROGRAM

The Town of Surfside concluded a Residential Overnight Parking "Trial Program" on July 31, 2016 that allowed Town residents to park their vehicles overnight at designated locations between the hours of 9:00pm – 7:00am each day of the week. Town Residents utilized their present Town Parking Permit that is affixed to their vehicle's front windshield as an identifier for the overnight parking. The "Trial Program" was successful and will continue as an on-going program. The only change that is being made to the Residential Overnight Parking Program is that No overnight parking will be permitted in the on-street parking spaces in the 200 block of 88th Street (between Harding Avenue and Collins Avenue) on the south-side of the street adjacent to the Surfside Tennis Center.

Town of Surfside Residents will be permitted to park overnight at on-street parking spaces that are currently pay for parking spaces, and to also park overnight at Town of Surfside Parking Lots with the following exceptions:

- No overnight parking will be permitted in the Abbott Parking Lot
- No overnight parking in the on-street spaces in the 9400 block of Harding Avenue and the 9500 block of Harding Avenue (Business District)
- No overnight parking will be permitted in the on-street parking spaces in the 300 block of 94th Street (between Harding Avenue and Abbott Avenue)
- No overnight parking will be permitted in the on-street parking spaces in the 300 block of 95th Street (between Harding Avenue and Abbott Avenue)
- No overnight parking will be permitted in the on-street parking spaces in the 200 block of 88th Street (between Harding Avenue and Collins Avenue) on the south-side of the street adjacent to the Surfside Tennis Center.

To ensure the continued success of the Residential Overnight Parking Program we are asking that all residents who park their vehicles overnight to please move them by 7:00am. This program is the result of resident requests for additional parking options.
