On 10/15/14 at about 1545 PEO Castro observed a white male subject running from Publix with a bag in his hand and meat falling out. PEO Castro maintained a visual of the subject until Officer Campbell encountered the subject at the 9500 block of Harding Av. The subject ran from her towards the beach. Several units responded and Officer Campbell continued to chase the subject on foot towards the hardpack. The subject refused to stop for her and continued to run. Officer Matthews responded from his Off Duty and encountered the subject at 94 and the hardpack. A struggle ensued and Officer Matthews deployed his Electronic Control Weapon and handcuffed the subject. \$144 worth of stolen items was recovered.

PEO Castro went above and beyond his normal duties as a parking enforcement officer and had the awareness to identify a crime in progress. He also gave an impeccable description of the subject and his direction of travel for the responding officers. Officer Campbell and Officer Matthews did an excellent job in pursuing and apprehending the subject who has an extensive criminal past.
