

PROTECT MY IDENTITY AS YOU
WOULD YOURS

Surfside residents have an opportunity to protect their dogs by registering them with the Surfside Police Department. If a dog is lost or found, the police can identify the pet and contact the owner.

Registration forms are available in dispatch at the Police Department. Residents should provide with their contact information a color picture of their dog and indicate if the canine has a chip or is tattooed. If a resident has more than one dog, please complete a separate form for each pet. This is no charge for this service.

For further information, please contact Dina Goldstein at (305) 861-4862 or dgoldstein@townofsurfsidefl.gov.
