AFFIDAVIT FOR 30 DAY TEMPORARY-PERMANENT ELECTRIC SERVICE

(to be executed by the Owner and/or Tenant, building and electrical contractor)

It is understood that the temporary-permanent electrical approval by the Building and Zoning Department given in connection with the building being constructed under building permit No. _____ and electrical permit No. _____ for property located at _____ Block(s) _____ Lot(s) _____ Subdivision(s) _____ owned by _____ is being given only for construction purposes or for testing the following installations:

Sub-paragraph 4501.2(c) of the South Florida Building Code provides for a 30-day maximum approval only if an URGENT NECESSITY for electric current exists. Necessity shall include the use of current for irrigation, security, humidity control, emergency power and lighting such as for testing or construction purposes, provided the Electrical Contractor maintains the installation in such a manner that there is no hazard to life and property.

Such approval is in no event to be considered a release of said structure for purposes of use or occupancy and no occupancy shall be granted or permitted until final inspections have been called for and approved by the inspection divisions concerned and an occupancy permit obtained.

The undersigned also understands that the temporary-permanent electric approval is subject to rescission and cancellation and electric power cut off at the discretion of the building and zoning department and will be disconnected if the building concerned is occupied before final inspections.

I, _____, being first duly sworn, depose and say that I am the **Owner** of the above described property and that I agree that the structure covered in this agreement shall not be occupied until the building contractor has obtained approval of final inspections
