- High School Diploma or General Education Diploma (GED)
- Law Enforcement Certification by the Florida Criminal Justice Standards and Training Commission (CJSTC)

Job Task, Policy, and Proficiency

ID	Statement	Performance Standard
TASK		
ALL0001	Conform to applicable laws/rules/regulations/policies/procedures	The member will perform all job tasks in accordance with agency policies and regulations, DJJ rules and regulations, FMJS requirements and applicable state/federal laws, policies or procedures.
ALL1000	Complete assignments as directed	The member will successfully complete all assignments to specifications as directed and within the specified time frame and budget in accordance with agency policies.
ALL1001	Maintain work areas	The member ensures that their work area is clean, organized, safe and presentable in accordance with agency policies and procedures.
ALL1003a	Complete, update, submit required reports/documents/forms	The member will thoroughly and accurately complete, update, and submit or forward all required reports, documents and forms to the appropriate authority/personnel in a timely manner pursuant to applicable state regulations and in accordance with agency policies and procedures.
ALL1004	Initiate emergency procedures	The member will maintain a proper working knowledge of all emergency procedures related to their post including the physical location and proper use of all emergency equipment if applicable, and will act immediately and in accordance with agency policies/procedures in the event of an emergency.

ALL1005	Complete time sheets	The member ensures that their time sheets are accurate, up to date, complete, and submitted to the appropriate personnel/department in a timely manner pursuant to agency policy.
ALL1006	Attend pre shift briefings	The member is on time for and attends pre shift briefings, recording all pertinent information and directives, and providing superiors and colleagues with job/shift related information.
ALL1007	Report found or potential safety, maintenance, or non-compliance issues	The member immediately reports identified or potential maintenance, safety, and/or non-compliance findings, hazards, and incidents. The member accurately and thoroughly documents the incident/findings and responds as directed or as required.
CIB1043	Collect and preserve evidence/property	The member correctly identifies, marks, collects, packages, and seals all evidence according to agency policy and consistent with standards of any state, local or federal lab conducting analyses.
CIB1070b	Maintain chain-of-custody of evidence	The member will accurately document and carefully maintain the security and control of all collected evidence, ensuring the integrity of the evidence and limited accessibility so the evidence may be presented and accepted by a court of law pursuant to state and federal statutes consistent with agency policies and procedures.
LE1003b	Ensure supplemental reports completed	The member will be notified or will randomly spot check to ensure that supplemental reports have been completed within the specified time periods. When discovering or being advised of non compliance, the member will immediately notify the deficient member or their immediate supervisor to initiate completion of the supplemental report in a timely manner, and in accordance with agency policies/procedures.
LE5000	Monitor / respond to dispatch and calls for service.	The member diligently monitors dispatch and responds to all dispatch directed services calls in a timely manner consistent with call classification and in accordance with agency policies.
LE5002a	Administer breathalyzer test.	The breathalyzer certified officer will correctly administer breathalyzer test(s) to suspected intoxicated driver/pilot according to equipment manufacturers specifications/procedures and accurately record the results of the test(s), arresting or releasing the suspect in accordance with state laws and agency policies.
LE5003	Administer field drug test	The member correctly tests suspected illegal/controlled substances using the field chemical reagent drug test kit. Substances testing positive are seized and the appropriate legal action taken.
LE5004	Apprehend suspects.	Consistent with agency policies, the officer quickly apprehends suspects utilizing the least amount of force required to subdue the individual while observing officer safety procedures at all times. The appropriate restraints are applied so as to control but not cause injury to the suspect, and the suspect's rights are not violated.
LE5005b	Administer field check to suspected intoxicated drivers.	The officer identifies elements of DUI and properly administers standard field sobriety tests to the driver / operator in accordance with State laws and agency policies. The officer accurately records results of each test, making a correct decision whether to release the

		subject or affect the arrest of the subject.
LE5005d	Conduct DUI investigations	The officer collects all pertinent information and correctly identifies all key events related to DUI incidents, accurately recording events for court purposes and file consistent with agency policies.
LE5006a	Respond to traffic accidents/crashes.	The officer will respond to traffic accidents/crashes in a manner consistent with the urgency of the call and upon arrival immediately assess the situation, administering first aid if required and/ or requesting appropriate assistance in accordance with agency policies.
LE5006b	Conduct traffic crash investigation.	The officer collects all pertinent information and correctly identifies all key events related to traffic or other crashes, accurately recording events for court purposes and file consistent with agency policies.
LE5007	Setup and monitor radar.	The officer will determine and select appropriate location for radar. The officer will ensure that the device is functioning to specifications and will diligently monitor and record vehicle speed, stopping vehicles exceeding the posted speed limit in accordance with agency policies.
LE5009a	Observe traffic for violators	The officer diligently observes traffic and initiates a traffic stop of vehicles violating the vehicular/traffic laws in accordance with agency policies.
LE5009b	Conduct traffic stop.	The officer will correctly and safely conduct a traffic stop with minimal disruption of traffic flow while adhering to officer safety procedures at all times and either issue a citation or warning to the driver and or passengers in accordance with applicable traffic laws and agency policies.
LE5009e	Direct traffic flow.	The officer will safely direct traffic in and around congested, secure, accident, or hazardous areas in accordance with agency policies.
LE5009g	Set up/operate traffic controls	The member will properly set up and operate traffic controls in accordance with agency policies/procedures and in a manner that facilitates an efficient flow of traffic while ensuring the safety of the public.
LE5009h	Identify elements of aggressive driving	The member observes and identifies elements of aggressive driving, safely stopping and issuing citations to aggressive drivers pursuant to applicable state and local traffic laws.
LE5011	Provide assistance to other units.	The officer / supervisor immediately responds to calls for assistance, providing the officers with the assistance required to safely resolve the situation in accordance with agencies policies.
LE5017	Secure crime scene.	The first responder to a crime scene will identify such as a crime scene, disperse onlookers, gather witnesses, set up a cordon around the perimeter of the scene and ensure that the integrity of the crime scene and evidence is not compromised, tampered with, altered, contaminated, or left unattended in accordance with agency policies.
LE5026	Guard persons in custody	The officer maintains control of individuals in custody, ensuring that no escapes or unnecessary injuries occur and the suspect's rights are not violated pursuant to agency policies.
LE5027	Initiate new cases.	The member will gather accurate information or pertinent

		evidence and correctly determine if investigation is warranted in accordance with state laws and agency policies.
LE5033	Transport persons	The officer accurately determines the status or condition of the individual(s), searches and applies appropriate restraints if required and transports the individual(s) to the appropriate destination without injury (or further injury) or rights violated and in accordance with agency policies.
LE5034	Administer first aid/CPR	The officer assesses injuries and administers appropriate first aid to injured person, requesting additional medical assistance if necessary in accordance with agency policies and state regulations such as FMJS if applicable. If the individual is in cardiac arrest, certified personnel will correctly administer CPR until medical personnel arrive on scene and take command of the situation.
LE5037	Conduct active patrolling of assigned area.	The officer will promote public safety in patrol areas consistent with agency policies by conducting routine active patrolling of assigned area observing and investigating all suspicious activities / subjects. If applicable, the officer will leave the assigned area only when directed to do so by the appropriate authority.
LE5040	Conduct felony stop.	The officer will conduct a felony stop in accordance with department policy and without intentionally or negligently causing undue injury or violating the constitutional rights of the suspect(s). The officer will observe officer safety skills at all times, arresting or releasing the suspect(s).
LE5041	Provide security for special functions.	The member prevents all unlawful acts and provides sufficient security for the safety of VIP's, participants and spectators at special functions in accordance with agency policies.
LE5042a	Search for missing, lost, or runaway juveniles.	The member gathers all pertinent information / photographs / description and plans and conducts search, either finding the juvenile or reports no contact in accordance with agency policies.
LE5044	Maintain and update activities report	The member accurately and thoroughly records and updates all daily activities in the appropriate log/report or as otherwise directed in accordance with agency policies and procedures.
LE5045	Inform victims of victim's legal rights.	The member will provide the victim with a victim rights packet if applicable, and explain the victim's legal rights pursuant to State Statutes and in accordance with agency policy.
LE5046	Counsel and / or separate people involved in domestic dispute.	The officer mediates or advises people involved in domestic or civil disturbances, minimizes personal injury or property damage, restores order, and ensures no personal rights are violated in accordance with agency policies.
LE5047	Investigate non-police action calls (such as assistance, animal calls, rescue calls).	The officer provides quick, effective, courteous, and appropriate assistance on all non-police action calls (rescue, nuisance, animal calls, assistance, etc.). The member notifies medical or other assistance/agencies as required in accordance with agency policy.
LE5049	Telephone contact with the public	Utilizing the telephone, the member will communicate in an effective, professional and polite manner with the public consistent with agency policies.

LE5051	Conduct dwelling, building, structure, or grounds check (EP)	The officer performs check of dwellings, other buildings/structures or grounds consistent with agency policies ensuring the security of the buildings or grounds and any personal property while maintaining officer safety and without violation the owners rights.
LE5053a	Make arrest with warrant	Given an arrest warrant, the officer locates, apprehends and arrests the suspect without undue harm and ensures the suspect's constitutional rights are not violated while maintaining officer safety in accordance with agency policies.
LE5053b	Make arrest without warrant.	Given probable cause, the officer apprehends and arrests the suspect without undue harm and ensures the suspect's rights are not violated while maintaining officer safety in accordance with agency policies.
LE5053c	Advise persons of constitutional rights (Miranda)	The member correctly advises persons in custody/detained of their constitutional rights (Miranda) prior to interrogation pursuant to applicable state and federal statutes.
LE5053e	Execute arrest/search warrants, capias, writ	The officer executes the instructions of the court documents in a correct and timely manner and in accordance with agency policies and state laws without causing undue injury or violating the subjects rights.
LE5055a	Book suspects	The officer will transport arrested subject(s) to the detention facility, turn custody of the subject(s) over to the booking officer for processing and correctly complete all the required paperwork/reports in accordance with agency policies.
LE5056b	Establish/verify identity of arrestee/fugitive/defendant	The member utilizes investigative resources and criminal information systems to establish or verify the true identity of arrested individuals/fugitives/defendants.
LE5057	Fingerprint persons	The member ensures that fingerprints are of a quality acceptable by FBI/FDLE/DC for filing and analysis, and for crime scene investigations when applicable, for identification and comparison purposes consistent with agency policies.
LE5062a	Seize, impound, or confiscate vehicle, craft, currency, or property.	The officer accurately identifies and seizes, impounds, or confiscates vehicle, craft, currency, or property in accordance with court orders if applicable, state laws, and agency policies, delivering or arranging transportation of item(s) seized to the property room or appropriate agency/personnel. The member ensures that all appropriate legal documents are completed for items seized without court order pursuant to all applicable state laws and agency policies.
LE5063	Classify incident as criminal or civil.	The officer determines if an offense has been committed and then correctly classifies the incident as either criminal or civil and then proceeds to take the appropriate action in accordance with agency policies and state laws.
LE5064a	Non-custodial and/or custodial interview of persons	The member interviews persons in a professional manner, obtaining and recording accurate and pertinent information without violating the individual's rights pursuant to agency policies.
LE5065	Review and respond to Be-on-the-look-out (BOLO)	The officer reviews and accurately records BOLO information and becomes familiar with the facts and the subject of each BOLO. The officer identifies and responds to BOLO subjects during the course of patrol.
LE5066	Act or respond to hostage or kidnapper.	The responding officer will quickly evacuate bystanders, correctly set up cordon or security boundary to protect

		all persons involved, and notify appropriate command authority in accordance with agency policies. The officer will gather all information on demand and completely and accurately brief FBI / State Law Enforcement officials when requested.
LE5068	Conduct field frisk or pat down search.	Given probable cause, concern for safety, arrest warrant, or reasonable suspicion, the officer uses caution in searching the subject and successfully locates and retrieves any weapons, evidence, or contraband while maintaining control of the subject without violating subject's rights or causing undue injury in accordance with agency policies and state laws.
LE5070	Rescue or assist in the rescue of persons (first responder)	The officer correctly assesses the situation, rescuing or assisting in the rescue of trapped persons or persons in danger/requiring assistance while maintaining safety procedures for all involved in accordance with agency policies.
LE5072	Respond to bomb / explosive threat.	First responders will turn off radios/communications devices at the agency prescribed distance from the threat location and upon arrival will assist in searching for an explosive device. If a suspicious device is located, the officer will assist in evacuating all personnel to a safe location and secure the scene pending the arrival of the bomb squad, in accordance with agency policies.
LE5073	Pursue vehicles	In accordance with agency pursuit policy, the officer determines the need for pursuit of a vehicle and conducts the pursuit safely while strictly adhering to procedures guiding such pursuits until either the vehicle stops or the pursuit is terminated by other means.
LE5074	Control disorderly or irate persons.	The officer controls the person(s) in question, applying only the necessary force for the situation and ensuring the person's rights are not violated while maintaining the safety of all involved in accordance with agency policies.
LE5075	Testify at trials, hearings, grand juries or depositions.	The member testifies at trials, hearings, grand juries, and depositions, and answers all questions in a truthful, and impartial manner without volunteering additional information other than that requested in accordance with agency policies.
LE5079	Generate daily observation report.	Every training day, the FTO will accurately generate a daily observation report consistent with agency policy, evaluating the tasks and skills observed and demonstrated by the recruit according to SEG (Standard Evaluation Grades).
LE5080a	Prepare reports and/or affidavits/legal documents	The member collects complete and accurate information and prepares clear, concise reports, supplemental reports and/or court petitions/affidavits (if applicable) in accordance with agency policy and county, state and/or federal statutes.
LE5092a	Conduct minor investigations	The member will utilize all available legal law enforcement and community resources to successfully resolve minor investigations consistent with agency policies.
LE5100	Apply handcuffs	Given probable cause, an arrest warrant, or officer safety concerns, the officer will properly apply handcuffs in

		such a manner as to prevent the person from removing the handcuffs and without intentionally or negligently causing physical discomfort or violating the constitutional rights of the person consistent with agency policies.
LE5101	Investigate abandoned vehicles	The member investigates abandoned vehicles to establish the status of the vehicle and identity of the owner.
LE5102	Respond to hazmat spills	The member responds to hazmat spills, assesses the situation, and requests additional or specialized assistance /equipment in accordance with agency policies, state and OSHA regulations.
LE5103g	Photograph accident scene	The member takes clear photographs of accident scene, vehicles, impact points, skid/road marks, and all other pertinent objects/structures/views.
PE4000	Patrol controlled parking areas	The employee patrols off-street and on-street controlled parking areas, effectively enforcing municipal parking ordinances.
PE4001	Enforce parking ordinances	The employee issues citations (or warnings) to vehicles in violation of municipal parking ordinances, ensuring that all information on the citation is accurate and complete.
PE4006	Arrange for towing of illegally parked/abandoned vehicles	The employee contacts dispatch to have a tow company respond and store/impound vehicles if boot cannot be attached or if booted vehicle remains in place longer than the specified time. The towing/storage/impound action is accurately documented on the appropriate form(s).
PL2001	Message return/follow-up	As applicable, the member will check their assigned mailbox, telephone/electronic messages and any designated bulletin boards according to the established schedule or designated frequency for each. The member will return any telephone messages in a prompt and professional manner and will respond accurately and appropriately to any information contained on the bulletin board or received via mail or newsletter.
PL2002	Contact with public	The member demonstrates a polite, helpful, courteous, proud, productive, and professional image when engaged in their assigned duties with the public consistent with agency policy.
PL2003	Operation and care of equipment	The member properly operates and cares for equipment to manufacturers specifications and / or within the specified parameters. If applicable, the member checks to ensure all assigned equipment is present and operational, and documents/reports any required repairs in a timely manner and in accordance with agency policies.
PL2004	Use of force	The member utilizes only the necessary force required for the situation as specified within the use of force continuum and in accordance with agency policies. The member also abides by all departmental policies concerning agency authorized weapons and ammunition if applicable.
PL2005	Pursuit	The member complies with agency pursuit guidelines when initiating or engaging in a pursuit.
PL2006	Human diversity awareness	The member demonstrates an understanding, consideration, and respect of cultural, religious, and gender differences when interacting with the public, students and colleagues.

PL2008	Accepts supervision and direction	The member adheres to the chain of command, and accepts constructive criticism to improve job performance. The member responds to supervision, guidance and direction of superiors in a positive, receptive manner and in accordance with agency policies.
PL2012	NCIC/FCIC entries	The member is knowledgeable of and adheres to FCIC/NCIC policies and procedures for conducting, documenting, and validating entries.
PL2013	Evidence control procedures	The member closely adheres to all evidence/property control procedures and policies as set forth in the General Orders manual.
PL2014	Abide by Code of Ethics	The member will conduct him/herself in an ethical and professional manner, abiding by the established code of ethics as stipulated in the PGO Manual.
PL2015	Leave and Attendance	The member will follow all leave and attendance related policies/procedures, including, but not limited to submission of vacation and personnel requests and if applicable, the notification of supervisor regarding absence from work due to illness or untimely incidents, notification of supervisor concerning overtime hours worked, and notification of supervisor regarding after hours investigative duties performed if applicable.
PL2016	Grooming and dress	The member is appropriately groomed and attired so as to present a professional image in accordance with the agency policies and procedures.

PROFICIENCY

PR1	Officer safety	The member is cognizant of and demonstrates appropriate officer safety guidelines/techniques at all times.
PR107	Knowledge of General Orders/Policy/Procedure manuals	The member has the ability to read, interpret, and follow procedural and policy manuals related to the job performed by the incumbent and demonstrate this knowledge via oral or written testing if required and in daily operations.
PR108a	Knowledge of juvenile justice system	The member demonstrates an adequate working knowledge of the procedures, regulations, and laws, governing the juvenile justice system.
PR108b	Knowledge of juvenile dependency system	The member demonstrates an adequate working knowledge of the procedures, regulations, and laws, governing the juvenile dependency system.
PR111a	Knowledge of general counseling techniques	The member demonstrates effective and professionally accepted/utilized psychological/emotional counseling techniques.
PR113a	Knowledge of statutes pertaining to domestic violence	The member demonstrates an adequate working knowledge of the statutes pertaining to domestic violence.
PR113b	Knowledge of elder abuse statutes	The member demonstrates an adequate working knowledge of the state statutes governing elder abuse crimes.
PR113c	Knowledge of victim's rights statutes	The member demonstrates an adequate working knowledge of the state statutes governing victim's rights.
PR117	Knowledge of dispatch codes	The member demonstrates the ability to interpret, understand, and respond to all dispatch codes.
PR118	Knowledge of probable cause	The member is able to correctly identify elements of probable cause and the necessary requirements to reinforce probable cause pursuant to applicable state statutes.

PR14a	FCIC/NCIC/CJIS equipment operating skills	The member correctly and efficiently operates criminal information related equipment/computers in accordance with agency policies and state regulations if applicable.
PR2	Knowledge of geographical jurisdiction	The member is able to correctly locate or provide accurate directions in a timely manner to any location within the agency jurisdiction, or, as applicable, within their respective school zone or area of responsibility.
PR20	Time management skills	The member efficiently organizes, prioritizes, schedules, and manages daily work activities, tasks, and special assignments.
PR200	Knowledge and ability to perform additional non-assigned law enforcement related tasks, proficiencies, policies	The member demonstrates the knowledge and ability to perform all law enforcement related tasks and proficiencies to the specified standards as documented in the Patrol Officer position task/proficiency listings and adheres to all agency policies/procedures. When required or necessary, the member performs all or some of the tasks as applicable. Such tasks include but are not limited to the following: crime scene and evidence collection and handling, patrolling and responding to calls for service and BOLO's, adherence to pursuit policy/procedures, arresting/caring for persons in custody, advising detained persons of their rights, conducting felony/high risk stops, traffic enforcement activities, providing assistance/guidance to the public and personnel as appropriate, preparing reports/affidavits, conducting interviews, performing court related activities processing suspected DUI's, investigative activities, and performing any other assigned or related law enforcement activity as directed. The member demonstrates the knowledge, abilities, and skills as listed in the Patrol Officer proficiencies listings.
PR23	Inter-personal skills	The member demonstrates congenial, respectful, and productive behaviors and attitudes towards others in working relationships and situations.
PR3	Radio communications	The member utilizes the 2-way radio for official communications only, communicating in a clear, concise, and intelligent manner under all conditions and at all times.
PR31	Problem solving	The member has the ability to look beyond surface issues to identify and analyze problems and develop effective responses and solutions to resolve such problems.
PR32	Conflict resolution	The member has the ability to assist and encourage individuals to resolve disputes without resorting to violence or engaging the formal legal mechanism if possible and appropriate.
PR34	Knowledge of supporting agencies in the community	The member is able to refer persons to the appropriate agency, department, support group or other resource based on the requesting person's situation/needs.
PR42	Team building skills	The member demonstrates a conscientious effort in achieving and contributing to organizational goals as compared with individual goals.
PR4a	Verbal communications	The member conveys verbal information / instructions / directives / commands in a clear, concise, and intelligent manner.
PR4c	Written communications	Written communications are accurate, complete, concise, legible, and timely.

PR4d	General comprehension skills	The member has the ability to understand directions and instructions, formulate and translate plans into actions, and process verbal information, physical cues, and body language in order to effectively listen to individuals.
PR52d	Knowledge of local, state, and federal statutes and/or ordinances	The member is knowledgeable in local, state and federal statutes that pertain to their respective area of responsibility
PR52f	Knowledge of probable cause	Given most situations, the member is able to correctly determine whether or not the statutes governing probable cause apply. Situations in which probable cause is difficult to determine, the officer requests direction from either a superior or an authorized SAO official.
PR52g	Knowledge of local parking ordinances	The member demonstrates an adequate working knowledge of the local parking ordinances.
PR58	Interviewing skills	The member is able to obtain the desired pertinent information from individuals through verbal questioning and discussion without violating the individual's rights and maintaining compliance with the law and agency policies.
PR6a	Driving	The member maintains control of the vehicle in all situations under varying weather conditions, adhering to all traffic laws as per cal/incident classification.
PR7a	Defensive / control tactics	The member is able to subdue and control persons utilizing only the force necessary and without causing undue injury to, or violating the rights of the persons and himself.
PR7b	Verbal command and control skills	The member demonstrates the ability to achieve the desired behavior from persons the verbal commands are directed at in most situations.
PR7c	Situational awareness	The member is aware and alert to the surrounding conditions and situations and is able to adapt to unexpected changes in such conditions and situations to successfully and safely complete the task at hand.
PR86a	Firearms proficiency	The member qualifies on the target range and or simulator, scoring at or above the specified minimum.
PR86b	Use of less than lethal weapons	The member is knowledgeable in the use, conditions dictating, and expected results of less than lethal weapons use and force.
PR95	Data/information collection techniques	The member utilizes all available resources to collect accurate and valid information consistent with agency policies.
PR98	Ability to establish and maintain cooperative working relationships	The member will establish and maintain cooperative working relationships with internal agency and/or external agency personnel as appropriate to enhance their job related productivity and project a positive image on the Department.
