

READY, STEADY, GROW!

Pre-Schoolers will explore the world around them and interact with peers through movement and play. This class is designed to enhance development using a variety of dancing, movement and sports games. Children will learn critical thinking, explore creative expression, develop cooperation skills and socialize in a group setting. Games played will stimulate eye-hand coordination and improve core strength and flexibility, as well as develop large motor skills such as: kicking, throwing and balance. Don't miss out on the fun and join us as we "Pair Play with Purpose."
