Town of Surfside Parks and Recreation Department

Snapology

In this Snapology program children will begin to explore the world of robotics in Robopets and Creature Creator building. This involves moving animals that teach the fundamentals of robotic design along with learning about gear ratio, sensors, simple machines and programming. Whether learning about animal habitats or discovering ways that gears and pulleys create movement while building dancing birds and robotic dogs, your child is sure to have a great time.

Thursdays

October 22 - December 17
