OB Number # 10-10

Date: 10/05/10

Officers of the Month - September

Two suspects committed an armed home invasion robbery in the 9200 block of Collins Avenue. The suspects demanded money and beat the victim with a firearm. The suspects stole televisions and electronics. Sgt. Rory Alberto, Det. Frank Colonna, and Det. Joe Matthews responded and interviewed the victim. They were able to determine the identity of one suspect. They coordinated the processing of the crime scene at the apartment. With the assistance of Miami Beach and Surfside uniform officers the suspect was located and arrested in Miami Beach. The suspect had been previously arrested for armed robbery, burglary, and narcotics. Two firearms along with the stolen property were recovered. Two other subjects were arrested on additional charges. The second crime scene was also processed by MB Crime Scene. Congratulations to the detectives for their coordination of the investigation, taking a felon off the street, and recovering stolen property and evidence during a short period of time.

High Achievers – September

G. Fernandez	46 traffic citations	19 traffic warnings	3 arrests	4 reports	3 FICs
M. Valino	35 traffic citations	5 traffic warnings	3 arrests	6 reports	3 FICs
T. Arboleda	35 traffic citations	12 traffic warnings	2 arrests	6 reports	1 FIC

Auto Burglary Trend Arrest

On September 16, 2010, an unknown suspect entered ten unlocked automobiles in the 9000-9200 block of Byron Avenue. MBPD Crime Scene discovered a latent print and matched it to subject Ivan Gonzalez. The subject is homeless and a known car burglar in Miami Beach. On October 4 he was located in South Beach and arrested by Surfside detectives.

Criminal Investigations Unit

Alberto Knight had been selected for the position of detective in the Criminal Investigations Unit. His transfer is effective October 4. Congratulations!

New Parking Enforcement Officer

Alain Acosta has been selected as our new Parking Enforcement Officer. Officer Acosta will report to Sgt. Williams. Welcome aboard!

FDLE Validation

Communication Unit Supervisor S. Sperbeck will be responsible to validate stolen item entries in the NCIC/FCIC System on a monthly basis.
