

MAST @ FIU

Biscayne Bay Campus

Campus Updates: December

MAST@FIU is Top of the class!

Congratulations to **Mark Yen** who was recognized in the top 20 students of over 530 who submitted an entry for the "Hour of Code." The technology classes of MAST @ FIU all participated in Computer Science Education Week's "hour of code" to learn basic computer programming. For more information on this program, please follow this link: <http://csedweek.org/educate/hoc>

MAST @ FIU tested as one of the top schools for our region across all Fall Interim Assessment indicators. In the areas of Reading, Mathematics and Biology, our students consistently outperformed the average scores for the district. Congratulations to all of our students on a job well done!

MAST @ FIU in the News!

Click on the link to see two great examples of why we are so proud of our students:

<http://miami.cbslocal.com/latest-videos/?autoStart=true&topVideoCatNo=default&clipId=9660485> Student Government president **Saad Masud** and Historian, **Reunie Faustin**, proudly represented our school in a CBS news interview on magnet programs.

HPS: If your child has not completed Honors Physical Science, they should log into FVS.net and sign into the class. Letters went home on December 17, 2013.

Welcome

Welcome Mr. Arthur Larralde! Mr. Larralde will be teaching Social Studies and Critical Thinking. Please see the attached lessons which should be completed over winter break.

BGM Bowl:

We had a great time this Friday with the first annual **Blue and Gold Manta Bowl!** The students enjoyed several games and found a tied score after the volleyball and basketball finals. Special thanks to our parents who helped to set up and supervise the games, and provided assistance throughout the day: **Ms. Marilyn Rivera, Ms. Helene Shillington, and Ms. Jessica Zirulnikoff.** Special

thanks to **Coach Barry Robinson** for volunteering his afternoon to referee the games.
