### **MEMORANDUM**

ITEM NO. 3

**To:** Honorable Mayor, Vice-Mayor and Members of the Town Commission

From: Andrew Hyatt, Town Manager

Date: September 13, 2021

**Subject:** Millage Rate Adoption Resolution

The Town is legally obliged to adopt an annual operating millage rate. The Town does not have a voted debt service millage rate. Last year, the Town's operating millage rate was 4.3499 mills, or \$4.35 per \$1,000 of taxable value. The "rolled-back" millage rate (the millage rate that would generate the same property tax revenue as the Town received last year, but based upon the current year's taxable value on properties that existed last fiscal year) is 4.1046 mills, which is less than the current millage rate. The overall taxable value in the Town increased by 5.3%. Existing property values increased 5.3% and new construction added 0.05% to the taxable value of the Town. Maintaining the millage rate at 4.3499 mills is proposed.

This will be the first of two public hearings regarding the millage rate. The Commission may make modifications downward to the millage at this meeting, but it may not increase the rate that was noticed to property owners. After tentatively adopting the budget and millage rate, the Town will be required to publish two display advertisements. One will summarize the total budgets of each of the Town's funds, together with fund balances or reserves available for appropriation. The other advertisement will be a notice of a proposed tax increase and second public hearing on the budget and tentatively adopted millage rate. The adoption of the budget is inseparable from the adoption of the Town's operating millage rate. The proposed millage rate of 4.3499 mills is higher than the rolled-back rate of 4.1046 mills by 5.98%.

If the Commission fails to adopt a millage rate, the law will require the tax collector to use the rolled-back rate of 4.1046 mills instead of the proposed 4.3499 mills.

The Town's Administration recommends approval of the resolution that would tentatively adopt the FY 2022 millage rate.
