Whereas, in order to ensure that preparation of these law enforcement agencies will be adequate to address any and all of these conditions, to protect the public peace and safety, and to preserve the lives and property of the people of the City of Miami and the Town of Surfside; and

Whereas, it is to the advantage of each agency to receive and extend mutual aid in the form of law enforcement services and resources to adequately respond to:

NOW THEREFORE, BE IT KNOWN that the City of Miami, a political subdivision of the State of Florida, and the Town of Surfside, a political subdivision of the State of Florida, in consideration for mutual promises to render valuable aid in times of necessity, do hereby agree to fully and faithfully abide by and be bound by the following terms and conditions:

**SECTION I: PROVISIONS FOR VOLUNTARY COOPERATION**

Each of the aforesaid law enforcement agencies hereby approve and enter into this agreement whereby each of the agencies may request and render law enforcement assistance to the other in dealing with any violations of Florida Statutes to include, but not necessarily be limited to, investigating sex offenses, robberies, assaults, batteries, burglaries, larcenies, gambling, motor vehicle thefts, drug violations pursuant to Chapter 893, F.S., routine traffic offenses, backup services during patrol activities, school resource officers on official duty out of their jurisdiction, and inter-agency task forces and/or joint investigation.

**SECTION II: PROVISIONS FOR OPERATIONAL ASSISTANCE**

The aforesaid law enforcement agencies hereby approve and enter into this agreement whereby each of the agencies may request and render law enforcement assistance to the other to include, but not necessarily be limited to dealing with, the following:

1. Joint multi-jurisdictional criminal investigations
2. Civil affray or disobedience, disturbances, riots, large protest demonstrations and assemblies, controversial trials, political conventions, labor disputes, and strikes.
3. Any natural disaster.
4. Incidents which require rescue operations and crowd and traffic control measures including, but not limited to, large-scale evacuations, aircraft and shipping disasters, fires, explosions, gas line leaks, radiological incidents, train wrecks and derailments, chemical or hazardous waste spills, and electrical power failures.

8. Control of major crime scenes, area searches, perimeter control, back-ups to emergency and in-progress calls, pursuits, and missing person calls.
9. Enemy attack.
10. Transportation of evidence requiring security.
11. Major events, e.g., sporting events, concerts, parades, fairs, festivals, and conventions.
12. Security and escort duties for dignitaries.
13. Incidents requiring utilization of specialized units; e.g., underwater recovery, aircraft, canine, motorcycle, bomb, crime scene and police information.

The following procedures will apply in mutual aid operations:

3. Communications instructions will be included in each request for mutual aid and each agency's communications centers will maintain radio contact with each other until the mutual aid situation has ended.
4. Incidents requiring mass processing of arrestees, transporting prisoners, and operating temporary detention facilities will be handled per established procedures of the requesting agency, or directors involved.

### **SECTION III: PROCEDURE FOR REQUESTING ASSISTANCE**

In the event that a party to this agreement is in need of assistance as set forth above, the Chief of Police or designee, shall notify the agency, director or his/her designee from whom such assistance is requested. The director or authorized agency representative whose assistance is sought shall evaluate the situation and the agency's available resources, consult with his/her supervisors if necessary and will respond in a manner he/she deems appropriate.

The director in whose jurisdiction assistance is being rendered may determine who is authorized to lend assistance in his/her jurisdiction, for how long such assistance is authorized and for what purpose such authority is granted. This authority may be granted either verbally or in writing as the particular situation dictates.

Should a sworn law enforcement officer be in another subscribed agency's jurisdiction for matters of a routine nature, such as traveling through the area on routine business, attending a meeting or going to or from work, and a violation of Florida Statutes occurs in the presence of said party, representing his/her respective agency, he/she shall be empowered to render enforcement assistance and act in accordance with law. Should enforcement action be taken, said party shall notify the agency having normal jurisdiction and upon the latter's arrival, turn the situation over to them and offer any assistance requested including but not limited to a follow-up written report documenting the event and the actions taken. This provision so prescribed in this paragraph is not intended to grant general authority to conduct investigations, serve warrants, and/or subpoenas or to respond without request to emergencies already being addressed by the agency of normal jurisdiction, but is intended to address critical, life-threatening or public safety situations, prevent bodily injury to citizens, or secure apprehension of criminals whom the law enforcement officer may encounter.

### **SECTION IV: COMMAND AND SUPERVISORY RESPONSIBILITY**

The personnel and equipment that are assigned by the assisting director shall be under the immediate command of a supervising officer designated by the assisting director. Such

supervising officer shall be under the direct supervision and command of the director or his/her designee of the agency requesting assistance.

**CONFLICTS:**

Whenever an officer is rendering assistance pursuant to this agreement, the officer shall abide by and be subject to the rules and regulations, personnel policies, general orders, and standard operating procedures of his/her own employer. If any such rule, regulation, personnel policy general order or standard operating procedure is contradicted, contravened or otherwise in conflict with a direct order of a superior officer of the requesting agency, then such rule, regulation, policy, general order or procedure shall control and shall supersede the direct order.

**HANDLING COMPLAINTS:**

Whenever there is cause to believe that a complaint has arisen as a result of a cooperative effort as it may pertain to this agreement, the director or his/her designee of the requesting agency shall be responsible for the documentation of said complaint to ascertain at a minimum:

1. The identity of the complainant.
2. An address where the complaining party can be contacted.
3. The specific allegation
4. The identity of the employees accused without regard as to agency affiliation.

If it is determined that the accused is an employee of the assisting agency, the above information, with all pertinent documentation gathered during the receipt and processing of the complaint, shall be forwarded without delay to the agency for administrative review. The requesting agency may conduct a review of the complaint to determine if any factual basis for the complaint exists and/or whether any of the employees of the requesting agency violated any of their agency's policies or procedures.

**SECTION V: LIABILITY**

Each party engaging in any mutual cooperation and assistance, pursuant to this agreement, agrees to assume responsibility for the acts, omissions or conduct of such party's own employees while engaged in rendering such aid pursuant to this agreement, subject to the provisions of Section 768.28., Florida Statutes, where applicable.

**SECTION VI: POWERS, PRIVILEGES, IMMUNITIES AND COSTS**

a. Employees of the City of Miami and the Town of Surfside, when actually engaging in mutual cooperation and assistance outside of their normal jurisdictional limits but inside this State, under the terms of this Agreement, shall pursuant to the provisions of Section 23.127(1), Fla. Stat. (as amended), have the same powers, duties, rights, privileges and immunities as if the employee was performing duties inside the employee's political subdivision in which normally employed.

b. Each party agrees to furnish necessary personnel equipment, resources and facilities and to render services to each other party to the agreement as set forth above; provided however, that no party shall be required to deplete unreasonably its own personnel, equipment, resources, facilities, and services in furnishing such mutual aid.

(c) A political subdivision that furnishes equipment pursuant to this agreement must bear the cost of loss or damage to that equipment and must pay any expense incurred in the operation and maintenance of that equipment.

(d) The agency furnishing and pursuant to this agreement shall compensate its appointees/employees during the time such aid is rendered and shall defray the actual travel and maintenance expenses of its employees while they are rendering such aid, including any amounts paid or due for compensation due to personal injury or death while such employees are engaged in rendering such aid.

(e) The privileges and immunities from liability, exemption from laws, ordinances and rules, and all pension, insurance, relief, disability, worker's compensation, salary, death and other benefits that apply to the activity of an employee of an agency when performing the employee's duties within the territorial limits of the employee's agency apply to the employee to the same degree, manner, and extent while engaged in the performance of the employee's duties extraterritorially under the provisions of this mutual aid agreement. The provisions of this section shall apply with equal effect to paid, volunteer, and reserve employees.

(f) Nothing herein shall prevent the requesting agency from requesting supplemental appropriations from the governing authority having budgeting jurisdiction to reimburse the assisting agency for any actual costs or expenses incurred by the assisting agency performing hereunder.

## **SECTION VII: INSURANCE**

Each party shall, upon request, provide satisfactory proof of liability insurance by one or more of the means specified in Section 768.28 (14), Florida Statutes, in an amount which is, in the judgment of the governing body of that party, at least adequate to cover the risk to which that party may be exposed. Should the insurance coverage, however provided, of any party be canceled or undergo material change, that party shall notify all parties to this agreement of such change within ten (10) days of receipt of notice or actual knowledge of such change.

## **SECTION VIII: EFFECTIVE DATE**

This agreement shall take effect upon execution and approval by the hereinafter named officials and shall continue in full force and effect until September 1, 2015. Under no circumstances may this agreement be renewed, amended, or extended except in writing.

SECTION IX: CANCELLATION

Any party may cancel its participation in this agreement upon delivery of written notice to the other party or parties. Cancellation will be at the direction of any subscribing party.

In witness whereof, the parties hereto cause to these presents to be signed on the date specified.
