Re: Engagement of Marcum LLP

We are pleased to confirm our understanding of the services Marcum LLP (“Marcum,” the “Firm,” “we,” “us” or “our”) are to provide Town of Surfside, Florida (the “Town,” “you” or “your”) for the fiscal year ending September 30, 2019. We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the Town as of and for the fiscal year ending September 30, 2019. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to supplement Town’s basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Town’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management’s Discussion and Analysis
- 2) Schedule of Changes in Town’s Net Pension Liability and Related Ratios
- 3) Schedule of Town Contributions – Pensions
- 4) Schedule of Changes in Town’s Total OPEB Liability and Related Ratios
- 5) Budgetary Comparison Schedules

We have also been engaged to report on supplementary information other than RSI that accompanies Town’s financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and will provide an opinion on it in relation to the basic financial statements as a whole:

- 1) Schedule of Expenditures of Federal Awards and State Financial Assistance, as applicable
- 2) Combining and Individual Fund Statements and Schedules

The following other information accompanying the basic financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditors' report will not provide an opinion or any assurance on that other information.

- 1) Introductory Section
- 2) Statistical Section

Audit Objectives

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*, and the Florida Single Audit Act and Chapter 10.550, Rules of the Auditor General of the State of Florida. The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The *Uniform Guidance* and Florida Single Audit Act report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the *Uniform Guidance* and the Florida Single Audit Act. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and the Florida Single Audit Act and Chapter 10.550, Rules of the Auditor General of the State of Florida and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance and the Florida Single Audit Act and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Honorable Mayor, Town Commission and Town Manager.

We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

Audit Procedures – General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Town or to acts by management or employees acting on behalf of the Town. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitation of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from the Town's attorneys as part of the engagement, and they may bill the Town for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards and state financial assistance, if applicable; federal award programs and state projects, if applicable; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the basic financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the Town's compliance with provision of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will

not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Uniform Guidance, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement*, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General for the types of compliance requirements that could have a direct and material effect on each of the Town's major programs. The purpose of these procedures will be to express an opinion on the Town's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance, the Florida State Single Audit Act and Chapter 10.550 Rules of the Auditor General.

You are also responsible for the preparation of the other supplementary information which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. Communication with Those Charged with Governance

As part of our engagement, we are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process as well as other matters we believe should be communicated to those charged with governance. Generally accepted auditing standards do not require the auditor to design procedures for the purpose of identifying other matters to communicate with those charged with governance. Such matters include, but are not limited to, (1) the initial selection of and changes in significant accounting policies and their application; (2) the process used by management in formulating particularly sensitive accounting estimates and the basis for our conclusions regarding the reasonableness of those estimates; (3) all passed audit adjustments; (4) any disagreements with management, whether or not satisfactorily resolved, about matters that individually or in the aggregate could be significant to the financial statements or our report; (5) our views about matters that were the subject of management's consultation with other accountants about auditing and accounting matters; (6) major issues that were discussed with management in connection with the retention of our services, including, among other matters, any discussions regarding the application of accounting principles and auditing standards; (7) serious difficulties that we encountered in dealing with management related to the performance of the audit; and (8) matters relating to our independence as your auditors.

The Town agrees that the following disclosure will be prominently displayed in any such official statement or memorandum.

You acknowledge that you are responsible for the actions of your current and former employees, representatives, or other agents in connection with the transmission of your information.

Background Checks

As a matter of Firm policy, we perform background checks, which may require out-of-pocket expenses, on potential clients and/or on existing clients, on an as-determined basis. The terms and conditions of this engagement are expressly contingent upon the satisfactory completion of our investigatory procedures and we reserve the right to withdraw from any relationship should information which we deem to be adverse come to our attention. The results of all background checks and other investigatory procedures are submitted to, and reviewed by, our Firm's Client Acceptance Committee.

Independence

Professional standards require that a firm and its members maintain independence throughout the duration of the professional relationship with a client. In order to preserve the integrity of our relationship, no offer of employment shall be discussed with any Marcum professionals assigned to the audit, including within the one year period prior to the commencement of the year-end audit. Should such an offer of employment be made, or employment commences during the indicated time period, we will consider this an indication that our independence has been compromised. As such, we may be required to recall our auditors' report due to our lack of independence. In the event additional work is required to satisfy independence requirements, such work will be billed at our standard hourly rates. Furthermore, we strive to staff your engagement with quality, superbly trained professionals. In recognition of the extensive investment we have made to recruit and develop our personnel, we ask that you agree to the following. The Firm is required to undergo a "Peer Review" every three years. During the course of a Peer Review engagement, selected working papers and financial reports, on a sample basis, will be inspected by an outside party on a confidential basis. Invoices shall be submitted in sufficient detail to demonstrate compliance with this engagement letter. Our discounted hourly rates vary according to the level of the personnel assigned to your engagement. Our invoices for these fees will be rendered as the work progresses, and are due and

payable upon presentation. In the event that you dispute any of the fees or expenses on a specific invoice, you agree to notify us within twenty (20) days of receipt of the invoice of such dispute. If you fail to notify us within the twenty (20) day period, your right to dispute such invoice will be waived. Prior to the commencement of the services described above, any past due balances are required to be paid in full. In accordance with our Firm policies, should any invoice remain unpaid for more than thirty days, we reserve the right to defer providing any additional services until all outstanding invoices are paid in full. Amounts past due 60 days from the invoice date will incur a finance charge of 1% per month. Nothing herein shall be construed as extending the due date of payments required under this agreement, and you agree that we are not responsible for the impact on your organization of any delay that results from such non-payment by you.

As a result of our planning process, we believe that the above described professional services can be completed for an amount not to exceed of \$62,000 (same fee as the FY 2018 audit) (excluding any federal, State or compliance audits noted below) for the fiscal year ending September 30, 2019. The estimate of our fee is based on certain assumptions, including the required assistance described above. To the extent that certain circumstances including, but not limited to those listed in Appendix A, arise during the engagement, our fee estimate may be significantly affected and additional fees may be necessary. Additional services provided beyond the described scope of services will be billed separately.

If the Town is required to undergo a single audit in accordance with the Uniform Guidance for the fiscal year ending September 30, 2019, we will discuss with you prior to commencing our procedures to arrive at a new fee estimate.

If the Town is required to undergo a single audit in accordance with the Florida Single Audit Act and Chapter 10.550 Rules of the Auditor general of the State of Florida for the fiscal year ending September 30, 2019, we will discuss with you prior to commencing our procedures to arrive at a new fee estimate.

APPENDIX A

Town of Surfside, Florida Circumstances Affecting Timing and Fee Estimate

The estimated fee is based on certain assumptions. Circumstances may arise during the engagement that may significantly affect the targeted completion dates and our fee estimate. As a result, additional fees may be necessary. Such circumstances include but are not limited to the following:

1. Changes to the timing of the engagement at your request. Changes to the timing of the engagement usually require reassignment of personnel used by Marcum in the performance of services hereunder. However, because it is often difficult to reassign individuals to other engagements, Marcum may incur significant unanticipated costs.
2. All requested schedules are not (a) provided by the accounting personnel on the date requested, (b) completed in a format acceptable to Marcum (c) mathematically correct, or (d) in agreement with the appropriate underlying records (e.g., general ledger accounts). Marcum will provide the accounting personnel with a separate listing of required schedules and deadlines.
3. Weaknesses in the internal control.
4. Significant new issues or unforeseen circumstances as follows:
 - a. New accounting issues that require an unusual amount of time to resolve.
 - b. Changes or transactions that occur prior to the issuance of our report.
 - c. Changes in the Organization's accounting personnel, their responsibilities, or their availability.
 - d. Changes in auditing requirements set by regulators.
5. Significant delays in the accounting personnel's assistance in the engagement or delays by them in reconciling variances as requested by Marcum. All invoices, contracts and other documents which we will identify for the Organization, are not located by the accounting personnel or made ready for our easy access.
6. A significant level of proposed audit adjustments are identified during our audit.
7. Changes in audit scope caused by events that are beyond our control.
8. Untimely payment of our invoices as they are rendered.
