SECTION 20. CONSULTANT'S RESPONSIBILITIES

20.1 The Consultant and any and all drawings, plans, specifications, or other construction or contract documents prepared by the Consultant shall be accurate, coordinated and adequate for construction and shall comply with all applicable Town Codes, state and federal laws, rules and regulations.

20.2 The Consultant shall exercise the same degree of care, skill and diligence in the performance of the services for each Project Agreement as is ordinarily provided by a professional engineer, architect, landscape architect, surveyor or mapper under similar circumstances. If at any time during the term of any Project Agreement or the construction of the Project for which the Consultant has provided engineering or architectural services under a prior Project Agreement, it is determined that the Consultant's documents are incorrect, defective or fail to conform to the Scope of Services of the particular Project, upon written notification from the Town, the Consultant shall immediately proceed to correct the work, re-perform services which failed to satisfy the foregoing standard of care, and shall pay all costs and expenses associated with correcting said incorrect or defective work, including any additional testing, inspections, and construction and reimbursements to the Town for any other services and expenses made necessary thereby, save and expect any costs and expenses which the Town would have otherwise paid absent the Consultant's error or omission. The Town's rights and remedies under this section are in addition to, and are cumulative of, any and all other rights and remedies provided by this Agreement, the Project Agreement, by law, equity or otherwise.

20.3 The Consultant's obligations under Paragraph 20.2 of this Agreement shall survive termination of this Agreement or any Project Agreement.

SECTION 21. SUBCONSULTANTS

21.1 In the event the Consultant requires the services of any Subconsultants or other professional associates in connection with services covered by any Project Agreement, the Consultant must secure the prior written approval of the Town Manager or his designee. The Consultant shall utilize his/her best efforts to utilize Subconsultants whose principal place of business is located within Miami-Dade County, Florida.

21.2 Any subcontract with a Subconsultant shall afford to the Consultant rights against the Subconsultant which correspond to those rights afforded to the Town against the Consultant herein, including but not limited to those rights of termination as set forth herein.

21.3 No reimbursement shall be made to the Consultant for any subconsultants that have not been previously approved by the Town for use by the Consultant.
