Thank you for your continued loyalty and business throughout the years! We are excited to offer an annual rate for supplementation services. We have included a discount of 20% for year one if you elect to adopt this new billing model within the calendar year of 2022!

The purpose of this amendment is to modify our current agreement to include pricing for an annual rate for the supplementation services in which you are currently enrolled. CONTRACT ADDENDUM TO SUPPLEMENT BILLING Supplement Service*

Historically supplementation has been invoiced on a per page amended basis. This billing model often causes difficulties establishing an annual budget and approving costs for each scheduled supplement. Transitioning to an annual supplement billing model can provide the following benefits:

- 1. <u>Easier Budgeting Process</u>: With an annual fee, you will be able to easily budget for your supplementation cost. No more guessing or estimating how many ordinances your council or commission will pass.
- 2. <u>Removal of supplement estimates</u>: Under this model we can remove the estimate process per supplement allowing for our editorial staff to start the process sooner vs. waiting on approval for a supplement.
- 3. Increased Transparency: With this new model, you will not need to worry about how many ordinances you send to us for supplementation. With a few exceptions, such as full chapter replacements and/or the addition of new zoning codes, your annual fee is fixed, allowing you to send in as many ordinances as you would like. Over the years, we have found that many of our customers don't send all their ordinances so that they can save on the cost of supplementation. Our new approach will ensure that your code is always up to date for you and your residents.
- 4. <u>Create billing efficiencies:</u> Less invoices to process annually. No more counting pages or trying to reconcile your bill with your supplements.
- 5. <u>Simplify:</u> Training new team members and explaining supplementation to staff will be simplified.
- 6. <u>First Year Discount:</u> To ease the transition to an annual fee, we would like to work with you to reduce the cost of your first year of supplementation by 20%.
- 7. <u>Discounts on Additional CivicPlus Products</u>: If you can work with us in 2022 to make the shift, our team will also be empowered to offer you a 50% discount on the first-year hosting and support cost on any new subscriptions to our Meeting and Agenda Management software solutions, Municode Meetings and CivicClerk.

*All recurring services under this contract will be subject to a 5% annual increase each renewal term. Sales tax will be applied where applicable.
