Sec. 90-68. General and miscellaneous provisions.

(a) Scope: The provisions of this article shall govern the number, size, location, and character of all signs which may be permitted either as a main or accessory use under the terms of this article. No signs shall be permitted on a plot or parcel either as a main or accessory use except in accordance with the provisions of this article.

(b) Purpose: This article shall be known as the "Town of Surfside Sign Code." The purpose of the code is to improve and advance the governmental purpose of aesthetics, quality of life, and safety of the town and its residents, while meeting the need for signage that clearly identifies locations, advertises businesses, and otherwise communicates commercial and noncommercial messages.

(c) Substitution of non-commercial speech for commercial speech: Notwithstanding any provisions of this article to the contrary, to the extent that this article permits a sign containing commercial copy, it shall permit a non-commercial sign to the same extent. The non-commercial message may occupy the entire sign area or any portion thereof, and may substitute for or be combined with the commercial message. The sign message may be changed from commercial to non-commercial, or from one non-commercial message to another, as frequently as desired by the sign's owner, provided that the sign is not prohibited and the sign continues to comply with all requirements of this article.

(d) Severability:

(1) Generally: If any part, division, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word of this article is declared unconstitutional by the final and valid judgment or decree of any court of competent jurisdiction, this declaration of unconstitutionality or invalidity shall not affect any other part, division, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word of this article.
(2) **Severability where less speech results**: This article shall not be interpreted to limit the effect of subsection 90-68(d)(1), or any other applicable severability provisions in the Code of Ordinances or any adopting ordinance. The Town Commission specifically intends that severability shall be applied to these sign regulations even if the result would be to allow less speech in the town, whether by subjecting currently exempt signs to permitting or by some other.............

(3) **Severability of provisions pertaining to prohibited signs**: This division shall not be interpreted to limit the effect of subsection 90-68(d)(1) above, or any other applicable severability provisions in the Code of Ordinances or any adopting ordinance. The Town Commission specifically intends that severability shall be applied to 90-75, "Prohibited signs," so that each of the prohibited sign types listed in that section shall continue to be prohibited irrespective of whether another sign prohibition is declared unconstitutional or invalid.

(4) **Severability of prohibition on off-premises signs**: This division shall not be interpreted to limit the effect of subsection 90-68(d)(1) above, or any other applicable severability provisions in the Code of Ordinances or any adopting ordinance.
