COMMUNITY PROGRAMS / INITIATIVES / ENHANCEMENTS

- I. SEE CLICK FIX REPORT – Attachment “A”**
- II. SOCIAL MEDIA (NEXTDOOR) REPORT – Attachment “B”**
- III. DEVELOPMENT APPLICATION PROCESS (2009 – PRESENT) – Attachment “C”**
- IV. DEVELOPMENT APPLICATIONS STATUS**

A. 8995 Collins – A site plan was submitted on May 19, 2017. Three DRG meetings were held on June 19, 2017, August 24, 2017, and September 28, 2017. The DIC meeting was held on November 16, 2017. The application was heard at the February 22, 2018 Planning and Zoning Board meeting where it was deferred. Since, it has been deferred five times for different reasons, such as, revision of the traffic analysis, lack of quorum, and the applicant's request for a deferral. The application will be scheduled for a Town Commission meeting, once the Planning and Zoning Board issues its recommendation.

B. 9580 Abbott – A variance was submitted on July 3, 2019 by Young Israel, located at 9580 Abbott Avenue. The request is to eliminate landscaping to provide for a handicapped accessible ramp.

- V. BEACH RENOURISHMENT PROJECT STATUS UPDATE – Attachment “D”**

Town administration has been participating in Weekly Project Coordination meetings. As of July 31st, 2019, there have been 3 meetings: 7/17/2019, 7/24/2019 and 7/31/2019. Attached are the minutes from the July 17th and 24th, 2019 meetings.

VI. TOWN DEPARTMENTS

Code Compliance Division

A. Code Violation Cases: As of July 30, 2019, the total number of active, open cases being managed is 229; of these cases, 83 cases are still under investigation and are working towards compliance; 20 cases are on-hold; 28 are in the Special Master hearing queue; 3 cases are in post-Special Magistrate action status; 9 cases have pending liens, and 86 cases have been issued liens and remain unpaid. Properties with unpaid liens are sent reminder letters on a quarterly basis.

B. Collected Civil Penalty Fines: Unresolved code compliance cases accrue fines until the code violation is resolved. After the violation is abated, then the property owners are notified to remit the fine amount due. In many cases, the fine amount is either paid, resolved via a settlement agreement, or referred to the Town's Special Master for a hearing and ruling on the fine amount due.

The following is a summary by fiscal year of the fine amounts collected:

- FY 18/19: Through July 30, 2019, 125 cases have paid/settled for a total collection of \$31,663.
- FY 17/18: 92 cases have paid/settled for a total collection of \$29,576.
- FY 16/17: 117 cases have paid/settled for a total collection of \$40,842.
- FY 15/16: 152 cases paid/settled for a total of \$137,282.

Planning and Zoning Department

The Planning and Zoning Board has discussed the issue of adaptability to climate change in several of its meetings.

At the request of the Planning and Zoning Board, a joint Town Commission and Planning and Zoning Board meeting is scheduled to be held on August 26, 2019 to discuss any potential interest in unlocking height from the Charter to allow additional freeboard.

Police Department

A. Police Department Statistics (July 1 – July 24, 2019)

- Traffic Citations – 215

- Parking Citations – 580
- Arrests – 4
- Dispatch Events – 1,712
- Incident/Crime Reports - 54
- Suspicious Person Checks – 24

B. *FDOT Alert Today, Alive Tomorrow Campaign*

As part of the Florida Department of Transportation's (FDOT) Pedestrian and Bicycle Safety campaign, the Surfside Police Department and representatives from FDOT educated Town of Surfside residents, visitors and business owners on pedestrian safety on July 24, 2019. Educational materials were handed out and prizes for citizens utilizing sidewalks and the crosswalks were given. The campaign began at 8:00 a.m. at the intersection of 93rd Street and Collins Avenue and concluded at 2:45 p.m. in the business district. Approximately 350 pieces of educational materials were distributed to citizens and business owners. A great deal of positive feedback was received in appreciation for the efforts in providing safety measures for the residents.

The following locations were targeted in the campaign:

- The intersection of 93rd Street and Collins Avenue (Community Center – summer camp arrival)
- The intersection of 96th Street and Harding Avenue
- The intersection of 95th Street and Harding Avenue
- The intersection of 94th Street and Harding Avenue
- The Business District

Special thanks to Jeanette Gorgas and Isis Sotolongo from FDOT for their wonderful partnership, dedication and enthusiasm in relaying this important message about pedestrian safety to the Town of Surfside.

C. *Swearing In Ceremony*

Officer Andres Mendoza was sworn in as Surfside's newest police officer on July 29, 2019 in the Commission Chambers. We welcome Officer Mendoza to the Surfside Police Department family.

D. *Police Events*

- The 11th Annual Police Teen Summer Camp graduated on August 1st at 12:00 p.m. in the Commission Chambers.

- The Surfside Police Department will host a Mobile Department of Motor Vehicles event for residents to apply for and renew their driver’s licenses on August 15th from 10:00 a.m. to 2:00 p.m.
- The Surfside Police Department will host a community blood drive on August 21st from 10:30 a.m. – 4:00 p.m.
- The monthly Bike with the Chief is August 28, 2019, at Town Hall at 5:00 p.m.
- Coffee with the Cops is August 29, 2019, at Starbucks at 10:00 a.m.

E. Traffic Mitigation Program Status Report

Public safety is the number one priority for the Town of Surfside. Along with public safety, quality of life is a focus of the Town. One element that impacts both public safety and quality of life is traffic. Traffic has increased significantly in recent years on Collins Avenue and Harding Avenue regionally as well as locally in Surfside. These roadways are major north/south thoroughfares for vehicles to avoid I-95 and Biscayne Boulevard traffic congestion. Lane closures at developments in Surfside and neighboring jurisdictions add to this traffic overcrowding. Drivers have learned they can avoid the backup on Collins Avenue and Harding Avenue by traveling west into the residential neighborhoods. There are no sidewalks in the single-family home areas of Surfside and with many families and children who play, walk and bike on the streets, traffic mitigation strategies are continuous for the Town Commission and Staff in our goal to keep Surfside safe and enjoyable. In order to accomplish our goals Staff works in partnership with the State of Florida Department of Transportation and Miami-Dade County authorities who have jurisdiction over the roads in Surfside. The following chart illustrates and tracks the progress of this ongoing effort.

#	TIMEFRAME	INITIATIVES	STATUS	UPDATE(S)
Short Term (0 – 6 months)				
1.		New Speed Bumps	Re-Opened November 2018	<p>New speed bumps have been installed at the following locations:</p> <ul style="list-style-type: none"> ● 8900 block of Abbott Avenue ● 9100 block of Abbott Avenue ● 9300 block of Abbott Avenue ● 9500 block of Byron Avenue (second speed bump) ● <p>November/December 2018: new speed bump location in the 9400 block of Abbott Avenue being evaluated.</p> <p>The location of the speed bump was determined and installation scheduled for February 2019.</p>

				<p>During February 2019, new speed bumps were installed at the following locations:</p> <ul style="list-style-type: none"> • 9300 block of Abbott Avenue • 9400 block of Abbott Avenue • 9500 block of Carlyle Avenue <p>New speed bumps implementation is being evaluated for the 8800 block of Carlyle Avenue.</p> <p>In May 2019, a speed bump was installed in the 8800 block of Carlyle Avenue.</p>
2.		Loop Detector Installation	In progress	<p>CGA was authorized to move forward with the preparation of the bid documents for the traffic loops at three signalized intersections along Harding Avenue. CGA will need to provide updated scope of services and fee in order to provide traffic counts and traffic analysis at subject intersections (before and after traffic analysis) per commission request at 05-09-17 meeting.</p> <p>The east Stop Bar at 93 Street & Harding Avenue will be moved back.</p> <p>On August 8, 2017, CGA submitted their additional service agreement for completing the before and after traffic analysis at the signalized intersections along Harding Avenue that new traffic loops are being installed. At the Commission meeting where the Post Design Services contract was approved, the Mayor and Commission asked if CGA could do a before and after analysis in order to evaluate the change in traffic operations at these subject intersections. The traffic counts are currently scheduled for the 29th, 30th or 31st of August (second week of regular school).</p> <p>Loop detectors have been approved for Harding Avenue at 88th, 93rd and 94th Streets.</p> <p>On November 3, 2017, CGA submitted for review and approval Work Authorization No. 106 for Surfside Traffic Signal Modification – Traffic Analysis. The scope of the project includes Pre – Post Construction Analysis of four intersections on Harding Avenue at 88th, 93rd, 94th and 95th Streets. Total cost not to exceed \$14,200.62.</p>

			<p>On January 29, 2018, a Traffic Signal Modification Mandatory Pre-Bid Opening was held at 10:30 a.m. The Assistant Town Manager, CGA, Public Works and Police Department representatives attended. No bidders attended.</p> <p>On March 8, 2018, a Traffic Signal Modification Mandatory Pre-Bid Opening was held at 2:00 p.m. The Town has received two bids. The Public Works Department and CGA are evaluating the bids. Once the bids are evaluated and ranked, Town staff will present their recommendation for final bid selection and award to the Town Commission.</p> <p>In a letter dated April 16, 2018, reference Town of Surfside Traffic Signal Modifications ITB No. 2018-01 and CGA Project No. 15-8083, CGA Director of Construction Engineering, Robert McSweeney, provided an analysis of the two bids received for the Surfside Traffic Signal Modification Project and recommendation for award of Contract. Under Power Corp. was the apparent low bidder with a Base Bid of \$109,045.23. Upon review, they found the bid is complete and appropriate for the proposed work. In keeping with the Town to award a Contract to the most responsible and responsive bidder whose bid is in conformance with the Bidding Documents and is in the best interest of the Town, they recommend that the Town of Surfside award the contract for the referenced project to Under Power Corp.</p> <p>At the June 12th, 2018 Commission Meeting, the Town Commission voted to approve the recommendation from CGA awarding the contract to Under Power Corp. The project is moving forward pending CGA Notice to Proceed and required permitting.</p> <p>CGA has collected traffic counts and completed intersection analysis at the Harding Avenue and 88th Street, Harding Avenue and 93rd Street, Harding Avenue and 94th Street and Harding Avenue and 95th Street intersections. Next step is to complete new traffic counts and intersection analysis once the traffic loops at all four intersections have been installed. This traffic</p>

			<p>analysis will be summarized in a memorandum.</p> <p>Public Works Department and CGA held a pre-con meeting. Contractor applied for County permit. A Notice to Proceed (NTP) will be given when contractor has permit. 30 to 45 days for completion after start.</p> <p>On 8-8-2018, the awarded contractor, Under Power Corporation, submitted the following permit applications to Miami Dade County:</p> <p>Permit No. 2018006371 – Harding Av & 88 St Permit No. 2018006374- Harding Ave & 93 St Permit No. 2018006373 – Harding Ave & 94 St</p> <p>On 8-21-2018, Miami-Dade Traffic Engineering Division provided comments on their already approved plans. They had asked for one of the pedestrian signal phases to be modified.</p> <p>On 8-22-2018, Under Power Corporation picked up 18 revised signed and sealed sets from CGA.</p> <p>On 8-23-2018, the revised plans were submitted to the County for permitting by the contractor. It seems that the County has a 12-day turn-around for these permits. Bob McSweeney has been keeping track of the County’s review time and the contractor has kept CGA informed every step of this process.</p> <p>For Harding Avenue and 95th Street, CGA received an email from David Hayes (Miami-Dade County) stating that they could not sign-off on the project because they needed revised plans to reflect the same pedestrian phase modifications requested at 88th Street, 93rd Street, and 94th Street. Revised plans for Harding Avenue and 95th Street will be submitted to Miami-Dade County on 8-27-2018.</p> <p>Under Power Corp., project manager Guillermo Vado, left the company on 09-14-</p>

			<p>18, and the new project manager is Eddie Macias e.macias@underpowercorp.com.</p> <p>GCA contacted FDOT Operations concerning the Construction Agreement renewal and loop material revision, and were referred to the FDOT Permits Department. GCA have a call/message into them, and will advise as to any potential delay once we have more information.</p> <p>On 11-27-18 a meeting was conducted with Town Administration, Public Works, Police Department, and CGA regarding the Loop Detector Installation. It was determined that the project can commence on 12-10-2018 and the work hours will be 8:00 AM – 6:00 PM, Monday-Friday. The Police Department will provide personnel to assist with lane closures. The contractor, Under Power Corp., was contacted and advised to provide a construction schedule, work plan narrative, and MOTs regarding the program prior to commencing work.</p> <p>Loop Detector installation work began the week of 12-17-2018 and FDOT advised that the contractor has a 90-day window to complete the work. Traffic advisories were emailed to residents and posted on the Town website regarding the construction work and anticipated lane closures on Harding Avenue.</p> <p>FDOT halted the installation to obtain additional permits. They were not able to perform directional drilling at the intersections. FDOT and the Town have a scheduled meeting on Thursday 01-31-2019 to discuss the new project timeline.</p> <p>As of February 2019, due to unforeseen field conditions encountered by Contractor, loop detection project construction drawings are being revised. The revised drawings will be submitted to FDOT for re-permitting since the changes require trenching of roadway. Engineer of Record is currently working on construction drawings for re-submittal.</p> <p>According to the Town Public Works Department we are awaiting a cost on the Change Order.</p>

				In April 2019, Public Works advised that an RFP will have to be re-issued as the contractor has withdrawn from the project.
3.		Install a crosswalk at 90 th Street & Harding Avenue (north side) and 89 th Street & Harding Avenue (north side)	Open	<p>FDOT agreed to reconsider installing a traffic signal at the location, pending study (count). The Town installed traffic delineators designed to allow a left turn only onto Harding Avenue, preventing vehicles from traveling westbound across the intersection.</p> <p>The 200 block of 90th Street has been converted to one-way traffic eastbound only. This new traffic pattern has eliminated the hazard of vehicles traveling west across Harding Avenue at 90th Street where a curve hindered line of sight for drivers.</p> <p>No Turn on Red signage has been installed at 90th Street & Collins Avenue for vehicles traveling eastbound in the 200 block of 90th Street.</p> <p>Crosswalk markings (Thermoplastic) installation will be performed in February 2019.</p> <p>Crosswalk markings (Thermoplastic) installation was delayed until March 2019 to allow the new pavement to properly cure.</p> <p>Crosswalk markings (Thermoplastic) installation was completed at the 89th Street & Harding Avenue (north side) location in March 2019. The Crosswalk markings (Thermoplastic) installation at 90th Street & Harding Avenue (north side) is still pending with no definitive date set.</p>
4.		Collins Ave and Harding Ave. Request for additional speed limit signs & pavement markings within Town of Surfside. FDOT CTP 2018-03-0031	Open	<p>Per Arturo Patulot, Traffic Operations D6, Florida Department of Transportation (FDOT) 305-470-5303, arthuro.patulot@dot.state.fl.us:</p> <p>FDOT Traffic Operations office conducted a field review along the subject roadway segment from 88th to 96th streets both NB and SB directions and has decided to install five (5) additional posted speed limit signs 30 MPH and three (3) sets of pavement markings 30 MPH for better exposure and</p>

				<p>driver’s compliance at the following locations:</p> <p><i>Collins Avenue facing Northbound traffic</i> Two (2) additional 30 MPH speed limit signs (Right & Left of roadway) and 30 MPH pavement markings north of 90th Street One (1) additional 30 MPH speed limit sign (Right of roadway) north of 92nd Street Two (2) additional 30 MPH speed limit signs (Right & Left of roadway) north of 94th Street</p> <p><i>Harding Avenue facing Southbound traffic</i> 30 MPH pavement markings for the three lanes across from existing speed limit sign south of 96th Street</p> <p>30 MPH pavement markings for the three lanes across from existing speed limit signs south of 92nd Street</p> <p>The proposed improvements will be completed by FDOT maintenance when workload and schedule permit. No anticipated completion dates were provided.</p> <p>FDOT was notified by email for an update on the status and Public Works is awaiting their response.</p> <p>Town Public Works advised that FDOT confirmed that a work order has been completed and pending a start date for the work.</p>
5.		Evaluate Sidewalk Options	Open	Town Commission approved a motion to continue to evaluate pedestrian safety options in Surfside.
6.		<p>95th Street & Harding Avenue (westbound), left Turn lane added.</p> <p>300 block of 95th Street (eastbound), right turn lane added.</p>	Closed	On 04-27-2017, the traffic lanes in the 200 block of 95 th Street, between Collins Avenue and Harding Avenue were modified to improve the traffic flow. New lane pavement markers delineate the new vehicular traffic flow for westbound traffic on 95 th Street approaching Harding Avenue. The pavement markings allow vehicles to travel in two lanes west of the alleyway with one lane designated for travel westbound only on 95 Street across Harding Avenue, and the other lane designated as a left turn

				<p>only lane for vehicles turning southbound onto Harding Avenue. Three parking spaces on the North East side of 95 Street & Harding Avenue have been eliminated to allow for a westbound travel lane.</p> <p>As of 08-22-2017, the traffic flow in the 300 block of 95th Street, between Abbott Avenue and Harding Avenue, has been altered. The new lane pavement markers delineate the new vehicular traffic flow for eastbound traffic on 95th Street approaching Harding Avenue. The pavement markings allow vehicles to travel in two lanes east of the alleyway with one lane designated for travel eastbound only on 95th Street across Harding Avenue, and the other lane designated as a right turn only lane for vehicles turning southbound onto Harding Avenue. The loading zone at this location has been eliminated to allow for a right turn only lane. Please refer to the traffic diagram below.</p> 
7.		New Stop Signs at all intersections west of Harding Avenue	Closed	<p>Public Works installed stop signs at the following locations:</p> <ul style="list-style-type: none"> • 89th Street & Byron Avenue (east-west) • 90th Street & Abbott Avenue (east-west) • 90th Street & Carlyle Avenue (east-west) • 92nd Street & Abbott Avenue (east-west) • 92nd Street & Carlyle Avenue (east-west)

				<p>In September 2018, Public Works relocated the stop sign and stop bar at Carlyle Avenue and 90th Street (for Northbound traffic on Carlyle Avenue) 15 feet north to allow for an enhanced traffic sight cone at the intersection.</p> 
<p>8.</p>		<p>New Stop Bar Reflectors</p>	<p>Closed</p>	<p>New Stop Bar Reflectors Installed In September 2018, Public Works conducted an inspection of the Stop Bar Reflectors and determined which reflectors were non-operational. The vendor replaced the non-operational reflectors under warranty.</p> <p>Public Works ordered 24 new reflectors that were installed at the following locations:</p> <ul style="list-style-type: none"> • 90th Street and Froude (all directions) • 90th Street and Byron (all directions) • 90th Street and Abbott Avenue (East and West directions) • Yellow reflectors were installed prior to the speed bumps in the 9500 block of Byron Avenue to alert drivers. <p>During November 2018 all non-operational Stop Bar Reflectors were replaced and are now functional. Additionally, new Stop Bar reflectors were installed at the following locations:</p> <ul style="list-style-type: none"> • 90th Street and Froude (all directions) • 90th Street and Byron (all directions) • 90th Street and Abbott Avenue (East and West directions)

<p>9.</p>		<p>Revisit Street Closure</p> <ul style="list-style-type: none"> o 94th Street / Abbott Avenue 	<p>Closed</p>	<p>Town Commission approved a motion against revisiting this item.</p>
<p>10.</p>		<p>New Street Closure</p> <p>Byron Avenue (northbound) at 88th Street</p>	<p>Closed</p>	<p>Requires study, Miami-Dade County and Miami Beach approval.</p> <p>On 11-29-17, Town Manager, Chief Allen and Public Works Director attended a meeting with Miami-Dade County and City of Miami Beach administration regarding the closure of northbound traffic at 88th Street and Byron Avenue.</p> <p>The above meeting resulted in a plan to add curbing to the 88th Street median extending it to Abbott Avenue. The result will prohibit drivers from executing illegal U turns disrupting the traffic flow and area residents which has been a continuous problem.</p> <p>The following traffic modification Project has been developed to improve the traffic flow at 88th Street and Abbott Avenue.</p>  <p>Public Works completed the installation of the pictured vehicular traffic pattern at 88th Street & Abbott Avenue. On March 12, 2018, a 60-day testing period will begin before final approval.</p> <p>The 60-day trial period before final approval continues. There have been no traffic accidents reported and no matters of concern have been brought to the attention of the Police Department.</p>

				<p>At the Special Town Commission Meeting held May 22, 2018, the Town Commission approved the below traffic pattern design (Option A) for 88th Street and Abbott Avenue. A traffic circle at Abbott Avenue on 88th Street will allow traffic to flow east, west and south. Traffic islands on Abbott Avenue and Byron Avenue at 88th Street will prevent vehicles from traveling north on those avenues from 88th Street.</p>  <p>Public Works has begun work on the new traffic mitigation design on 88th Street & Abbott Avenue. The project is estimated to be completed by mid-July.</p> <p>Project completed.</p>
11.		Install a centerline curb on 95 th Street between Abbott and Byron Avenues	Closed	Public Works installed delineators to deter trucks from traveling west on 95 th Street.
12.		Eliminate Crosswalks on Collins (north) & Harding (south) Avenues	Closed	FDOT stated that eliminating crosswalks would hinder pedestrian travel and further study would be required before they can agree to that recommendation.
13.		Create Vehicular Circulation Plans for New Construction Projects Minimize lane closures	Closed	MOT’s and circulation plans for new construction projects was a primary topic of discussion with FDOT and the surrounding jurisdictions representatives. A plan to improve the coordination of projects and to enhance communication by FDOT providing notice well in advance of all approved MOT’s to the three jurisdictions was agreed upon.

				The early notice system has shown an improvement.
14.	<p>Install traffic light at 96th Street & Abbott Avenue</p> <p>Eliminate left hand turn at 96th Street & Byron Avenue</p>	Closed	<p>Town Manager Olmedillo, Chief Allen, Captain Yero and Randy Stokes, from the Town and Eric Czerniejewsky from CGA, spent a few hours with Ramon Sierra, FDOT District 6. Several simulations were run, and the result is that the back-up traffic in the east bound direction made congestion worse on 96th Street. This will not allow the vehicles turning right from Byron to move, causing a longer back-up on Byron and creating additional congestion on Harding and Collins.</p> <p>FDOT will not eliminate the left turn at 96 Street & Byron Avenue.</p>	
15.	<p>Send demand letters to mapping companies</p> <ul style="list-style-type: none"> o Waze – Free Community-based GPS, Maps & Traffic Navigation App 	Closed	<p>The Town became a Participating Member of the Connected Citizens Program. This is the Town’s effort to address in real-time reported accidents and improve navigation throughout the Town.</p>	
16.	<p>On-Street Parking Reconfiguration - 200 block of 90th Street</p>	Closed	<p>On Monday 10-08-18, Public Works advised that the 200 block of 90th Street On-Street Parking Reconfiguration would begin in October 2018, with Police/Parking Officers blocking off the street to complete the striping. Striping Reconfiguration diagram below.</p>  <p>On Monday 10-29-18, the striping and reconfiguration was completed.</p>

2.		Create One-Way Streets 88 th , 89 th , 90 th and 91 st Street between Collins & Harding Avenues	Closed	<p>A Town meeting was held July 18th, 2017, to present a new traffic pattern plan making 89th Street one-way only for westbound vehicular traffic from Collins Avenue to Hawthorne Avenue and 90th Street one-way only for eastbound vehicular traffic from Bay Drive to Collins Avenue.</p> <p>The Town Commission approved to conduct a test of a new streetscape design on 89th and 90th Streets, between Harding and Hawthorne. The test consists of creating a safe pedestrian path and a green area in what is currently the paved area of those streets. Because width of the street will be narrowed during the test, the streets will be changed to a one-way system, with 89th Street traffic moving from east to west and 90th Street traffic moving from west to east. The streets will be marked with paint to designate the pedestrian area as well as the green/parking area. The test is scheduled to begin in early December and run for a period of 60 days. At the end of the test period, staff will present a report to the Town Commission.</p> <p>The new streetscape testing was initiated December 14, 2017. The testing has gone smoothly with no incidents to report thus far. A main focus has been directed toward providing information, answering questions and educating residents and all who travel the area on the details and goals of the project.</p> <p>At the February 13th, 2018 Town Commission Meeting the Town Administration was granted time extension of sixty days to the One-Way Street Project in order to survey the streets for ADA compliance in the pedestrian lanes and to acquire more data on traffic counts.</p>

				<p>A One-Way Streets Town Hall Meeting was held on March 28th, 2018. Notifications for the March 28th One-Way Streets Town Hall Meeting have been distributed via the following channels:</p> <ul style="list-style-type: none"> • Publicly Noticed Meetings and Agenda Packets (Town Commission & Planning & Zoning) • Letter mailed to residences on 89th and 90th streets for first meeting held in July (similar to planning & zoning notices) • Door hangers to residences on 89th and 90th streets • Posted notice at Publix and Starbucks • Multiple e-blasts • Website notices on the calendar and town news • Included in multiple gazette newsletters • Channel 93 • Nextdoor postings on the Town’s page • Delivery of meeting notices to residences on 89th and 90th streets for second meeting held in March • Surveys on Nextdoor and SurveyMonkey <p>Town collected resident feedback through a number of these channels including emails and phone calls.</p> <p>At the April 10th, 2018 Town Commission Meeting, the Town Commission approved a motion to terminate the One-Way Street Project tested on 89th Street and 90th Street.</p> <p>On April 16th, 2018, Public Works returned the traffic pattern on 89th Street and 90th Street to two-way traffic west of Harding Avenue.</p>
3.		Road closure of 95 th Street and Abbott Avenue	Closed	<p>On November 7, 2017, CGA submitted for review and approval Work Authorization No. 108 for Traffic Feasibility Study for Abbott Avenue and 95th Street. The loading zone will be established in August 2019, after ordering and deploying the signs. The new loading zone will be evaluated for a three-month period.</u></p>
<p>2.</p>	<p><u>Ride Share Pick-up & Drop Off</u></p>	<p><u>Re-Opened</u></p>	<p>Background: There has been a proliferation of citizens utilizing Ride Share services such as Uber and Lyft which has impacted the efficient flow of traffic in the Town of Surfside. The operators for these services have been observed picking up and dropping off their customers in the Surfside Business District occupying Town parking spaces and double parking while picking up or dropping off customers.</p> <p>The Surfside Police Department recommends that a 90 day “Town of Surfside Ride Share Pick-Up & Drop-Off Trial Program” be conducted in the 300 block of 95th Street on the south-side of the road way encompassing three parking spaces closest to Abbott Avenue. See below picture (Red Box Area).</p> 

Budget Impact: There will be a reduction in the Town Parking revenue stream due to three (3) less parking spaces being available for paid parking. There will be incurred costs for procuring signage and possible repainting of the parking spaces.

On 07-20-18 the signs for the Ride Share location were ordered and the expected delivery date is in early August 2018. On 07-26-2018, Captain Bambis and Parking Manager Joseph met with Mr. Javier Correoso (Public Affairs Manager) from Uber ride share regarding the new Pick-up and Drop-off site proposed for the 300 block of 95th Street in Surfside. Mr. Correoso was enthusiastic about the trial program that was discussed with him and he is willing to participate and utilize the location in the Uber application for the Pick-up location. He will be contacted days before going live with the location so that he could initiate the information in the Uber application. Mr. Correoso also provided information for his counterpart at Lyft ride share so we could contact them to have the same information on their Lyft application.

Effective 08-13-2018, the Ride Share Pick-Up and Drop-Off location in the 300 block of 95th Street was completed:

- All signs installed (2 signs)
- Curb line was painted yellow
- Vehicle space lines were painted yellow
- UBER Ride Share Company has agreed to add the location to their application

			<p>The Ride Share Pick-up & Drop Off Trial Program concluded on 11-11-18. A Staff Memorandum regarding the program was prepared and submitted by the Police Department which stated that overall impact of the Ride Share Pick-Up & Drop-Off Program has been positive and led to efficiencies of the traffic flow in and around the business district of Surfside. The Police Department recommended that the Ride Share Pick-Up & Drop-Off Program continue as a full-time initiative.</p> <p>The Ride Share Pick-up & Drop-off Program became a permanent on-going program effective November 2018.</p> <p><u>In July 2019, an additional loading zone will be added in the 300 block of 95 Street on the south side in the Ride Share spaces (zone) between the hours of 6AM-10AM, Monday-Friday to help alleviate commercial truck congestion in the Business District in the early morning hours. The loading zone will be established in August 2019, after ordering and deploying the signs and an evaluation period of three months. Based on the loading zone hours added to the current Ride Share spaces an additional Ride Share space will be established in the 200 block of 95 Street on the south side of the street adjacent to or near the loading zone at that location.</u></p>
<p>3.</p>	<p><u>Variable Parking Rate for On-Street Parking Spaces in the Business District (9400 and 9500 blocks of Harding Avenue)</u></p>	<p><u>Open</u></p>	<p>At the 03-12-19, Town Commission meeting the Town Commission approved the following changes to a staff recommendation to initiate a Variable Parking Rate for On-Street Parking Spaces in the Business District (9400 and 9500 blocks of Harding Avenue). The Variable Parking Rate will be as follows: Weekdays (Mon-Fri) only between 10:00 AM – 4:00 PM will be \$4.00/hour with a 2-hour limit (after the expiration of 2 hours the parking space is not renewable between the hours of 10:00 AM – 4:00 PM and the vehicle will not be permitted to park in an On-Street parking space in the Business District until after 4:00PM).</p>

			<p>The Town Commission requested a review be conducted regarding the effects of the On-Street Variable-Rate in the Business District, and the review be submitted two months after the rate change implementation date. The resolution will be voted on at the Town Commission Meeting on 04-09-19.</p> <p>The resolution was approved by the Town Commission and on Monday 04-15-2019, the Variable Parking Rate was implemented without issue for the Parking Pay Stations and Pay-By-Phone Systems. A two-month evaluation of the program will be submitted in June 2019.</p> <p><u>On June 18, 2019, the Police Department submitted the two-month evaluation report for the Business District Variable Parking Rate change. The report was available to the Town Commission for review. At the July 9, 2019 Commission Meeting the Business District Variable Parking Rate change was approved on a permanent basis.</u></p>
<p>4.</p>	<p><u>Parking Rate Increase for Off-Street Parking (Municipal Parking Lots)</u></p>	<p><u>Open</u></p>	<p>Town of Surfside Resolution No. 18-2517 was adopted by the Town Commission on 07-10-2018 stipulating a parking rate fee increase from \$1.50 per hour to \$1.75 per hour for all Off-Street (Municipal Parking Lot) spaces.</p> <ul style="list-style-type: none"> • New Parking rate decals were ordered for the Parking Pay Stations with an anticipated delivery date of mid-August 2018. • Temporary Parking Fee Decals with the new rate were placed on the affected Parking Pay Stations. • Effective 07-25-18 at 12:00 pm the \$1.75 Parking rate commenced. Both the Pay Station System and Pay-By-Phone System were updated with the new parking rate for off-street parking. • Notifications of the parking rate change were hand-delivered to Surfside businesses on 07-24-2018.

		<ul style="list-style-type: none"> • Email notification of the parking rate change was sent out on 07-25-2018. • Notification of the parking rate change was posted on the Town website on 07-25-2018. • On 07-25-2018, the Town website “Parking” section was reviewed and the areas requiring the new rate change were updated by CGA (Adrian). <p>New Parking rate decals were received and they were affixed to the Parking Pay Stations in the Municipal Parking Lots on 08-22-2018.</p> <p><u>At the June 20, 2019, meeting of the Downtown Vision Advisory Committee (DVAC), the Committee formalized recommendations for the Town Commission to consider regarding changing the Off-Street Parking Rates. At the July 9, 2019, Town Commission Meeting the Town Commission discussed and approved parking rate changes for all Town Off-Street Parking (Municipal Parking Lots) as follows:</u></p> <ul style="list-style-type: none"> • <u>Weekends/Holidays:</u> <ul style="list-style-type: none"> ○ <u>9:00 AM - 5:00 PM</u> <u>\$3.00/hour with a 4-hour limit that is not renewable</u> ○ <u>5:00 PM – 9:00 AM</u> <u>\$2.00/hour with a 4-hour limit that is renewable</u> • <u>Weekdays:</u> <ul style="list-style-type: none"> ○ <u>9:00 AM - 5:00 PM</u> <u>\$2.00/hour with a 4-hour limit that is not renewable</u> ○ <u>5:00 PM – 9:00 AM</u> <u>\$2.00/hour with a 4-hour limit that is renewable</u> <p><u>For the August 13, 2019, Town Commission Meeting the Police Department submitted a memorandum for Approval to Modify the Parking Rate and Parking Time Limits for Off-Street Parking (Municipal Parking Lots) through Town Resolution.</u></p>

They had no complaints regarding the location of the stand and were not aware of complaints or traffic concerns from residents of the condo. The taxis crossing Collins Avenue do not interfere with the exiting of cars from their building. The manager was happy that the stand was reduced from four to two taxis.</p> <p>One person has voiced opposition with the location of the taxi stand being across the street because it is unsightly and wants it moved.</p> <p>Chief Allen next met with the valet manager of the Grand Beach Hotel who said the two taxi stand is working out well and when a taxi is needed they signal for one from the stand. Chief Allen also met with the General Manager of the hotel regarding the concern and asked for one space for a taxi on the hotel property. The GM agreed. The space is just inside the garage and is now opened for taxi use.</p>

MEMORANDUM

To: Guillermo Olmedillo, Town Manager

From: Rachel Pinzur, Public Information Representative

Date: July 29, 2019

Subject: **July Social Media (Nextdoor) Report**

In July, the Town's Public Information Representative (PIR) continued to monitor and post content to Nextdoor in an effort to keep Surfside residents on the platform informed about Town news, special notifications and upcoming events. As part of the Town's communication strategy, the PIR aims to provide residents with helpful and positive information. Nextdoor is only one of several communication channels used to reach residents.

Over the month, Nextdoor posts included reminders, notifications and further information on events, meetings and initiatives. Examples include the Channel 663 transition on July 16, the Police Department and FDOT pedestrian safety campaign, temporary lane and/or road closures, the new Parks and Recreation After-School Program, and Mayor's Town Hall meeting. Additional postings focused on reminding residents about the new texting ban law and Surfside's passing of a single-use plastic bag ban. Furthermore, residents received important updates via the Town website, e-blasts, the Gazette, flyers on community boards, and Channel 663.

In the month of July, the Town's Public Information Representative published 32 posts on Nextdoor. There are currently 1,147 verified Surfside residents in the Nextdoor community.

It is important to reiterate the Nextdoor platform is not a replica of the Town's website and Gazette and should not be viewed as such. To that end, information presented on Nextdoor often refers back to the Town's primary communication tools. The Town encourages residents to find information on the Town's website (www.townofsursidefl.gov) and/or by contacting the Town directly.

Bike with the Chief this Wednesday, 7/31

Residents are invited to take a spin around Town with Police Chief Julio Yero during this month's Bike with the Chief. The ride will depart from the Town Hall parking lot at 5:00 pm on Wednesday, July 31, 2019. If you have any questions pertaining to the event, please contact Dina Goldstein at 305.861.4862 or email dgoldstein@townofsurfsidefl.gov.

Deadline to participate in Surfside Residential Satisfaction Survey is tomorrow, 7/31

The final day to complete the Surfside Residential Satisfaction Survey is tomorrow, Wednesday, July 31, 2019. Your feedback is important to the Town of Surfside and allows the Town to gather information about residents, as well as the needs of the community.

Please consider taking a few minutes to participate in the online survey by visiting here: <https://www.surveymonkey.com/r/GZW9XNN>

Note, the voluntary Residential Satisfaction Survey is intended to provide the Town Commission and Town Administration with valuable insight from a resident perspective. It is not intended to be scientific and does not represent the views of the whole community.

Recycle This, Not That

Do you know which items can be recycled and which are trash? This is commonly confused!

The Town of Surfside has produced the attached flyer to help educate residents about which items belong in the trash, and which go in the recycling bin. You can also refer to the flyer here: [https://www.townofsurfsidefl.gov/docs/default-source/default-document-library/recycle-this-not-that-\(2\)-\(2\)-\(1\).pdf?sfvrsn=d9b42594_4](https://www.townofsurfsidefl.gov/docs/default-source/default-document-library/recycle-this-not-that-(2)-(2)-(1).pdf?sfvrsn=d9b42594_4)

Surfside Traffic Alert: Roadway Flooding on 07/25/2019

The Town of Surfside wants you to be aware that due to the current weather situation today, Thursday, July 25, 2019, parts of the residential area along with the area southbound from the 9300 block of Harding Avenue (SR A1A South) are experiencing traffic delays and some flooding.

Surfside Police Officers are monitoring the situation and available to assist with traffic control if needed.

Please plan your commute routes accordingly and drive safely. For more information please call the Surfside Police Department at 305.861.4862.

RECAP: Surfside Police Department and FDOT distribute materials on pedestrian safety in Surfside

Throughout the day on Wednesday, July 24, 2019, members of the Surfside Police Department and the Florida Department of Transportation (FDOT) distributed safety tips and information from the Alert Today, Alive Tomorrow campaign in various areas of the Town of Surfside. The campaign focuses on promoting pedestrian safety.

Surfside Police and FDOT joined forces to deter future traffic incidents and provided educational materials and prizes for citizens using sidewalks and crosswalks. The areas covered in this event included the intersection of 93rd Street and Collins Avenue (Surfside Community Center), the intersection of 96th Street and Harding Avenue, the intersection of 95th Street and Harding Avenue, the intersection of 94th Street and Harding Avenue, and the rest of the business district. The participants also made contact with local business owners and provided them with educational materials to distribute to visiting customers.

Approximately 350 pieces of educational materials were distributed. Many citizens expressed their gratitude for the initiative, which ran from 8:00 am to approximately 2:45 pm. Special thanks to Jeanette Gorgas and Isis Sotolongo for organizing the FDOT team.

For additional information on public safety, please contact Sgt. Jay Matelis, at 305.861.4862 or email jmatelis@townofsurfsidefl.gov. Attached please find several photos of the event.

Surfside Police Department joins the Neighbors by Ring App

As part of its ongoing mission to ensure safety and prevent crime in the community, the Surfside Police Department has partnered with the 'Neighbors' by Ring app. The neighborhood watch app sends real-time crime and safety notifications directly to your mobile device. By joining the Neighbors App, the Surfside Police Department can now share alerts, comment on local issues and continue to help to make our community even safer.

To join the Surfside Police Department on the Neighbors App, simply text surfside to 555888 to download the free Neighbors App. It is not required for residents to have a Ring system to register for alerts. Residents are encouraged to share the app with neighbors to make a difference.

For further inquiries, please feel free to contact Surfside Lieutenant of Police John Healy at 305.861.4862.

Witness a Cooper's hawk fly back into the wild this Thursday 7/25 in Surfside

The Town of Surfside, in coordination with the Pelican Harbor Seabird Station, invites residents to witness an exciting release of a Cooper's hawk (bird) back into the wild this Thursday, July 25, 2019 at 11:30 am at the Hawthorne Tot Lot, located at 90th Street and Bay Drive.

The Cooper's hawk is a medium-sized hawk native to North America, and is one of the most common raptor species found in South Florida. While most hawks migrate through Surfside and South Florida during spring and fall migration, Cooper's hawks are year-round residents of South Florida, nest in the region and can live up to twelve years or more, thriving in areas with dense vegetation. The hawk being released on Thursday was admitted to Pelican Harbor on June 3, 2019 as an orphaned fledgling. It was found with a bone stuck to its mouth and several lesions in its oral cavity. Unable to locate its original nest or its parents, staff at the Seabird Station raised it along with five other orphaned Cooper's hawks. It has just successfully completed flight conditioning and live prey school (mouse school) at the Florida Keys Wild Bird Center and is being transferred back for release Thursday morning.

Pelican Harbor Seabird Station was founded in 1980 to care for injured brown pelicans, and quickly grew into an internationally recognized center for the rehabilitation of seabirds, native birds, mammals and reptiles.

The Town of Surfside is honored to host this important release. For further information, please contact the Surfside Parks and Recreation Department at 305.866.3635 or the Pelican Harbor Seabird Station at 305.751.9840.

Coffee with the Cops is this Thursday, 7/25

Sip fresh brewed coffee and chat about local matters that are important to you during Coffee with the Cops this Thursday, June 25, 2019. The event starts at 10:00 am at the local Starbucks located at 9560 Harding Avenue.

Residents are encouraged to participate. If you have any questions pertaining to the event, please contact Dina Goldstein at 305.861.4862 or email her at dgoldstein@townofsurfsidefl.gov.

Tune in to Channel 663!

As of Tuesday, July 16, 2019, the Town of Surfside's government access channel (previously Channel 93) has been relocated to Channel 663 of the Atlantic Broadband Limited Basic Lineup. Town of Surfside programming is no longer available on Channel 93.

This transition in no way affects the content you enjoy on our local channel, and you will also still be able to tune in to Surfside's channel via the Town website at: <https://www.townofsurfsidefl.gov/departments-services/town-clerk/public-records/channel-93>

The change is due to the fact that Atlantic Broadband recently expanded into mainland Miami-Dade County and northward to Broward County, quickly exhausting the group of channel assignments set aside years ago for municipal access. In order to continue providing this service, in addition to access to other content, the transition is necessary.

Tune in to Channel 663 today!

If you have any questions or concerns, please feel free to contact us at communications@townofsurfsidefl.gov.

A reminder to be Hurricane Ready

This hurricane season, be hurricane ready.

There are important precautions you can take to prepare yourself and your property in advance of a major storm. Please refer to the following Hurricane Ready flyer for Surfside residents and business owners: [https://www.townofsurfsidefl.gov/docs/default-source/default-document-library/hurricane-preparedness-flyer-\(4\)-\(1\)-\(1\).pdf?sfvrsn=20382094_4](https://www.townofsurfsidefl.gov/docs/default-source/default-document-library/hurricane-preparedness-flyer-(4)-(1)-(1).pdf?sfvrsn=20382094_4)

Surfside Joins Global Movement to Prohibit Single-Use Plastic Bags for Environment and World's Oceans

During the Regular Town Commission Meeting held on Tuesday, July 9, 2019, the Town of Surfside Commission voted in favor of amending Section 34-11 of the Town Code of Ordinances which prohibits plastic straws, to also include single-use plastic bags. The amended Section 34-11 of the Town Code now prohibits the distribution, sale or use of single-use plastic bags in any commercial establishment, town facility, town property, beach or by any special event permittee.

Between final adoption and December 31, 2019, the Town will engage in a public education campaign to inform residents and commercial establishments of the provisions of the ordinance. From January 1, 2020 through February 29, 2020 (60 days), the Town will provide written warnings for violations of the Code prohibition. The Town will enforce all provisions of the prohibition on single-use plastic bags beginning March 1, 2020.

Committed to enhancing its environmental stewardship policies, the Town of Surfside moved forward with the amended Code provisions as a response to the growing evidence of the harmful impacts of single-use plastics on terrestrial and aquatic ecosystems.

“Over the last few years, we have enacted sensible laws prohibiting the use of Styrofoam and other single-use plastic products that adversely impact our environment. Through building grassroots support, providing meaningful engagement with our business community and robust public education, we have helped reduce the plastic waste that ends up in our community, the bay and the ocean,” says Mayor Daniel Dietch. “By taking a strong stance on this matter and other critically important environmental initiatives, we seek to demonstrate our leadership and commitment to reducing our environmental footprint today and for future generations.”

Congratulations to the winners of the Surfside Mango Contest

Holy mangoes! There were undoubtedly quite some tasty mangoes at this year's Surfside Mango Contest on June 23, 2019. We would like to thank all residents who participated and made this such an exciting event. Without further ado, we would also like to congratulate the top three winners:

1st place - Meredith Rasco

2nd place - Marcia Teixeira

3rd place - Linda Salzhauer

Congrats Meredith, Marcia and Linda! Thanks for the delicious mangoes! A special thank you to all who participated. Here is to wishing you a delicious mango season!

Special Town Commission Meeting (Budget) and Regular Commission Meeting tomorrow, 7/9

Please be reminded, the Special Town Commission Meeting - Budget Millage Rate and the Regular Town Commission Meeting will take place tomorrow, Tuesday, July 9, 2019.

The Special Town Commission Meeting - Budget Millage Rate starts at 5:00 pm. For the agenda, please refer to: https://www.townofsurfsidefl.gov/docs/default-source/default-document-library/town-clerk-documents/commission-agendas/2019-commission-agenda/2019-07-09-special-town-commission---budget-millage-rate-meeting-agenda.pdf?sfvrsn=e0c32494_2&utm_source=Single+Town+News+Article&utm_medium=newsletter&utm_campaign=Special+Town+Commission+Meeting+-+Budget+Millage+Rate+Meeting+Agenda

Residents are encouraged to attend both meetings.

Thank you for participating in the Independence Day Celebration

The Town of Surfside would like to thank all those who participated in yesterday's Independence Day celebration at the Community Center, and afterward, stayed to view the beautiful fireworks display. What an excellent turnout! We also want to recognize our Surfside Police and Parks and Recreation Departments for their swift handling of a small dune fire that broke out during the fireworks. As a result, no one was hurt and the fire was quickly extinguished.

Prior to the 4th of July fireworks show each year, the Town of Surfside takes various safety measures in order to ensure the safety of all residents and spectators including blocking off the perimeter around the fireworks display and undergoing an on site inspection and approval by a Miami-Dade County Fire inspector.

Additionally, Zambelli, a reputable fireworks company, has two water cannon fire extinguishers on site in case any emergencies arise. Zambelli has been the Town's fireworks provider for over 20 years.

For further security, the Town of Surfside's Police Department is always on hand during the celebration, as well as a Miami-Dade County firefighter and staff members of the Parks and Recreation Department.

It is because of their hard work and dedication that the Town's annual Independence Day celebration continues to be a great big success!

Take the Surfside Residential Satisfaction Survey today!

Please consider taking a few minutes to participate in the online Residential Satisfaction Survey. Your feedback is very important and allows us to gather information about our residents, as well as the needs of our neighborhood.

Take the survey here: <https://www.surveymonkey.com/r/GZW9XNN>

The deadline to complete the survey is 12:00 pm EST on Wednesday, July 31, 2019.

Note: The voluntary Residential Satisfaction Survey is intended to provide the Town Commission and Town Administration with valuable insight from a resident perspective. It is not intended to be scientific and does not represent the views of the whole community.

Meeting Agenda for Special Town Commission - Budget Millage Rate on 7/9/19

Happy Independence Day!

The Town of Surfside would like to wish residents a safe and happy Independence Day.

A reminder, you are invited to join your neighbors for holiday festivities at the Community Center starting at 2:00 pm today. There will be fireworks by Zambelli at 9:00 pm subsequent to the event. For further event details, please refer to the original flyer: https://townofsurfsidefl.gov/docs/default-source/default-document-library/parks-and-recreation/events-flyers/07-04-19---4th-of-july-celebration.pdf?sfvrsn=52192194_4

Town Hall will be closed today and will reopen tomorrow, Friday, July 5, 2019, during normal operating hours.

Also, please be reminded that there will be no garbage collection by the Public Works Department taking place today, Thursday, July 4, 2019. Garbage collection will resume on Friday, July 5, 2019. During the holiday schedule change, waste collection may take slightly longer than normal. We appreciate your understanding and patience.

Enjoy!

Pool cleanliness and safety is a top priority in Surfside

In light of recent reports by the Centers for Disease Control and Protection about a Cryptosporidium (also known as 'Crypto') parasite in swimming pools, the Town of Surfside Parks and Recreation Department would like to reassure residents that the Community Center pools are part of the Miami-Dade County Health Department inspections and meet all guidelines for safe swimming. Staff continue to monitor and maintain the pools to ensure that standards are met.

The Parks and Recreation Department is committed to the safety and well-being of residents and visitors. Therefore, the Parks and Recreation Department follows strict procedures and guidelines for handling fecal accidents to ensure proper pool sanitation. Additionally, the Parks and Recreation Director, the Parks and Recreation Superintendent and full-time aquatic staff are required to participate in a nationally recognized Aquatic Facility Operator (AFO) course, which provides training and certification on the most comprehensive and up-to-date procedures for pool operators. The AFO course includes information on water chemistry, disinfection, mechanical systems, operations, healthy pools and safety.

If you have any questions, please contact the Parks and Recreation Department at 305.866.3635.

July street sweeper schedule

For the month of July, street sweeping in Surfside will take place on Monday, July 8 and Monday, July 22. Please make sure to not block your curb on those days. Remind your neighbors, too!

Street sweeping helps remove debris from the gutter and roadsides that would otherwise go into storm drains, causing water pollution. It helps to keep catch basins and storm drains clean and functional. This can help in the event of a major storm, such as a hurricane. It also enhances the beautification of the Town.

Here is what you can do to help:

Make sure the street in front of your house is free of any vehicles and other obstacles that would prevent the sweeper from cleaning the curbs. Trees that are too low or vegetation that is overgrown may also prevent a street sweeper from properly cleaning your street and therefore should be trimmed. Residents can also help by not over-watering their yards. Over-watering washes pollutants, such as yard clippings, pesticides, fertilizers and motor oil, into the street and into storm drains. Purposely washing any type of debris into the street is not only discouraged, but it is against the law. Residents are encouraged to dispose of yard waste in waste containers.

If you have any questions, please call the Public Works Department at 305.861.4863.

Traffic Alert: 87th Terrace to 9000 Collins Avenue Single Lane Closure - 07/02/2019

The Town of Surfside wants you to be aware that the Florida Department of Transportation has authorized a single lane closure from 87th Terrace to the 9000 block of Collins Avenue (SR A1A North) on the following dates and times:

-Tuesday, 07/02/2019, 6:00 pm to 3:00 am

The work is to repair underground water lines in the eastern most lane of Collins Avenue.

Surfside Police Officers will be on site to assist with traffic control. Please plan your commute routes accordingly and drive safely.

For more information please call the Surfside Police Department at 305.861.4862.

Celebrate July 4th with your neighbors this Thursday

Join your neighbors this Thursday, July 4th for an all-American red, white and blue celebration.

Independence Day festivities will begin at 2:00 pm at the Community Center. Enjoy swim races, live music, DJs, arts & crafts, outdoor games and more. As long as the weather permits, fireworks will take place at 9:00 pm on the beach behind the Community Center. Please be mindful of nesting sea turtles. (For information and tips on how to protect sea turtles, please visit the Town's dedicated Sea Turtle Nesting Season page: <https://townofsurfsidefl.gov/news-and-events/news-detail/2019/05/01/sea-turtle-nesting-season-may-1---october-31>)

For more information, refer to the attached 4th of July flyer or contact the Parks and Recreation Department at 305.866.3635.

As a reminder, Town Hall will be closed on July 4, 2019 and will resume normal business hours on Friday, July 5, 2019.

Video streaming for Channel 93 is currently down

Please be advised that the video streaming option for Channel 93 on the Town website is currently down. Channel 93 can still be accessed on the TV via Channel 93 or Channel 663 for Atlantic Broadband users. Once the matter is resolved, we will share another update. Thank you.

State of Florida makes texting while driving a primary offense

Florida Governor Ron DeSantis recently signed into law House Bill 107 (CS/HB 107: Wireless Communications While Driving) which makes texting while driving a primary traffic offense. The law went into effect Monday, July 1, 2019. The new law also bans the use of any handheld wireless communications devices in school and construction zones. However, the texting ban does not apply to a driver using a navigation device or system or to a driver whose vehicle is stationary.

According to statistics by the Florida Highway Safety and Motor Vehicles, there were 50,190 distracted driving crashes in the state of Florida in 2017. The law is intended to make Florida streets safer, helping to prevent accidents stemming from distractions caused by texting or browsing through mobile devices.

There is currently a "Don't Text and Drive" commercial running on Channel 93. To view Channel 93, visit: <https://www.townofsurfsidefl.gov/departments-services/town-clerk/public-records/channel-93>

Furthermore, residents are encouraged to visit the Florida's Pedestrian & Bicycle Focused Initiative item on the Town website. The initiative aims to increase awareness of pedestrians and bicyclists on roadways at night and other times of low light, like dusk. View the item here: <https://www.townofsurfsidefl.gov/news-and-events/news-detail/2019/06/10/alert-today-alive-tomorrow---pedestrian-and-bicycle-focused-initiative>

Be safe, be smart, and be responsible.

WEEKLY PROGRESS MEETING MINUTES

1.0 Review minutes from previous progress meeting:

1.1 No changes or corrections to previous meeting.

2.0 Review RMS Contractor Action Item Report:

- 2.1 CHC to provide hard copies of daily reports to USACE by end of day.
- 2.2 CHC to provide Certified payroll to USACE since NTP.
- 2.3 Other field/weekly/monthly reports required for the project will be submitted once actual physical activities starts.

3.0 Review Work progress since previous meeting:

- 3.1 CHC under documentation phase, has not mobilized.
- 3.2 *Mr. Guillermo O.-Town of Surfside: Question is CHC had an estimated time of when the project will start? Hector S.-CHC responded that at this time three major submittals are being processed for review, the QCP, EPP & APP have been submitted, reviewed by USACE returned with comments/notes that CHC needs to revise and resubmit for review. Chris R.-USACE- responded that if the submittals comments are addressed properly and get them within a week or so, USACE tries to review as quickly within less than the 30 days that USACE officially has to review. The items have to satisfy the contracts requirements, so it's hard to give a day at this until the critical submittals are approved. No further action required; Item closed.*
- 3.3 *Mr. Guillermo O.-Town of Surfside: Question for Chris & Hector, if we are talking about range, we are talking about 2 weeks for CHC to complete an the USACE have 30 days for review? Chris R.-USACE- The contractor has 10 days to respond on returned submittal and USACE has 30 days to review, although USACE is trying to expedite those submittals for review and return as soon as possible; again the goal is within 2-3 weeks range to be out there on the field, although it all depends how the review goes. No further action required; Item closed.*

10.0 Review / Update Joint Risk Management Register:

10.1 Schedule for review JRMR TBD.

11.0 Modifications, Changes, Substitutions to the Contract:

11.1 None.

12.0 Other Business:

12.1 *Chris R.-USACE:* Mentioned earlier in the week through a correspondence that if CHC or its subcontractor needs to perform a site visit, photos, recons, etc. just make sure that everyone has proper identification so the police department knows that someone is out there and not an unauthorized personnel is out there; CHC identified the procedures to inform ahead of time Lt. Healy and his staff know. *Hector S.-CHC:* CHC will provide information prior arrival keep everyone in the loop inform hat day, time & activities will be taken place, any vehicles and make sure everyone has proper identification as well as vehicles. *Lt. Healy-SPD:* Any flashing light, yellow, amber lights anything that can so they can activate while they are on the beach and please to drive extremely slow because the back of the condos have hedging and bushes and people and kids tends to walk out, extremely slow because especially since there no police escort and would appreciate to send in the email in advance so we can forward out to the PD to make sure they are advised that we may have vehicles on the hard pack. *No further action required; Item closed.*

12.2 *Mr. Guillermo O.-Town of Surfside:* All large projects that we have approved we always require that everybody that works there on the site wears the same type, same color T-shirt, etc., so we can tell them apart due to receiving a lot of complaints particularly from the single family area who claims that people are parking there, construction workers are parking there and many times are their own construction workers that are performing work at the single family area, yet they claim that they are people who are working on Collins and Harding because is convenient for them, we have all types of limitations for parking , we response to neighbors who call like for example "there's a strange car parked n front of my house", question, is a there a common color CHC will wear? *Hector S.-CHC responded that CHC staff, field crew, workers or employees will have the same color shirt either white or gray, we will supply one color with the company logo on it as well as the Hi-Visibility Vest with the company logo on it (CHC).Potentially our subcontractor will have their own company attires, although CHC will provide a list of subcontractor to be identified. Chris R-USACE: The contractor is required to have identification either on the Hi-Viz vest or hard hat logo, any individual walking around should have identification, if there's a person that doesn't it shall be reported to the contractor. Action required; Hector S-CHC, to provide a list of subcontractors to Town of Surfside.*
