

MEMORANDUM

To: Honorable Mayor, Vice-Mayor and Members of the Town Commission

From: Hector Gomez, Town Manager

Date: April 9th, 2024

Subject: FREEBEE Launching this week

The FREEBEE app will launch this week for the Town of Surfside. The new tesla vehicle will be available on demand for commuting around Town. The vehicle is funded from the Transportation fund and was approved for use as part of the fiscal year 2024 adopted budget. The Communication Department is working on material to educate residents.

When the FREEBEE vehicle is deployed, the Town will pause the shuttle service with Limousine services of South Florida but not terminate the contract as the provider offers bus transportation services the Town uses for trips within Parks and Recreation.
