## Manager's Message

My November 2011 Manager's Message contained a mistake. It stated that the approved millage for the FY 11/12 Budget had been reduced by .5000 mills. This was incorrect. Millage was reduced to 5.5000 from 5.6030. Chalk it up to working late, being nearly 65 years old or just not being infallible. Commissioner Karukin was the only person to catch it. Thanks to Michael for his incredible attention to detail and my apologies.

I promised to discuss two things in this message. The first was closing out the Community Center project. Closing out a project ensures the general contractor provides a quality building that meets all applicable codes as well as the requirements of the plans and specifications. This is done by staff and consultants preparing a "punch list" of items which require additional attention. The initial punch list contained 500 items (not unusual for a complicated building), which have been resolved. The Town will keep "retainage" from the general contractor, West Construction, until all items are completed. There are warranties on all major components and the performance bond will remain in place for 12 months after the Certificate of Occupancy was issued.

The second element of project closeout is financial in which West Construction, AECOM (the design firm) and CGA (the project manager) make claims for change orders valued up or down. The Town also makes claims. Over the life of this project, there were nearly 100 claims which have all been resolved amicably without the costly litigation in so many prior Town projects. The Town Commission on November 8, 2011 approved settlement of all claims at far less than the amount claimed and releases will be signed by all parties. Your Town team has completed the Community Center on time and within budget. Many thanks to Tim Milian, Parks and Recreation Director, Bill Evans, Public Works Director, Paul Gioia, Building Director and so many other folks who worked very hard to get this done.

My Manager's Message last month also promised to talk about the "vision thing." Vision means many things to many people. The creation of a vision in Surfside is a collaboration. We start with a citizen involved process. The Downtown Vision Advisory Committee (DVAC) is an example of concerned citizens (stakeholders) representing diverse interests developing a series of recommendations to enhance Downtown while preserving our small community feel. Ideas are brought forward by Staff, members of the Committee, elected officials, consultants or just folks in the audience. Discussion is robust, televised and agreed upon items are brought to the Planning and Zoning Board, the Town Commission or any other process that is required. The vision is collaborative with strong outreach to anyone wishing to participate. Many of the items

## A Restored Santa Returns Home to Surfside

After nearly a decade of vacationing at the Log Cabin Nursery in Miami Beach, a 15-foot-high Surfside Santa statue has returned home, his sack of toys intact. Public Works staff performed some expert restoration on St. Nick and he will again be waving to residents from the Community Center during the holiday season.

*Josvani Iglesias (on ladder) prepares Santa for a fresh coat of paint.*

## Business Association Sponsors 'Light Up Surfside'

The Surfside Business Association and Tourist Board encourage residents to light up their homes and properties with lights and holiday decorations for the 2011 season. Judges will present prizes to the top three homes.

## Civic Association Sponsors Holiday Fund

The Surfside Civic Association is proud to continue the 41st anniversary of the Surfside Employee "Holiday Fund." Now is the opportunity to show your appreciation to the Town Employees who work year round to improve the quality of life in our town. All contributions should be sent to: **Surfside Civic Association "Holiday Fund," P.O. Box 547162, Surfside, Florida 33154.**

## Parking Meter Grace Period for Holidays

In keeping with the spirit of the holidays the Town of Surfside will give parkers a one hour grace period after their meter parking time has expired without a ticket being issued. The one hour parking grace period will begin on Thanksgiving Day and end January 2, 2012.

## Police Department Sponsoring Toy Drive

The Surfside Police Department is collecting toys this holiday season for the third annual Holiday Toy Drive. Please show your support by bringing new unwrapped toys for children ages 1-13 to the Surfside Police Station. The last day to donate is **Tuesday December 20, 2011**. The gifts will be presented to the children on Dec. 22.

# Ceremony Connects New Water Service

With Surfside staff and construction contractors looking on, Mayor Daniel Dietch and Commissioner Edward Kopelman (at left) turn the gold valve key to connect the first 60 homes to the Town's newly completed water service. The ceremony took place at the corner of Abbott and 91st Street and marked a significant achievement in the major refurbishment project encompassing the Town's water, sewer and stormwater system. The opening of the street was previously completed in this area and the first lift of asphalt has been installed. The Contractor is working diligently to stay within the contractual schedule and meet their Phase I-III goals.

## MANAGER'S MESSAGE - *From Page 1*

in a vision will require multiple steps such as public hearings, budget review and approvals by the Town Commission and outside agencies. In Surfside there is broad participation and full transparency in the creation of a vision. There are also folks who don't agree with the outcome and that is simply called "democracy." Once the vision becomes an adopted plan, it is the Town Manager's job to carry it out efficiently and effectively. For a small Town with wide-ranging opinions, we do a good job of garnering consensus on a vision.

We have much to be thankful for and much to look forward to in Surfside. We are on a roll with our new Community Center, upgrading our water/sewer/storm drainage infrastructure, positive financial position and a "can-do" attitude at all levels. If you are a product of the 60s like me, you will understand that we live and work in Camelot. Let's not put the positive direction at risk with discourse and vitriolic accusations.

As we enter the holiday season, on behalf of the Town Commission and your dedicated Staff, we wish you and your families a wonderful, safe holiday and New Year. Thanks to the Town Commission and our residents for the opportunity to manage this wonderful community.

**Roger M. Carlton, Town Manager**

## Holiday Crime Prevention Tips From the Surfside Police Department

During the busy holiday shopping season, the Surfside Police remind residents to **LOCK IT - HIDE IT - KEEP IT:**

- **Lock It:** Lock your vehicle every time you leave it unattended and always lock your valuables in the trunk.
- **Hide It:** If you don't have a trunk, hide valuables under the seats, in the glove box or other compartments within the vehicle.
- **Keep It:** Personal responsibility is the best prevention to safeguard your property and to prevent becoming a victim.
