

## MESSAGE FROM THE TOWN MANAGER

### 2016-17 Budget Preparation Has Already Started

The Town has already begun the process of preparing the 2016-17 Proposed Budget. I am required under the Town's Charter to submit a proposed budget to the Town Commission by July 1st each year. The proposed budget includes my budget message and estimates of revenues and expenditures for each department.

The first planning meeting on the proposed budget was held on January 26th with all department directors in order to review their preliminary requests for any personnel changes, equipment and capital improvements. Each department is later required to submit their formal requests for operating funds, new programs, capital equipment and improvements, and personnel changes in a detailed format in order to prepare the proposed budget.

A budget workshop is held with the Town Commission for their goals and priorities prior to the preparation of the proposed budget. The budget is the most important financial planning tool and is the reason the process starts in January and ends with two public hearings in September before the new fiscal year starts October 1st.

*– Guillermo Olmedillo, Town Manager*

## Outstanding Police Work Results in Arrest of Car Thieves

Detectives Marian Cruz and Kemuel Gambirazio received Officer of the Month honors for skillfully tracking down two car thieves who had burglarized one car and stole another in a Surfside neighborhood. After interviewing the two Surfside victims, Detective Cruz received a call the next day that the stolen car had been recovered by the City of Miami Police. She spoke with the neighbors in the area where the car was found and contacted the Miami Police Officer who recovered the stolen vehicle. She discovered that the Miami officer had interviewed an occupant in the vehicle. Detectives Cruz and Gambirazio found the person at her home, and she ultimately confessed involvement in both the stolen car and burglary of the second vehicle. She also provided information on a second suspect: the driver.

Det. Marian Cruz, Chief David Allen and Det. Kemuel Gambirazio

After further investigation, the detectives found him in custody at the Miami-Dade County Jail on unrelated charges. In an interview, he confessed to stealing the car, burglarizing the second vehicle, stealing property from the car and fleeing from the Miami Beach Police in the stolen car all in the same night. Both individuals implicated the other for the crimes and both were arrested. The Miami Beach Police Department has charged both with additional crimes.

### Police Civilian of the Month Dina Goldstein Honored For 2015 Toy Drive
