

MESSAGE FROM THE TOWN MANAGER

Preparation is the Key to a Safe 2017 Hurricane Season

With the balmy summer months coming up on the calendar, it is time for Surfsiders to focus on their hurricane preparation. The South Florida ritual of preparing for potential storms is a part of life in the tropics. The real danger is being complacent. Last October we were brushed by Hurricane Matthew with little damage, but the event reminded us of the importance of preparation.

Now is the time for you and your loved ones to make your evacuation plans and check off your hurricane list. On page 6, there is important information on preparation and post-storm details. The two keys for weather safety are to prepare for the risks and to act on those preparations when alerted by emergency officials.

Surfside is a coastal Town with water to the east and west. Assess your risks and know your home's vulnerability to storm surge, flooding and wind. Throughout the storm season (June 1 to November 30) monitor National Weather Service forecasts, particularly the posting of watches and warnings.

Surfside is in an evacuation zone. When a hurricane warning is posted (hurricane-force winds and conditions expected within 36 hours), residents must leave the Town and move to a safe, non-evacuation location. Do not wait until the last hour, because bridges may be closed for safety.

Take charge and keep yourself and your family safe and secure.

- Guillermo Olmedillo, Town Manager

PAYDAY!

Elected Officials Collect \$1 Annual Salary

It was all smiles at the May Commission meeting as the Surfside elected officials received their annual salary of \$1 for dedicating their time and talents in leading the community. (L-R) Commissioner Michael Karukin, Vice Mayor Barry Cohen, Mayor Daniel Dietch, Commissioner Tina Paul and Commissioner Daniel Gielchinsky.

COME TO THE KICK-OFF EVENT ON JUNE 9! PAMM Selects Surfside for Inside|Out Public Art Program

Beginning in June, Surfside residents and guests can enjoy the finest in contemporary art on their way to the beach as the PAMM Inside|Out Summer installation come to Town. Surfside has been selected as one of six Miami-Dade communities to host high-quality reproductions of Perez Art Museum Miami's (PAMM) collection. As many as 15 works of art will be installed at the beach street ends for passersby to enjoy. Funded by the Knight Foundation, this summer's art in public places event is part of PAMM's popular Inside|Out Neighborhood Art Program.

Join an art tour on Friday, June 9 from 5-8 p.m. at the Community Center green space for the Inside|Out Surfside Installation and the National #InsideOutUSA Photo Contest. Enjoy walking tours, giveaways and refreshments.

CODE COMPLIANCE CORNER Sea Turtles and Lighting

Lights that shine on a nesting beach can draw turtle hatchlings away from the ocean and off the beach where they have a slim chance of survival. Beach lights also scare away female turtles crawling ashore to nest. Sea turtles still return to beaches that were once dark and empty to lay their eggs. Now they must compete with residents, tourists, obstacles and bright lights.

Beachfront lighting can also cause sea turtle hatchlings to become disoriented and wander away from the ocean towards the brightest lights. When this happens, the hatchlings often die from dehydration, exhaustion, predators and passing cars. Beachfront lighting can be properly managed to benefit humans and sea turtles. In general, the light should be aimed at the ground where it is needed for safety. The light should be shielded from the beach and outfitted with an amber or red LED bulb.

When lighting coastal property, remember these rules:

1. **KEEP IT LOW** - Use low mounting height and low bulb wattage. Flood, spot and pole lighting are discouraged.
2. **KEEP IT SHIELDED** - Use full cut-off fixtures that direct the light down to the ground. Shield fixtures so the bulb, lamp or glowing lens cannot be seen.
3. **KEEP IT LONG** - Sea turtles are less disturbed by the long wavelengths of light (570 nanometers or longer), such as yellow, amber or red lights.

For additional information, contact the Surfside Code Compliance Division at (305) 861-4863, extension 230, or the Sea Turtle Conservancy at (352) 373-6441.

PUBLIC WORKS

Successful Hazardous Waste Collection

Just in time for the start of the 2017 hurricane season, Surfside's emptied their garages for the Public Works Department's Hazardous Waste

drop-off on May 20. The event exceeded past year's efforts, with the collection of more than 1,000 gallons of paint, five quarts of medical needles, batteries, electronics and other hazardous items. The Public Works Department collects batteries and electronic items year-round at Town Hall. Thanks to all who participated! Look for information on the next hazardous waste drop-off.

Unlocked Cars are Targeted by Burglars

The Surfside Police Department is investigating several vehicle burglaries in the residential neighborhood in the early morning hours of May 14, 2017. All of the vehicles had been left unlocked. On May 17, Surfside detectives arrested a juvenile for the crimes.

Since February 2, 2017, 19 unlocked vehicles were entered in Surfside on four separate occasions. No burglaries have been reported on locked vehicles. Detectives also made two arrests for these crimes.

- Please **LOCK** your vehicles.
- **DO NOT** leave a vehicle key inside your vehicle, even if it is locked.
- **DO NOT** leave items of value in your vehicle or any items in plain sight.

Please report any suspicious activity to the Surfside Police Department at 305-861-4862.

June 7 Blood Drive at Town Hall

The Surfside Police Department is hosting a blood drive in conjunction with the One Blood organization. The blood drive will take place on Wednesday, June 7, 2017 from 12 - 4 p.m. The Blood Mobile will be located in the Town Hall parking lot. For further information contact Dina Goldstein at (305) 861-4862 or dgoldstein@town-ofsurfsidefl.gov

Driver's License Services at Town Hall

Community Outreach Specialists from the Department of Highway Safety and Motor Vehicles will be setting up a mobile DMV at Town Hall on Thursday, June 15, 2017 from 10 a.m. to 2 p.m. in the Commission Chambers.

The services provided, fees for the services and documentation required can be reviewed on the Town website. For information contact Dina Goldstein at 305-861-4862 or dgoldstein@townofsurfsidefl.gov.

Surfside Finance Department Recognized for Budget Award

Congratulations are in order for the Surfside Finance Department for the recent Distinguished Budget Presentation Award they received from the Government Finance Officers Association (GFOA). This award is the highest form of recognition in government budgeting and is a significant achievement for Finance Director Donald Nelson, CPA and his dedicated team.

This award represents a significant achievement. It reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. To receive the award, Surfside had to satisfy nationally recognized guidelines for effective budget presentation. The guidelines are designed to assess how well the budget serves as a policy document, financial plan, operating guide and communications device.

To receive the award, Surfside's budget documents had to be rated "proficient" in all four categories and in the 14 mandatory criteria within those categories.

Commissioner Karukin Named to MDCLC Board

Surfside Commissioner Michael Karukin (center) is now a member of the Miami-Dade County League of Cities Board of Directors. He was recently installed along with fellow elected officials at the annual MDCLC gala dinner.

Proclamation Recognizes Municipal Clerks Week

The Surfside Commission presented a proclamation in recognition of Municipal Clerks Week, May 7-13, honoring the 14,500 members of the International Institute of Municipal Clerks (IIMC).

Accepting the proclamation was Surfside's Town Clerk Sandra Novoa, MMC and Deputy Clerk Elora Riera, CMC.

(L-R) Town Manager Guillermo Olmedillo, Commissioner Michael Karukin, Vice Mayor Barry Cohen, Deputy Clerk Elora Riera, CMC, Mayor Daniel Dietch, Town Clerk Sandra Novoa, MMC, Commissioner Tina Paul, Commissioner Daniel Gielchinsky and Town Attorney Linda Miller.

APRIL OFFICER OF THE MONTH

Traffic Stop Results in Seizing Stash of Loaded Guns

While making a traffic stop, Officer John Gentile approached a vehicle and smelled marijuana coming from the open window. Officer Gentile then saw a Glock pistol on the center console. As back up units arrived, the driver and passenger were ordered out of the vehicle, handcuffed and detained. Inside the car were five more guns, including an AK-47 assault rifle, shot gun, rifle and semi-automatic hand guns. Also found were loaded magazines and more than two hundred rounds of ammunition. The driver admitted to driving with the AK-47 on his lap and then trying to conceal it before the car came to a complete stop. Both subjects were arrested for weapons and a narcotics charge. Officer Gentile made seven arrests in April, including two other traffic stops in which marijuana and two additional firearms were seized. His proactive police work prevented potential crimes and kept dangerous weapons off the streets. Congratulations for receiving the Officer of the Month award!

APRIL CIVILIAN OF THE MONTH

Communication Operator Assists in Manhunt

During Communications Operator (CO) Peter Filiberto's shift, a stolen vehicle was reported by Bay Harbor Islands Police traveling into Surfside and Bal Harbour. CO Filiberto kept Surfside patrol units updated regarding the vehicle description, passengers, location and reported that the car was stolen in an armed robbery. The subjects bailed out of the car in Bal Harbour and CO Filiberto continued to provide information to other agency's air, marine and K-9 support. The intense

(L-R) Lt. John Bambis, Chief David Allen, CO Peter Filiberto and Captain Julio Yero.

manhunt lasted almost two hours before the subjects were apprehended and arrested. The detailed notes he took assisted supervisors and the command staff during the event and for the detailed documentation of reports after the incident. Throughout, CO Filiberto continued to answer the phones and dispatch other calls. Congratulations to Peter Filiberto as the recipient of Civilian of the Month.

Sgt. Torres Competes in Endurance Race

Surfside Police Sergeant Julio Torres (far right) and members of the Miami Beach Police SWAT Team completed the Florida Keys 100 mile run from Key Largo to Key West on May 20, 2017. Their team placed 23rd out of 146 teams.

Surfside Officer Represents The Town at U.S. Capitol for Police Appreciation Month

Officer Alejandro Lorente (L) represented the Town of Surfside at the 2017 National Police Week in Washington D.C. Tens of thousands of law enforcement officers from around the world, surviving fam-

ilies and co-workers of police officers killed in the line of duty all converged at the nation's Capital to honor those who paid the ultimate sacrifice.

Surfside Resident Safety Vest Program

The Town of Surfside started a pilot program to offer high-visibility safety vests to make the wearer more visible to motorists. Research has shown that reflective vests will increase safety to pedestrians as they walk near traffic areas or cross streets. The "Civilian Safety Vest Program" provides 20 vests on a first come, first served basis, available at Town Hall.

With the Arrival of Hurricane Season, Surfsiders Should Begin Preparations Now

BEFORE THE STORM

Be Prepared: Purchasing supplies once a storm is threatening is expensive and strenuous. Shopping for items a little at a time before an event eliminates the stress and avoids long lines and empty shelves. Before the storm approaches, at minimum, make sure you have the items below:

- Food
- Water - store enough water for drinking, bathing and cooking for all members of your family including pets
- First aid kit and any necessary medicines
- Storage - protect important documents in zip-lock bags such as: birth certificates, passports, insurance documents, etc.
- Cleaning and supplies - disposable eating utensils, mosquito repellent, gloves, liquid soap
- Tools - flashlights, batteries, pliers, hammers, goggles, dust mask, gloves, screwdrivers, etc.
- Generator and appropriate fuel
- Battery operated radio and/or television
- Special items - spare eye glasses, diapers, wipes
- Fill your vehicle's gas tank
- Money - ATMs will likely be down during and after a storm, make sure you have cash on hand if needed
- Charge your cell phone and mobile devices

IMPORTANT DETAILS

Pets: In addition to food, make sure pets (cats/dogs) have identification tags and working pet carriers and leashes.

Shelters: Keep maps and numbers of your nearest shelter in case of emergency evacuations. (If you have pets call ahead to locate shelters that allow pets).

Photos: Take pictures of your property before and after the storm for insurance purposes.

LANDSCAPE

Properly pruning trees and shrubs before a storm can reduce the debris that may become airborne. Proper pruning also increases the likelihood that a tree can weather a storm. Consult or hire a certified and licensed arborist prior to tree pruning. Landscapers hired to maintain residential and commercial properties must remove vegetation including grass/tree clippings.

IMPORTANT: Do not begin any pruning or cleanup activities or place trash on the curb during a Hurricane Watch or Warning.

IF A STORM IS IMMINENT

Protect the areas of your home where wind can enter. Secure windows and doors, preferably with permanent County-approved storm shutters. A second option is to board up windows with pre-cut, ready to install 5/8" plywood. Do not waste time taping windows. This **does not** prevent damage from wind and debris.

Bring in lawn furniture, garbage cans, bins and other items that are not secured and could become airborne. If you own a boat, use double lines at the marina. If it is trailered and cannot be garaged, stake it to the ground with rope and fill the hull with water.

Monitor the storm's progress regularly. Visit www.miamidade.gov or call 311 for updates on services. Depending on conditions, bus, rail, garbage and recycling services, as well as airport and seaport operations will be affected.

Surfside is in an evacuation zone. If an evacuation order is given, YOU MUST LEAVE and move to a safe location outside the evacuation zone. Do not wait. Bridges may close when the storm arrives. Take your local identification, for returning after the storm. Turn off your electricity at the main breaker and unplug appliances.

FLOODING

Surfside is a coastal community. Storm surge and flooding is possible during a hurricane. Surfside is currently operating on a storm drain pump system, which helps to clear flood waters quicker than expected. However, if electricity is lost, the system becomes less effective - with the water draining at a gravity flow rate.

EMERGENCIES

USE PHONES ONLY FOR EMERGENCIES. Call 911 only for **life-threatening** situations. After the danger of the storm is passed, call police or utility companies immediately to report hazards such as downed power lines, broken gas or water mains, overturned gas tanks, etc. Do not drive or walk through standing water.

STAY AWAY FROM DOWNED POWER LINES.

EARTH DAY

PARKS & RECREATION DEPARTMENT

The Town of Surfside second annual Earth Day Resource Fair Celebration was hosted by the Parks and Recreation Department on Sunday, April 23rd. Residents enjoyed a variety of themed vendors and activities such as henna tattoos, arts and crafts, music and light refreshments. In addition, Mayor Daniel Dietch joined with the YEA Organization and over 40 volunteers to remove invasive scaevola shrubs from the dune areas.

Thanks goes out to our generous vendors: Painting with a Twist-Miami Beach, GoGo Squeeze, Friends of Oleta, Pelican Harbor Seabird Station, Florida International University Seas, Endlessly Organic, Surf rider Foundation, Surfside Community Garden, YEA, South Florida Audubon Society, Mayor's Water Conservation, Miami-Dade Water & Sewer Department, Everyday Humane, Miami Dade County Sea Turtle Conservation Program and Ruth K. Broad Bay Harbor K-8 Center.

Mayor Daniel Dietch and Parks & Recreation Director Tim Milian (at left) join students from Ruth K. Broad Bay Harbor K-8 Center and teacher Michael Moss (in hat) with the Southeast Florida Sea Level Awareness Project Poles (SLAP).

BAYNANZA SHORELINE CLEAN-UP

More than 100 volunteers from South Florida businesses and organizations participated in the 2017 Baynanza Shoreline Cleanup along the Town of Surfside beach. The annual event was one of dozens taking place throughout Miami-Dade County in which thousands of volunteers removed tons of garbage and trash from the bay, beach and wetlands.

(L-R) Parks and Recreation Staff Adrian Hernandez, Bruce Coward from Miami Dade Dept. of Regulatory and Economic Resources and Surfside residents Candice and Pablo Clausel who volunteer for the event every year.

FOLLOW THESE GUIDELINES WHEN ENCOUNTERING SEA TURTLES

If you observe an adult sea turtle or hatchling sea turtle on the beach, follow these rules and guidelines:

- **DO NOT** report normal crawling or nesting (digging or laying eggs) to the Florida Fish and Wildlife Conservation Commission (FWCC) unless the turtle is in a dangerous situation or has wandered off the beach.
- Stay away from crawling or nesting sea turtles. Although the urge to observe closely will be great, please resist. Nesting is a critical stage in the sea turtle's life cycle. Please leave them undisturbed.
- **DO REPORT** all stranded (dead or injured) turtles to the FWCC. **NEVER** handle hatchling sea turtles. If you observe hatchlings wandering away from the ocean or the beach, call: 1-888-404-FWCC or *FWC (Mobile Phone)

RIP CURRENTS Break the Grip of the Rip!

IF CAUGHT IN A RIP CURRENT

- Don't fight the current
- Swim out of the current, then to shore
- If you can't escape, float or tread water
- If you need help, call or wave for assistance

Rip currents are powerful currents of water moving away from shore. They can sweep even the strongest swimmer out to sea.
