

MESSAGE FROM THE TOWN MANAGER

Dedicated Surfside Employees Lead to Great Local Government

Surfside's Town employees and elected officials took a moment out of their day to participate in the second annual City Hall Selfie Day on August 15. Along with thousands of other towns, cities, counties and other forms of local government, we gathered in front of our Town Hall for a "selfie."

While this was a fun event designed to increase civic pride and promote the importance of municipal services and leadership, it reinforced the value of our dedicated and experienced staff here in Surfside.

The services rendered to the residents is at a very high level. The Public Works Department, Sanitation and Utilities Departments provide daily services while maintaining our infrastructure and working to improve and beautify the Town. Residents of all ages benefit from the many Parks & Recreation programs, the Aquatic Center and the Community Center. The Police Department protects our neighborhoods through proactive efforts and provides numerous community programs and initiatives to strengthen dialogue with citizens.

Thanks also goes to our elected officials for the leadership, dedication and support they provide to the employees. Our dedicated staff focuses on excellent service every day, making Surfside a wonderful place to live, work and play.

- Guillermo Olmedillo, Town Manager

Surfside Town employees and elected officials, Commissioner Michael Karukin and Commissioner Tina Paul, participate in CityHallSelfie Day on August 15, 2017.

CODE COMPLIANCE CORNER

Permits are Required for Dumpsters

Are you building or remodeling a home or condo apartment in Surfside? If so, you need to apply for and obtain a roll-off construction dumpster permit prior to ordering the dumpster.

Start the process by completing a Town of Surfside Building Permit Application. The permit fee is \$80 plus the County surcharge. Applications are available at Town Hall and online via the Town's website: www.townofsurfsidefl.gov

Currently, Surfside has an exclusive franchise agreement for construction debris removal. The dumpster provider is Waste Management. You are required to use this company when ordering a roll-off construction dumpster container. Waste Management can be reached at 305-471-4444.

Roll-off construction dumpster containers must be placed in your driveway or on your property. They are not allowed to be placed on town property, roadways, rights-of-way, swales or on street ends.

When the dumpster container is full, you or your contractor must have the container picked up by the waste hauling company. Full and overflowing dumpsters are a code violation, and property owners may be cited and assessed a civil fine for the public nuisance violation.

If you have any questions about roll-off construction dumpsters, please call the Code Compliance Division at (305) 861-4863.

Officer Hernandez Solves A Prickly Crime

While patrolling in the residential area, Officer Dianna Hernandez observed a vehicle parked askew at 90th Street and Abbott Avenue. The driver was securing a large cactus to the roof of the vehicle. He stated he found the cactus in the middle of the road. The cactus appeared to have been freshly cut and a hand saw with wood debris was laying on the front passenger seat. After searching the area, a large cactus was found at a home planter with debris leading to the street. The homeowner said he did not cut his cactus or authorize anyone to trim the plant. The driver was arrested. Officer Hernandez was also able to return the stolen plant to the owner. Officer Dianna Hernandez is commended for her professionalism and dedication to the community.

PARKS & RECREATION

96th Street Park Wall Transformed by Hoxxoh, Muralist

Surfside families and children can now enjoy a work of colorful, textured art on the once drab wall in the Town's 96th Street Park thanks to the skills of well-known muralist Douglas Hoekzema, aka, Hoxxoh. Famous for his optical illusion-style images, Hoxxoh painted a series of flower-like spheres on the park wall which appear to be three-dimensional tunnel openings. Hoxxoh started as a graffiti artist in his teens, studied architecture before developing his mural style in Miami's Wynwood neighborhood. Stop by the 96th Street Park and enjoy the art!

SURFSIDE CAMPERS CELEBRATE LAST DAY OF SUMMER

Surfside campers enjoyed the last days of summer with outdoor activities. Family and friends joined the campers for the final day celebration, which included a dance performance and a special awareness project to promote sea turtle conservation (see poems at left).

FLOWER ART FINDS A HOME IN BUTTERFLY GARDEN

Created as part of 2017 Earth Day event, the colorful flower artwork can be seen in the Community Center's Butterfly Garden.

Blue Team 6 - 8 Years

Deep in the ocean
Blue, Blue, Blue
Swims all the turtles real
Smooth, Smooth, Smooth
They are so happy on the
Land, Land, Land
Because they lay their eggs in the
Sand, Sand, Sand
Here at our camp at
Surf, Surf, Side
So don't throw your trash in the
Ocean Water
And while you're on a boat don't
Throw it off the boat
Because deep in the ocean
Blue
Swims all the turtles real
Smooth
They are so happy on the
Land
When they lay their eggs in the
Sand
HERE AT - SURFSIDE CAMP!

Green Team 9 - 12 Years

In the deep blue sea
Sea turtles roam free
With their families
Up on the shore,
Humans ignore
What they drop on the seashore
Surfside turtles are being harmed
They are helpless and unarmed
So as a proud town we have to ask:
"Turtles, Turtles what can we do?
If only we knew how to help you"
"Turtles, Turtles what can we do?
Can we pick up the trash for you?"
Turtles start to sprout from the ocean one by one
and say:
"Protect our eggs, please don't step on them with
your big ole legs"
"Another solution is to stop littering and polluting
Littering is wrong and you're making it strong"
So in conclusion to our contribution
We can help them live, if we just give.

Red Team 12 - 15 Years

Keep turtles away from harm
So that they can keep their charm
Turtles love to go out and play
So lets keep them out of harms way
Some people don't have the nerve
To conserve
Turtles need our help to survive
So they can grow up well and thrive
Turtles swimming in the ocean with pollution
All because of the humans contribution
Pollution is killing the sea life
So protect them from pollutions knife
If people try to make some contribution
Then we'll write it in the constitution
So we don't litter
So turtles wont become bitter!
