

MESSAGE FROM THE TOWN MANAGER

February Spotlight on Neighborly Love

If it is February, then love must be in the air! Not just the love of your sweetheart, but the neighborly love felt by residents, businesses and visitors. Through beautification projects, sustainability initiatives and exciting programs, our Town administration and elected officials continue to explore ways to bring citizens together and enhance the quality of life in our community.

Currently, the Town is testing a proposed pedestrian-friendly streetscape design on 89th and 90th Streets between Harding and Hawthorne Avenues. With the creation of a landscaped, safe pedestrian path for walking, residents will feel encouraged to leave their cars at home and interact with their neighbors. Also, by redirecting 90th Street traffic, this project has addressed a formerly dangerous situation for drivers making a left-hand turn onto Harding Avenue.

On a recent Sunday afternoon, more than 500 residents and families gathered at the 96th Street Park for the annual Family Fun Day (Page 7). While the rides, games, crafts, entertainment and delicious lunch were certainly a huge draw, the real attraction was to catch-up with longtime friends and experience the joy of meeting new ones. The return of the Tourist Bureau's Third Thursdays series for 2018 is another opportunity for residents to listen to live music, visit a food truck and relax with friends, neighbors, as well as welcome our visitors.

Surfside also continues its love affair with our delicate environment. The Town's Tree City USA designation, Earth Day celebration, turtle nest protection and butterfly garden are just a few of the many ways we show our affection to the natural world around us.

February means more than Valentines, chocolates and flowers. This month and throughout the year, we continue our efforts to make Surfside a great place to live, work and play.

Please take a moment to review the dates below and the important information on Page 3 regarding our upcoming March 20 election.

Warm & Inviting at January Third Thursday

CODE COMPLIANCE CORNER Political Campaign Signs

Residents and visitors warmed up at a chilly Third Thursday on January 18. The evening included live music, photo booth, fresh flowers, games and crafts for the children, refreshments, food trucks and plenty of places for families and friends to relax.

FEBRUARY THIRD THURSDAY
Rock your favorite sporty attire from the 1980s or up to today on February 15. All ages are invited to fun fitness activities.

The Town of Surfside regulates the use of political campaign signs under our Zoning Codes, Section 90-74, Temporary Signs. Political campaign signs may be displayed in both the residential and business districts.

Political campaign signs may not be erected or displayed more than 90 days prior to the subject election date or ballot vote, and all signs must be removed no later than seven (7) days after the subject election or ballot date. In the case where a candidate is a participant in a run-off election, the candidate's political campaign signs may be displayed until such time as the run-off election is concluded.

Political campaign signs must be professionally lettered, and may not be lighted or illuminated in any manner. Political campaign signs may be not affixed or attached in any manner to the surface of any public street, public right-of-way, easement, sidewalk, curb, street pole, or any other public property or public place. Any campaign sign so affixed or attached to any public property will be removed and destroyed by the Town without prior notice to the political campaign.

For residential and business districts, the maximum sign size is three (3) square feet. For in-ground signs, the maximum sign height including support frame is 42 inches from the ground to the top of the sign. In residential districts, only one political campaign sign is permitted per street frontage. Signs may not obstruct roadway visibility. Total signage, including political signs, placed in a window in the business district may not exceed 20% of the window.

Prior to posting any political campaign sign, the political candidate must first obtain the permission of the property owner to post a political sign where the sign is to be placed. Signs placed on private property without the consent of the property owner may be removed and destroyed. Signs may not be placed on vacant lots or vacant properties without the expressed consent of the property owner. At this time, the Town of Surfside does not require a political campaign sign bond.

If you have any questions concerning political campaign signs, then please contact the Town of Surfside, Code Compliance Division, at (305) 861-4863.

Surfside's First Quarter Tourism Marketing Results

Combining all of these initiatives more than 66 million impressions were made in these three months, targeting local, national and international visitors. We also completed an updated 2018 Visitors Guide which is now available in addition to the outdoor banners in the Downtown District for the holidays. PROTECT OUR BAY WATERS!

Nothing But Rain Should Go Down Stormwater Drains

Unlawful discharges into Surfside's stormwater system is one of the most damaging sources of pollution for our surrounding bay waters. The Surfside Public Works Department is working tirelessly to eliminate these inappropriate discharges into surface waters or storm sewers.

What is an illicit discharge? It is a pollutant other than storm water into a storm drain, a pipe, or other direct connection. Sources of illicit connections may include sanitary sewer connections, wash water from washing machines and t home car washing. In addition, used motor oil and auto fluids, fertilizers, leaves, grass clippings and other pollutants can be swept into storm drains during rain events.

Residents are reminded to bag all loose vegetation.

Using leaf blowers to blow debris or other material into the storm drain is **strictly prohibited** and can lead to dire consequences.

This marker reminds residents not to allow anything but water to go down storm drains.

If you observe illegal dumping, please report it to either Public Works, Code Compliance or Police Department at 305-861-4863.

Public Works and the Water and Sewer Department reminds residents and visitors to be aware of the markers identifying the Town's storm drains. Everyone should do their part in educating others of the severe hazards of illegally dumping down these drains. Let's all work to keep Surfside and our Bay clean.

DECEMBER 2017 OFFICERS OF THE MONTH

Detective Goes Undercover to Make a Unlicensed Medical Practice Arrest

Surfside detectives were alerted of an employee at the Lemel Medical Spa who was reportedly practicing medicine without a license. Surfside Sgt. Marian Cruz and Lead Investigator Detective Diana Dulaney met with the Miami-Dade Police Department's (MDPD) Medical Crimes Unit and the Florida Department of Health Miami Office to coordinate an investigation and undercover operation.

Det. Dulaney made an appointment at the spa to receive Juvederm and Botox injections. On November 15, she entered the spa accompanied by an undercover police officer from MDPD. Sgt. Cruz, Det. Kemuel Gambirazio and members of the MDPD Medical Crimes Unit surrounded the business.

Det. Dulaney met with the subject and obtained the necessary elements of a crime. The subject offered to administer injections right away. Det. Dulaney agreed and then gave the takedown signal for the undercover units to enter the spa.

The coordination, witness interviews and securing, categorizing and collecting evidence was directed by Sgt. Cruz, while Det. Kemuel Gambirazio took written statements from all the employees on scene. Detectives collected, photographed and impounded approximately \$5,000 of prescription drugs.

The subject was arrested and charged with one count of practicing medicine without a license and three counts of possession of prescription drug with intent to dispense. Additional arrests and penalties to the business are pending.

The detectives were commended for the success of this challenging operation as well as handling the significant media inquiries and interviews. Their outstanding work may have prevented serious injuries. Great job and congratulations!

December 2017 Civilian of the Month

Assistant to the Chief Dina Goldstein again coordinated the successful 9th Annual Police Department's Holiday Toy Drive (see following page). The event has become a tradition and Dina works diligently to insure the event brings smiles to hundreds of needy children. She recruits Town

Staff to assist in the event, works with the Miami-Dade Fire Rescue Department Station 21 to bring Santa and Mrs. Claus to the event. Dina also coordinates decorations, refreshments, photography, pre-event meetings and solicites donations to purchase the toys. The event has become a tradition that makes Surfside special. Congratulations to Dina as the recipient of Civilian of the Month!

TAKE A SPIN WITH THE CHIEF

Want to take a tour of Surfside? There is no better way than on a bicycle with the Town's Police Chief, David Allen. Bike With the Chief takes place on the last Wednesday of the month and leaves from Town Hall at 5 p.m. The next event is Wednesday, February 28.

Holiday Wishes Come True at 9th Annual Toy Drive Give-away

Hundreds of children of all ages along with their families greeted Mr. & Mrs. Claus as they arrived at Town Hall on a shrieking fire rescue truck to kick off the 9th Annual Surfside Police Department's Holiday Toy event.

With seasonal music playing, Santa and his team of elves (all were Town personnel in costume) danced on the sidewalk and led the children into the Commission Chambers where a mountain of donated toys awaited. While parents were entertained in a different room, the children selected age-appropriate toys that brightened their holiday season. All of the families in need of Holiday cheer were invited and registered to attend the event. Thanks goes out to all the many donors who supported the event, the Police Department and Town staff.

SHUL CEREMONY FOR DONATED AMBULANCE

Surfside Mayor Daniel Dietch attended a ceremony at the Shul as an ambulance was donated to the Magen David Adom (MDA), Israel's national emergency response, EMS and blood services. The mobile intensive care unit was donated by Judy Milstein.

Mayor Dietch with American Friends of Magen David Adom South-east Region Director Tammy Karu.
