

Message from the Town Manager

November brings us election month. We strongly encourage our residents who are registered voters to visit the polls. Whether casting your ballot on Election Day (Tuesday, November 6th) at Surfside's Town Hall or at an early voting site, your civic participation is important. Become familiar with the candidates and make an educated vote on the legislators and policies that best represent your values or interests.

As long as you participate, it is a win for our democracy!

The month of November also heralds in the holidays. The holidays are a good time for reflection and gratitude. Additionally, they serve as an opportunity to take a respite from life's hectic pace and spend quality time with friends and family.

On behalf of the Town of Surfside, we would like to express our sincere appreciation for our men and women in uniform who work hard to keep our community safe. We also thank our residents and businesses who call Surfside home. It is because of you that Surfside continues to be a special place to live, work and play.

- *Guillermo Olmedillo, Town Manager*

Shop Surfside on Nov. 24 Small Business Saturday

Saturday, November 24 is Small Business Saturday, and we encourage you to support and patronize Surfside's small businesses that day. Mark your calendar for the Saturday after Thanksgiving to join with the estimated 108 million consumers who last year shopped or dined during Small Business Saturday. For more information and a list of participating businesses, visit <https://amex.co/2D6Y4C3>

Please support the
Surfside Holiday Fund

The Surfside Civic Association is proud to continue the "Holiday Fund", a tradition which began in 1970. Show your appreciation to the Town employees who serve with dedication throughout the year. The Fund is for the employees of all departments who work to improve the quality of life for our community. Even a small contribution makes a difference.

Contributions are distributed equally to all of the Surfside employees as a holiday bonus. All contributors will be listed in the Town Gazette. Your generosity will help bring joy and happiness to the Holiday Season.

Now also accepting donations through **zelle**[®] electronic payment system utilizing the email:
surfsideholidayfund@yahoo.com

SEND DONATIONS TO:
Surfside Civic Association Holiday Fund

PLEASE VOTE ON ELECTION DAY !
TUESDAY, NOVEMBER 6, 2018
POLLS OPEN 7 AM-7 PM • TOWN HALL
(NO TOWN OF SURFSIDE ITEMS ON THE BALLOT)

CODE COMPLIANCE CORNER PET RULES

Surfside is a pet-friendly town, where pets can be an important part of family life. But with the responsibility of caring for a pet comes the responsibility of keeping and maintaining the pet according to Town Codes.

While dogs, cats and other domestic pets are allowed, the maintenance of horses, poultry, farm animals and non-domesticated pets is prohibited. In addition, the outdoor feeding of stray or feral cats is prohibited as a public nuisance and public health hazard.

One of the most common Code Compliance complaints is barking dogs. The Town Code prohibits loud, frequent, excessive, sustained and habitual barking or howling noise. When this problem is reported, either the Code Compliance Team or the Surfside Police Department will investigate the occurrence. Dog owners should take appropriate measures to ensure that their dogs do not bark excessively to the point that it disturbs their neighbors. This code violation may result in a civil fine.

All dogs must be vaccinated and must wear a substantial, durable collar or harness at all times to which a license tag shall be securely attached.

Dogs must be securely leashed when off their owner's property. If your unleashed dog is found roaming the streets, it is considered a public nuisance and the dog owner is subject to receiving a civil fine. In addition, the dog may be impounded as provided by Miami-Dade County ordinance.

Dogs are not allowed in food establishments or on the public beach unless the dog is a guide or service dog, and the dog's owner is deaf or hard of hearing, or totally or partially physical disabled and the dog is specifically trained for such assistance purpose. However, leashed dogs are allowed on the hard-pack area of the beach.

If you have any questions concerning the keeping of pets, please call the Surfside Code Compliance Team at (305) 861-4863.

BRINGING THE JOY OF THE BEACH TO ALL

The Town of Surfside Public Works Department recently installed an Americans With Disabilities Act (ADA) access beach mat at the beach entrance located behind the Community Center. The mat extends 100 feet from the hard pack towards the beach and will promote the enjoyment of the beach by all Surfsiders! Thanks goes out to the Public Works staff for their excellent work.

BLOOD DRIVE ON DECEMBER 5, 2018

The Surfside Police Department is hosting a blood drive in conjunction with the One Blood organization on **Wednesday, December 5, 2018 from 12 - 3 pm**. The Blood Mobile will be located in the Town Hall parking lot. For further information please contact Dina Goldstein at (305) 861-4862 or dgoldstein@townofsurfsidefl.gov

DRIVER'S LICENSE SERVICES DEC. 20, 2018

Community Outreach Specialists from the Department of Highway Safety and Motor Vehicles will host a mobile DMV at Town Hall on **Thursday, December 20, 2018** from 10 am to 2 pm in the Commission Chambers. Information on the services, fees and documentation required is located on the Town website. For further information please contact Dina Goldstein at (305) 861-4862 or dgoldstein@townofsurfsidefl.gov

Annual Chlorine Water System Treatment

In November, the Miami-Dade Water and Sewer Department (WASD) will temporarily change its method of chlorination at each of its regional water treatment facilities.

Specifically, free chlorine treatment will be used to provide a somewhat stronger disinfection and bleaching process than the combined chlorine treatment which is normally used. This change in treatment will occur beginning November 5, 2018 and will continue through November 18, 2018. During this period, a consumer may experience unusual chlorine taste or odor in the tap water. However, these temporary conditions will not cause adverse health effects. This periodic change in chlorine treatment has taken place annually and will ensure adequate disinfection levels in the water. This task is part of our ongoing effort to provide a safe, potable water supply for the citizens of Miami-Dade County.

FREE CHLORINE TREATMENT FACTS

1. The free chlorine treatment period will begin November 5 and continues through November 18, 2018.
2. This process has been coordinated with Miami-Dade County Health Department and Permitting, Environment and Regulatory Affairs.
3. Free chlorine residual produces trihalomethanes (TTHM's). Combined residual chlorine, as normally applied greatly reduces the formation of TTHM'S.
4. Studies concerning the carcinogenic effect of TTHM's in drinking water are based on the consumption of 2 liters (slightly over 1/2 gallon) of tap water per day for 70 years. Short periods of exposure o increased levels of TTHM's should be of little health significance. Consuming water with elevated TTHM levels during this two-week treatment period will not result in any adverse health effects.
5. There generally is no adverse effect to pets consuming water during these treatment periods; however, consumers with tropical fish should contact their aquarium supplier or pet shop for specific guidance regarding water changes during this period.
6. Public Notices announcing the "Free Chlorine Treatment Period" will be published in local newspapers. All hospitals, kidney dialysis centers, and pet shops will be notified individually by certified mail.

SURFSIDE STAFF STANDS UP FOR BREAST CANCER AWARENESS

The Town of Surfside staff proudly joined in the fight for a cure during National Breast Cancer Awareness Month.

TOWN COMMISSION ACTIONS AT THE OCTOBER 9, 2018 MEETING

RESOLUTIONS

1. Selecting and awarding the proposal of Jacober & Associates, Inc. d/b/a Jacober Creative for marketing services to the Town's Tourist Bureau.
2. Approving a renewal/amendment to the agreement with Pinzur Communications, Inc. for public information representative services.
3. Approving an agreement with Luke's Landscaping, Inc. for landscape maintenance services; finding that the services are exempt from competitive procurement pursuant to Section 3-13(3) of the Town Code of Ordinances.
4. Approving an agreement with Waste Management Inc. of Florida for recycling services; finding that the services are exempt from competitive procurement pursuant to Section 3-13(3) of the Town Code of Ordinances.
5. Authorizing the Town Manager to negotiate and enter into an agreement with Trane U.S. Inc, for maintenance and service for the existing Trane chiller and air conditioner system.

POLICE BEAT

CITIZENS POLICE ACADEMY KEEPS BUSY WITH FIELD TRIPS AND PRESENTATIONS

Surfside Police Department's 17th Annual Citizens Police Academy is staying busy this fall with activities and field trips. At top left, The Marine Patrol class gathers in front of police boats. Bal Harbour, Bay Harbor Islands, Indian Creek, Miami Beach and North Bay Village Police Departments assisted. At top right is a SWAT presentation by Surfside's Sgt. Julio Torres. At bottom left, a visit to Miami-Dade Fire Rescue Station 25 in Opa-Locka. At the bottom right, members are processing alternative light source fingerprints in a class led by Sharon Plotkin, a crime scene investigator and professor at the Miami-Dade College School of Justice.

BIKE WITH THE CHIEF

Enjoy the sights of Surfside's neighborhoods on your two wheeler! Chief Yero leads a bicycle tour every month. Join him on Wednesday, Nov. 28 at 5 pm at Town Hall.

ACCREDITATION TEAM INVITES PUBLIC COMMENT ON SURFSIDE POLICE DEPARTMENT

The Surfside Police Department is an Accredited Law Enforcement Agency through The Commission for Florida Law Enforcement Agencies (CFA), Inc. The Surfside Police Department successfully achieved initial CFA accreditation in 2009, and re-accreditation in 2012 and in 2016. The Surfside Police Department is proud to be an accredited law enforcement agency, which demonstrates that the agency is committed to the highest standards of professional law enforcement service. A team of assessors from the CFA will arrive on January 8, 2019 to examine all aspects of the Surfside Police Department's policies and procedures, management, operations and support services. The Surfside Police Department must comply with more than 250 standards to receive reaccredited status. Many of the standards are critical to life, health and safety issues. As part of the on-site assessment, Surfside Police Department members and the general public are invited to offer comments to the assessment team. A copy of the standards is available through the CFA's website: www.flaccreditation.org/standards.htm. For more information on CFA or to offer written comments about the Surfside Police Department's ability to meet the standards of accreditation, send correspondence to: CFA, Post Office Box 1489, Tallahassee, Florida 32302 or email: info@flaccreditation.org.

The assessment team is composed of law enforcement practitioners from similar agencies. The assessors will review written materials, interview individuals and visit offices and other locations. When CFA assessors complete their review, they report back to the full Commission which will decide reaccredited status. The Surfside Police Department's reaccreditation occurs every three years. Verification that the Surfside Police Department meets the Commission's standards is a highly prized recognition of law enforcement professional excellence.

PUBLIC WORKS

PUBLIC WORKS INSTALLS TIDEFLEX VALVES

Prior to the 2018 King Tide season, the Town of Surfside Public Works Department underwent an in-house project to install a total of ten Tideflex check valves at ten critical outfalls throughout the Town. The diameter of these valves varied from 15-inches to 36-inches!

A Tideflex check valve is a valve that allows the flow of water only through one direction. The intent of these valves is to allow for water to drain out of the storm water system while restricting the inward flow caused by natural bodies of water such as the bay. This improves the storm water system by stopping natural bodies of water from entering the Town's infrastructure with the intent of minimizing flooding and promoting storm water pump station efficiency.

A special thanks goes to the Town of Surfside Public Work staff for planning and implementing the installation of the Tideflex check valves!

KING TIDES RETURN NOVEMBER 4 - 9

King Tides are the highest tides of the year and in South Florida occur during the fall months with the last week of King Tides expected **November 4 - 9**.

Tide predictions are provided by the National Oceanographic Atmospheric Administration (NOAA). King Tide tidal flooding takes place 1.5 - 2 hours before and after high tide. Follow these tips:

- Driving through floodwater is not advisable as it may be deeper than it appears and unseen debris could damage your vehicle.
- Do not park your vehicle in low lying areas.
- Do not enter floodwater or allow children to play in floodwater. It may contain unseen hazards such as

trash and pollutants, wildlife, broken glass and other debris. Those who come into contact with floodwater, should clean themselves with soap and hot water.

- Boaters should be aware that king tides can cause lower clearance levels than normal under fixed bridges.
- Properties in low lying areas should use flood mitigation options such as sand bags.
- During King Tides, tidal forces from the sun and moon also influence the groundwater below our feet! A higher groundwater table reduces the capacity for soils to store rain water, which may cause additional flooding when coupled with high tides and rain.

FIND A PROBLEM? REPORT WITH SECLICKFIX

SeeClickFix is a mobile phone app for reporting **non-emergency conditions** within Surfside that may need to be addressed by the Town. (For emergencies call 911). Note that a response may take several days. Download this free app or visit our website www.townofsurfsidefl.gov. SeeClickFix allows you to use descriptions, photos and videos to instantly report situations that require attention and follow-up. You can also communicate, comment, get updates and thank those who worked to solve the issue.

PARKS & RECREATION

Correction of Article in Previous October 2018 Edition*

Catching a Wave of Summer

(L-R) Dr. Nicholas Maccarrone, Psychologist/Owner; Walter Javier, Water Safety and Surf Director; Parks & Recreation Director Tim Milian; Dr. Judith Migoya, Psychologist/Owner and Dr. Samantha Carella, Psychologist/owner of Pediatric Psychology Associates.

The Surfside Parks and Recreation Department recently hosted the 7th Annual Surf and Watersports Adventure Camp. The camp is an inclusion camp that includes and is open to children diagnosed with Autism Spectrum Disorders as well as other behavioral and social challenges, and children who carry no diagnosis or have no behavioral/social challenges who serve as peer models.

The happy campers enjoyed learning to surf, kayak and paddle board. When they were not busy catching waves, the children played together on the beach and in the Community Center pool, engaging in various games and making new friends. The event is sponsored by the Pediatric Psychology Associates' Growing Tree Foundation, a non-profit organization created to help increase accessibility to their exceptional services within the South Florida community.

**The original article could have been interpreted to mean that each of the children in the camp are diagnosed with an Autism Spectrum Disorder, which is not the case.*

MACCBI HAIFA BASKETBALL CLINIC

The Town of Surfside Parks and Recreation Department played a huge part in involving our programs such as Life's Sports Fitness Afterschool and Teen Scene Program to welcome the professional basketball team, Maccabi Haifa, from Israel. The team was in our community Thursday, October 4 hosting a free basketball clinic for the kids of the community. Players and coaches taught important values such as teamwork, leadership, cooperation, reliability, motivation and helping others through basketball.

Are you experiencing an iguana invasion like most South Florida locals?

Here are 10 tips to control the pesky iguana problem plaguing your yard:

1. Do NOT feed the iguanas. They love pet food, leafy greens, fruits and vegetables. Remove fruit that has fallen from trees or plants.
2. Remove vegetation that iguanas love to munch on, including flowering plants like hibiscus, orchids, roses and impatiens. Instead use tough plants with thick leaves, as well as citrus, pentas and crotons.
3. Protect plants with wire netting, cages or screen enclosures.
4. Install sheet metal guards around trees, approximately 18" inches from the base, to prevent climbing.
5. Make your yard less inviting by removing dense thickets, rock piles and landscape debris that provide protective cover for iguanas.
6. Fill holes left by iguanas.
7. Keep a water hose handy and available to spray sunbathing iguanas.
8. Startle them with loud noises, such as banging two pots together.
9. Further scare iguanas by hanging CDs near sea walls or on trees and plants you want to protect.
10. Set up traps in a shaded area during the day when iguanas are most active for easier removal. Be sure to check traps every 24 hours - it's the law!

The Town of Surfside is not responsible for the removal of iguanas. For your convenience, please find a list of wildlife trappers by county on the Florida Fish and Wildlife's website at <https://public.myfwc.com/HGM/NWT/NWTSearch.aspx>
