

Message from the Town Manager

As 2018 draws to a close, we reflect on this past year's successes and learnings, as well as set exciting goals for the new year ahead. The holidays are a time for hope and healing. They are also a time to bring friends and family together and to build community.

We are proud of the many accomplishments achieved in 2018. Notable achievements include the passing of a plastic straw ban to help reduce plastic pollution and protect marine life, approving Property Assessed Clean Energy (PACE) programs, and adopting a reduced millage rate for fiscal year 2019 which translates into property tax savings for Surfside residents. With the support of the Mayor, the Town Commission and the Town Administration, a monumental beach re-nourishment project is in the works for 2019. We will provide updates when details become available.

Additionally, the Town of Surfside received numerous recognitions from "Best Small Towns for Retirees" by Niche, to "The Most Beautiful Small Town in Every State" in House Beautiful, "Best Beaches in Miami" in Conde Nast Traveler, and Expedia's "18 Cities that Must be Seen in 2018." Surfside was also the recipient of two Visit Florida Flagler Awards for outstanding tourism marketing campaigns, the Tree City USA Award, the Public Pensions Standards Award, the Distinguished Budget Presentation Award from the Government Finance Officers Association, the Certificate of Achievement for Excellence in Financial Reporting (CAFR) Program Award and the Florida Inland Navigation District (FIND) grant. One of our goals for next year is to enhance resident communication. Already, we have revamped TV Channel 93 to include more dynamic and relevant content for viewers. This channel is on its way to becoming another efficient form of communication for residents.

We warmly wish all Surfsiders a joyous holiday season and a happy New Year. Looking forward to what the future has in store for our wonderful Town.

- *Guillermo Olmedillo, Town Manager*

Surfside Celebrates Government Week

CODE COMPLIANCE CORNER

CURRENT NOISE-RELATED SURFSIDE CODES

Surfside residents learned first-hand how municipal government has an important daily impact on their lives during Florida City Government Week, October 22-28, 2018. The highlight of the week was behind-the-scenes tours of Town Hall and the Community Center followed by an ice cream social. Throughout the week municipal-related events raised the awareness of local government.

At right, residents tour the Town Manager's office and enjoy an ice cream social (below).

Above, celebrating Florida Government Week is the Police Department's Citizen's Police Academy and at right, October Coffee with the Cops.

Surfside has many noise-related codes that residents should be aware of and follow. The most frequently cited noise violations are:

Prohibited Noises

Under Section 54-78 (7), noise that is generated from the operation of lawn mowers, hedge clippers, washing machines is restricted. If the noise is plainly audible within 50 feet from the premises where operated, the devices can only be operated between 8 am and 6 pm, Monday-Saturday, and cannot be operated on Sunday or any legal holiday. Under Section 54-78 (15), the operation on any noise-creating blower or power fan, or any internal combustion engine is prohibited unless the engine is equipped with a muffler device sufficient to deaden the noise.

Disposal of Grass Clippings and Hedge Trimmings

Under Section 66-7, grass cuttings shall be completely removed and cleaned from all paved areas by broom sweeping only, and the use of power blowers is absolutely prohibited.

Barking or Vicious Dogs

Any person who keeps or owns a dog that frequently or habitually barks, yelps or howls is guilty of violating this Code.

In general, noise complaints are investigated by the Code Compliance Team during regular business hours (Monday-Friday from 9 am-5 pm, and on Saturdays and Sundays from 8:30 am-4:30 pm. At all other times, report noise complaints to the Surfside Police Department at (305) 861-4862. The Code Compliance Team will first issue a Courtesy Notice to the violator to resolve the noise violation issue. If it is not resolved, then the violator will receive a Civil Violation Notice that carries a \$100 civil fine per day until the noise is resolved. For more information on the Town's noise codes, contact the Code Compliance Team at (305) 861-4863.

The Town of Surfside has joined with more than 200 municipalities in all 50 states to promote the use of solar energy to reduce pollution and energy costs while creating jobs and providing more local control over energy.

Mayors for Solar Energy is an initiative of Environment America and is dedicated to accelerating the growth of solar. Local leaders and officials, such as Surfside Mayor Danial Dietch, are working together with a common vision of clean energy electrifying small towns throughout the U.S.

"Solar energy can and should be a much larger part of our energy mix than it is today," said Mayor Dietch. "We can easily harness this source of clean energy to benefit our communities. We have the potential to produce much more solar power than we do currently." For more information, go to www.environmentamerica.org/feature/ame/mayors-solar-energy

ACCREDITATION TEAM INVITES PUBLIC COMMENT ON SURFSIDE POLICE DEPARTMENT

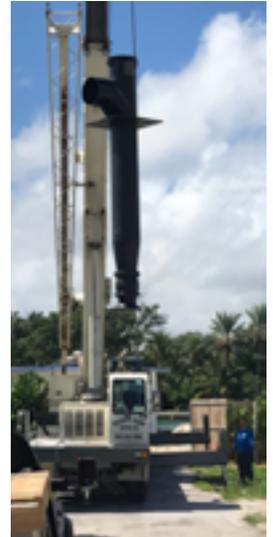

The Surfside Police Department is an Accredited Law Enforcement Agency through The Commission for Florida Law Enforcement Agencies (CFA), Inc. The Surfside Police Department successfully achieved initial CFA accreditation in 2009, and re-accreditation in 2012 and in 2016. The Surfside Police Department is proud to be an accredited law enforcement agency, which demonstrates that the agency is committed to the highest standards of professional law enforcement service. A team of assessors from the CFA will arrive on January 8, 2019 to examine all aspects of the Surfside Police Department's policies and procedures, management, operations and support services. The Surfside Police Department must comply with more than 250 standards to receive reaccredited status. Many of the standards are critical to life, health and safety issues. As part of the on-site assessment, Surfside Police Department members and the general public are invited to offer comments to the assessment team. A copy of the standards is available through the CFA's website: www.flaccreditation.org/standards.htm. For more information on CFA or to offer written comments about the Surfside Police Department's ability to meet the standards of accreditation, send correspondence to: CFA, Post Office Box 1489, Tallahassee, Florida 32302 or email: info@flaccreditation.org.

Verification that the Surfside Police Department meets the Commission's standards is a highly prized recognition of law enforcement professional excellence.

PUBLIC WORKS

PUBLIC WORKS REFURBISHES PUMP STATION

The Public Works Department is responsible for the control and maintenance of storm-water sewer system throughout Surfside. This includes responsibility for the maintenance and operation of six pump stations that pump rainwater off roadways during rain events. Recently, Public Works performed maintenance on the 92nd Street pump station by refurbishing pumps and pump shafts that have been in operation for over 20 years. Refurbishment was critical for the pump station since corrosion and deposits limit the efficiency of the components and decrease the life cycle. A special thanks to the Public Works Staff, specifically the Utilities and Maintenance Department that performed removal and re-installation of the pumps!

LED LIGHTS BRIGHTEN UP PARKING

The Public Works Department recently converted the lighting systems in two Town parking lots to new LED fixtures. The Town Hall and Collins Avenue municipal parking lots now have more illumination while using less electricity. The work was performed using the recently purchased bucket truck which enables working at new heights!

HECTOR RODRIGUEZ CELEBRATES 30 YEARS OF SERVICE

Congratulations to Water & Sewer Supervisor Hector Rodriguez, who recently celebrated 30 years of dedicated service to Surfside and its residents. Hector (center) is pictured with Town Manager Guillermo Olmedillo (L) and Public Works Director Randy Stokes.

FRESH SIDEWALKS WELCOME HOLIDAYS

Just in time for the holidays, the Surfside Public Works Department completed an annual staining of sidewalks in the Downtown District. The project took four nights with the assistance of the Police Department to manage pedestrian traffic. Approximately 45,000-square-feet of sidewalk between 94th and 95th Street was painted.
