

Message from the Town Manager

Springtime is upon us and so too are a series of initiatives and programs benefiting our community.

We invite you to tune into Surfside's local TV Channel 93. The station has been revamped with modern, exciting and resident-centered content, including a Surfside 7 segment which highlights top happenings each month. Watch Channel 93 (Atlantic Broadband) on your television or view it online on the Town website. Channel 93 also regularly broadcasts Town Commission meetings, as well as other meetings (more on page 3).

Last month, the U.S. Army Corps of Engineers held a Beach Renourishment Community Meeting at Town Hall to inform residents about this monumental project which is slated to start this summer. For the latest project updates, check out the Town website or refer to our monthly Surf's Up Corner on page 3.

In search of ways to keep your children physically and mentally active over spring break? Enroll them in the Surfside Spring Adventure Camp. It takes place from March 25-29 and includes paddle boarding, arts and crafts, cooking, surfing and more. For registration, visit the Community Center or call (305) 866-3635.

Meanwhile, for additional news and events, be sure to refer to the Town website, the Gazette, Channel 93 or sign up online for email notifications. There is no shortage of things to do in Surfside. See you around town!

- *Guillermo Olmedillo, Town Manager*

Tree City USA for the Third Consecutive Year

For the third year, the Town of Surfside has been designated a Tree City USA by the Arbor Day Foundation. The designation shows Surfside's commitment in managing trees on public land and increasing the Town's important tree canopy. Thanks goes to the Public Works Department for its dedicated efforts to meet the standards of Tree City USA recognition.

(L-R) Public Works Director Randy Stokes, Mayor Daniel Dietch, Commissioner Michael Karukin, Commissioner Tina Paul, Town Attorney Lillian Arango and Town Manager Guillermo Olmedillo.

POPULAR THIRD THURSDAYS RETURNS FOR 2019

The Surfside Tourist Bureau's 11th annual year of hosting the popular Third Thursdays block parties got off to a rousing start on February 21, 2019 with chef demonstrations, live music from Brothers of Others, games, an interactive mural, herb planting station, delicious samplings from local restaurants, and healthy living ideas for the entire family. **Mark your calendar for the March 21 Third Thursdays with a theme of Be Well - Yoga & Wellness. Do not forget your yoga clothes!**

CODE COMPLIANCE CORNER

Keeping the Business District Clean

Storefront and sidewalk cleanliness is an important component of operating a successful business. It is the first impression customers have regarding a store or restaurant and it should

be a positive one. Under the Town Code, Section 14-51, General Property Maintenance, every owner of a commercial property or tenant shall be responsible for maintaining the exterior of the store/business in a clean, sanitary and safe condition.

Under the Town Code, Section 14-52, Commercial Property Maintenance, every merchant, storekeeper or operator shall sweep and/or hose down the sidewalks adjoining the business whenever necessary to keep the area clean. The sweeping must be picked up and not swept into the gutter.

For those businesses that have a sidewalk café operation, under Town Code, Section 18-92, the area covered by a sidewalk café permit, and the sidewalk and street immediately adjacent to it shall be maintained in a clean, neat and orderly appearance at all times. The sidewalk surface on which the café is located must also be pressure cleaned at the close of each business day.

The Town of Surfside works closely with business operators and property owners to follow the Town's storefront and sidewalk cleanliness standards. If the Surfside Code Compliance Team finds a property owner, agent or tenant not following these standards, they will be contacted regarding the compliance standards and civil penalties of non-compliance. For more information, please contact the Code Compliance Team at (305) 861-4863.

BOOTCAMP & BREWS - WHAT A COMBINATION

Surfside is a favorite spot for combining outdoor workouts with beautiful scenery. So it makes sense that the first annual Bootcamp & Brews events, sponsored by the Tourist Bureau, were a huge success. Held on January 17 and February 7, 2019, residents and guests broke a sweat and learned new moves in the hour-long workout. Held on the beach in front of the Grand Beach Hotel Surfside, four of Miami's best trainers created a distinct workout regimen. After the bootcamp, guests retreated to the garden area of the Grand Beach Hotel Surfside for post-workout beers sponsored by Concrete Beach Brewing, Estrella Damm and Saltwater Brewery. Lahh Salon, a local favorite, provided a braid bar for the perfect post-workout hair. Fiji Water provided the H2O and Harmless Harvest provided refreshing coconut water. DJ

Supersede, the official DJ of the Miami Dolphins, kept the energy going with lively beats.

TUNE IN TO CHANNEL 93 FOR NEW AND EXCITING CONTENT

Have you watched local TV Channel 93 lately? The Town of Surfside is proud to announce the launch of new and exciting content geared towards Town residents. The revamped channel can be viewed on TV via Atlantic Broadband or streamed live on the Town website at www.townofsurfsidefl.gov.

Tune in for features spotlighting the area, local businesses and the people who make the Surfside community special. In addition, enjoy a brand new Surfside 7 segment, a monthly run-down of the top seven happenings around Town. Channel 93 also continues to be a great source to catch Town Hall meetings, which are streamed live and are re-aired periodically.

OCEAN WATER QUALITY TESTING & REPORTING

The health and safety of our residents and visitors are paramount in Surfside. Our Town officials and Parks and Recreation staff maintain a close watch on crucial updates regarding the ocean water quality through resources made available by the Miami-Dade County Department of Health. A water test site is at 93rd Street behind the Community Center in Surfside. Updates on water quality are uploaded to the County's Florida Healthy Beaches Program at www.floridahealth.gov. The Florida Health Department provides notifications pertaining to water quality and if unsafe water quality conditions are reported, such as confirmed bacteria in the ocean, the Town alerts residents immediately through various communication channels including the Town website, Nextdoor and e-blasts.

For the latest beach happenings, be sure to check out the new Surf's Up Corner.

A public and informational Beach Renourishment Community Meeting was held on Wednesday, February 13 at 6 pm in the Town Hall Commission Chambers. The meeting was hosted by the U.S. Army Corps of Engineers and Miami-Dade County. The U.S. Army Corps of Engineers shared a presentation and also answered questions from the attendees.

Currently, the project is slated to begin sometime this summer. For additional information and frequent updates, visit the Town website and click on the banner titled **Beach Renourishment Project**.

PUBLIC WORKS

KEEP GREASE AND NON-DISPOSABLES OUT OF SURFSIDE'S SEPTIC SYSTEM

Sewer backups caused by grease deposits and the flushing of non-disposable items such as wipes and diapers can be costly and cause damage to the Town's infrastructure, resulting in overflowing of sewer cleanouts, non-working drains and traffic congestions. An interruption of the Town's septic system can last for several hours before corrections are made. Please dispose of grease properly in separate containers and not in sinks. All non-disposable items should be discarded through solid waste.

REDUCING SPEEDING IN NEIGHBORHOODS

The Surfside Public Works Department installs and maintains signage throughout Town. As directed from the Traffic Mitigation Committee, speed bumps have been installed in the residential area to reduce speeding. Speed bumps were recently installed on the 9400 block of Abbott Avenue (see above). These speed bumps are equivalent in dimension to concrete speed bumps and assist with the slowing traffic.

Tips to Selling Your Home

Tip 1: Your home will show better if it is not cluttered with "stuff". Try your best to clean up counters and shelves. Kitchens and bathrooms are top priorities. One good idea is to de-clutter into boxes and store in the garage. Buyers do not expect a garage to be totally free of clutter. So the mantra should be "de-clutter".
