

Message from the Town Manager

What kind of community do you want to live in? Mayor Dietch recently presented this question to residents at a Town Commission meeting and at Mayor's Town Hall meeting held in March. In an effort to find the answer, we will be conducting a Residential Satisfaction Survey and strongly encourage all residents to participate. Stay tuned!

The Town of Surfside remains committed to continually enhancing residents' quality of life through the provision of top-notch services, including five days a week trash collection, free security assessments from the Police Department, ongoing community events, complimentary access to the oceanfront Community Center, enriching programs and much more. By comparison, there are very few cities in Miami-Dade County that provide the robust services that we do in Surfside. That being said, we acknowledge that there are ways for us to still further improve, which is why we want to hear from you.

As a reminder, this month is the start of sea turtle nesting season. Surfsiders are passionate about the sea turtles, and with good reason. These unique creatures bring extra charm to our shores. As wonderful as they are, they are also living in a delicate environment. It is important that we do our part to protect them.

Save the date for Surfside's annual Memorial Day Ceremony on Monday, May 27 at 10 am in Veterans Park. At this annual event we honor the brave men and women who sacrificed their lives for our country, in addition to active duty members. See you around Town!

- Guillermo Olmedillo, Town Manager

Public Works staff reserves the right to refuse residents if the guidelines are not followed. Public works staff will assist but will not handle any incoming materials.

For more information on the hazardous waste drop-off, contact Public Works at (305) 861-4863.

RECEPTICALS TO REDUCE LITTER

The Surfside Public Works Department addresses all litter concerns. On an average day, two Public Works personnel pick up litter in the Downtown District and public parking lots. Of all the litter, cigarette butts are one of the most difficult to pick-up. They are small and hide in vegetation and cracks. To combat the excess of cigarette butts disposed improperly, Public Works has installed special recepticals for the collection and recycling of cigarette butts. The recycling units can be found at crosswalks and heavy pedestrian areas. When the receptacles are full, the butts are collected and shipped for proper recycling.

DEALING WITH GRAFFITI COSTS MONEY & TIME

The Surfside Public Works Department takes pride in the cleanliness of public facilities and public items such as trash cans, benches and fences. Therefore, when public items get tagged by graffiti it becomes a priority to remove. Sometimes removal methods are time extensive and costly, taking away time from other responsibilities of the Department. If you see new graffiti in Surfside, please report it.

Tree Trimming

Property owners are required to keep FPL power lines free and clear of tree limbs.

Power Restoration

Residents can report a power outage or check the status of a reported outage by calling FPL at 1-800-468-8243. Surfside is a customer of FPL just like you and has no influence on when power will be restored.

Elderly Assistance

Miami-Dade County offers an Emergency & Evacuation Assistance Program (EEAP) for residents who are unable to evacuate on their own. Register for the EEAP prior to an emergency to ensure help will be given when needed.

Be sure to review Hurricane Readiness Guides by visiting www.townofsursidefl.gov. For storm related concerns, contact the non-emergency phone number of the Surfside Police Department at (305) 861-4862.

SURFSIDE'S TEEN SCENE ENABLES BEACH-GOERS TO PICK-UP LITTER

Youth from the Parks and Recreation Department's Teen Scene program installed a Fill-a-Bag station on the beach behind the Community Center. The Fill-a-Bag station teaches beach-goers to make a difference for the environment by picking up trash during trips to the beach. The buckets can be used to collect any debris or trash on the beach and then discarded into nearby trash cans. Buckets should be returned to the station. Surfside's Teen Scene is for students ages 12-16. The program enables students to work together on fun activities centered on the environment while earning community service hours. They are encouraged to collaborate and help the Town become an even better community. Teen Scene will host several beach clean-ups using the Fill-a-Bag station.

Tips to Selling Your Home

Tip 2: When getting your home ready to sell, sprucing up your home's landscaping is an inexpensive way to add curb appeal. Remember when interviewing landscapers, do not ask them what the new landscaping will cost. You always give the landscaper your budget. A good landscaper will do a wonderful job adjusting to your budget.
