

QUALIFYING FOR THE MARCH 17, 2020 TOWN ELECTION

SEE PAGE 3

October Message from the Town Manager

Neighbors helping neighbors. This was the underlying theme last month when so many of our residents and staff members joined efforts by donating essential supplies to the Town-coordinated disaster relief initiative in aid of our neighbors in the Bahamas. Thanks to your generosity, the Surfside Police, Public Works and Parks and Recreation Departments delivered multiple truck loads of supplies to be transported to areas impacted by Hurricane Dorian - once again proving the warmth and compassion of our community (see more on page 5).

October 1 marks the beginning of the 2020 Fiscal Year. The Town Commission and staff worked diligently over several months to craft the FY 2020 budget, continuously striving to provide the Community with the very best in services and safety. See page 6 for budget highlights.

The deadline for candidates to qualify for Town election will take place in November. Please find qualifications and other important information regarding the 2020 Town election on page 3.

With fall in full swing, residents are invited to join family-friendly festivities around Town, including the Parks and Recreation's annual Halloween Spooktacular at the 96th Street Park on Friday, October 25. Enjoy the month!

- **Guillermo Olmedillo, Town Manager**

Students are Honored with Town Scholarships

Two Surfside scholars were recognized and congratulated for receiving the 2019 Town of Surfside Higher Education Scholarship Awards at the September Commission meeting. TURTLE WALK RECEIVES A FACELIFT

Surfside's famed Turtle Walk, an installation of 13 turtle sculptures painted by local artists located on 93rd Street between Collins and Harding Avenues and in front of the Community Center, has been given a well overdue facelift. With fresh new banners installed, and a new console table with fun facts and details about Turtle Walk, this local hot spot is looking its best thanks to the Surfside Tourist Bureau.

CODE COMPLIANCE CORNER

CODE ENFORCEMENT LIENS

The Code Compliance Division is authorized by state statute and Town Codes to impose fines for violation of state, county and municipal codes and to charge property owners for service costs incurred by the Town to maintain property values. If code enforcement fines and service costs are not paid by the property owner, the Town will record the amount due as a lien placed against the property, plus interest and lien fees.

Liens levied against a property shall become a lien to the extent and character as a lien for special improvements, with the same priorities, penalties, rights of collection, foreclosure, sale and forfeiture. Until fully paid and discharged, these fees, late charges and accrued interest constitutes a special assessment lien. This is equal to the lien of the Town's ad valorem taxes and superior to all other liens, encumbrances, titles and claims.

The Code Compliance Division mails to non-compliant property owners an invoice or notice with the total amount due for code enforcement fines, civil tickets and service costs. Following a delinquency in payment, the Town records in the Miami-Dade County Public Records a claim of lien document against the property address. The notification informs the property owner of the existence of the lien, the amount of the lien and related fees due, as well as the work or service performed or provided by the Town.

Property owners have 30 days to file an appeal to the Town Manager. The Appeal Form is available at the Town Clerk's Office. Failure to file an appeal within the 30-day time period will constitute abandonment of any right to contest the lien.

All unpaid liens become delinquent and, thereafter, accrue interest at the highest statutory rate. The Town is authorized and entitled to recover attorney's fees, court costs and costs of enforcement and investigation in any action to enforce liens.

Once a lien has been paid in full or discharged, then the Town will record a release of lien document in the Miami-Dade County Public Records as evidence of the satisfaction and discharge of such lien.

If you have any questions concerning code enforcement liens, then please contact the Code Compliance Division at (305) 861-4863.

Be King Tide Ready

Are you aware several King Tides are expected to occur soon? This natural phenomenon takes place during the fall months when tidal forces from the sun and moon bring out the highest tides of the year, oftentimes leading to flooding.

Here are safety measures you can take in order to prevent any potentially dangerous outcomes:

• Jot down the King Tide dates on your 2019 calendar:

August 29 - September 3	September 26 - October 3	October 25 - 31	November 24 - 28
------------------------------------	-------------------------------------	------------------------	-------------------------

- Do not drive through floodwater. It may be deeper than it appears or it could contain debris that may damage your vehicle.
- Do not park your vehicle in low lying areas.
- Properties in low lying areas should use flood mitigation options such as sand bags.
- Prohibit children from playing in flood water. Again, there may be debris, in addition to wildlife or pollutants picked up from the environment.
- Relocate electrical panel boxes, water heaters, furnaces, washers and dryers to elevated locations.
- Be careful around manhole covers, as they can become dislodged by the high tides.
- Boaters should be aware that high tides cause lower clearance under bridges – check the tide before leaving the dock.

For tide predictions, please visit the [National Oceanographic Atmospheric Administration \(NOAA\)](http://www.noaa.gov) website. #KingTideReady #KingTideSafety
