November Message from the Town Manager

Election season is upon us. If you are interested in running for the Office of Mayor or Town Commission, then remember to pay attention to the requirements and qualifying dates above to have your name placed on the ballot. The opportunity to be of public service and make a continual positive impact on the community is important. The Surfside Municipal General Election is scheduled for March 17, 2020. Further information can be found in the Election section of the Town website.

Another key date is America Recycles Day on November 15, 2019. This year, our Public Works and Parks and Recreation Departments are teaming up to educate both youth from the after school and Teen Scene programs, plus all residents about the importance of recycling. The Town will host a special recycling event with representatives from Miami-Dade County's Solid Waste Department in the month of December (we will notify residents of the final date). To learn more about the recycling process, as well as what materials can be recycled, refer to the flyers enclosed in this Gazette and found on the Town website.

Residents are also invited to take part in a commemorative ceremony on Veterans Day, Monday, November 11 in Veterans Park as we honor the brave men and women who have served our country. This month is also a time to give thanks. I would like to express my sincere appreciation to the residents, Elected Officials and staff who make our community special.

- Guillermo Olmedillo, Town Manager

CODE COMPLIANCE CORNER

ENVIRONMENTALLY FRIENDLY PRACTICES

Surfside and its administrative staff remain committed to protecting the environment and have created specific practices to help promote environmentally-friendly practices.

In past years, the Town Commission has adopted ordinances such as lighting ordinances for coastal properties to minimize the impact on sea turtles nesting on the beach. The Town has also developed ordinances that prohibit the sale or use of plastic straws and the distribution, sale, or use of polystyrene (Styrofoam) to reduce the amount of plastic refuse that impacts marine life of all types.

The Town encourages residents to be conscious and adopt environmentally friendly practices, such as reusable fabric grocery bags, refillable water drinking containers and rejecting plastic bags when ordering food for take-out. Remember the three Rs: Reduce, Reuse, and Recycle! These environmentally friendly practices are easy and accessible to all, and everyone can participate. All residents and visitors play an essential part in protecting the environment and should be part of a positive change.

For more information on the Town Code, please visit our website at: <https://www.townofsurfsidefl.gov/departments-services/code-compliance>

The Surfside Police Department's newest tool to enhance traffic management is the RU2 Fast-650 Speed Radar Trailer. This highly visible trailer accurately displays the speed of on-coming vehicles and is easily read by drivers even at a distance. The device automatically flashes when overspeed violators approach. The trailer also collects data to produce reports detailing dates, times, speeds and volume. The trailer is easily deployed and repositioned throughout the community for maximum effectiveness. The piano was donated by Keys 4/4, charitable organization that repurposes used, donated pianos in ways that promote a love of music in our community.

IMPORTANT INFORMATION REGARDING LAWS GOVERNING THE USE OF THE TOWN SEAL AND TEMPORARY SIGNAGE

USE OF TOWN SEAL

As a general rule, it is improper to use any protected or trademarked Town symbol in a campaign advertisement or literature, and the use of the Town official seal in any campaign materials is prohibited. Section 2-1 of the Town Code provides that the Town seal or image shall be deemed the official Town of Surfside logo to be used in official Town business, and that no other than the Town may employ this image or anything similar. Section 165.043, Florida Statutes, similarly provides that the manufacture, use, display, or other employment of any facsimile or reproduction of the municipal or Town seal, except by municipal officials or employees in the performance of their official duties, without the express approval of the governing body, is a second degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083, Florida Statutes. Notwithstanding the foregoing, the incidental use of the Town logo or seal for campaign activities may be permissible under limited circumstances.

TEMPORARY SIGNAGE

The Town's Sign Code (Article VI., Chapter 90, of the Town Code) establishes the location and requirements of temporary signage and all political or campaign signs shall comply with the Town's Sign Code regulations. ANNUAL CHLORINE WATER SYSTEM TREATMENT IN NOVEMBER

In November, the Miami-Dade Water and Sewer Department (WASD) will temporarily change its method of chlorination at each of its regional water treatment facilities.

Specifically, free chlorine treatment will be used to provide a somewhat stronger disinfection and bleaching process than the combined chlorine treatment which is normally used. This change in treatment will occur beginning November 4, 2019 and will continue through November 17, 2019. During this period, a consumer may experience unusual chlorine taste or odor in the tap water. However, these temporary conditions will not cause adverse health effects. This periodic change in chlorine treatment has taken place annually and will ensure

adequate disinfection levels in the water. This task is part of our ongoing effort to provide a safe, potable water supply for the citizens of Miami-Dade County.

VIOLINS OF HOPE CONCERT ON DEC. 2, 2019 AT THE SHUL

Violins of Hope: Strings of the Holocaust is a concert that uses restored violins originally played by Jewish musicians during a dark time in Jewish history. While the Nazis used music, especially violins, to humiliate and degrade Jews in ghettos and camps, Violins of Hope concerts are the ultimate answer to their plan to annihilate a people and their culture, to destroy human lives and freedom.

The concert will take place at The Shul, 9540 Collins Avenue, Surfside, on Monday, December 2 at 8 pm. This special performance features world famous violinist, Gary Levinson, Sr. Principal Associate Concertmaster of the Dallas Symphony, who will lead

some of the finest violinists playing a repertoire of Jewish compositions. The Violins of Hope concert is being co-sponsored by the Young Israel Congregation and The Shul. Tickets are \$54 per person.

Become a sponsor at the following levels (\$180, \$360, and \$540) and you will receive 2 concert tickets, preferred seating, and a listing in the program.

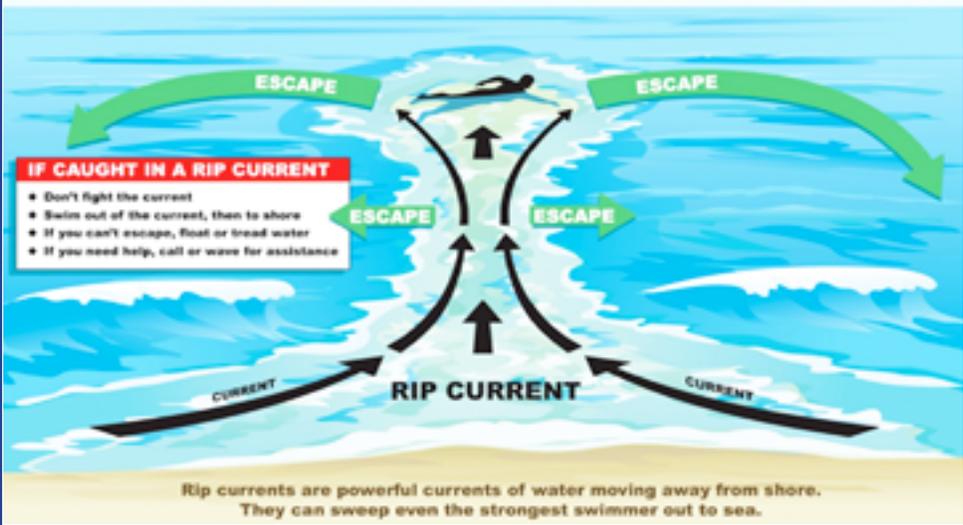

Please make checks payable to the Young Israel Congregation and write Violins of Hope in the memo line. Send to YIC, 9580 Abbott Avenue, Surfside, FL, 33154, or pay via phone at (305) 866-0203 and ask for Florence or Yakira.
