MESSAGE FROM THE TOWN MANAGER

service

In April, the Town of Surfside welcomes a new group of commissioners. You can see the photos from last month's swearing-in ceremony featured later in this edition.

We are grateful for the efforts set into place by our previous Commission and thank them for their service as we embark on these projects.

Under Mayor Shlomo Danzinger, Vice Mayor Jeffrey Rose, Commissioners Fred Landsman, Marianne Meisheid and Nelly Velasquez, we will begin planning for the undergrounding of Town utilities, construction of the new 96th Street Park and establishing plans for a permanent memorial to the victims of the Champlain Towers South collapse. These projects are at the core of the Surfside community—strengthening our resiliency, improving our quality of life and honoring our friends, loved ones and neighbors we lost last June.

This month, we also celebrate spring. Our Parks and Recreation and Tourism Departments have a fun, family-friendly lineup of events kicking off with our spring egg hunts, concerts and Earth Day celebrations. Once again, our beach will serve as a location for the annual Miami-Dade County Bayanza beach cleanup. This is the 40th year for the event, with cleanup efforts taking place across the County.

At the end of the month, the Tourist Board brings back Jazz on the Beach, making way for a number of returning events next month.

Get to know your neighbors and what Surfside has to offer!

Andrew Hyatt, Town Manager

COMMISSION ADOPTS NEW BUILDING RECERTIFICATION LAWS IN RESPONSE TO TRAGEDY

The Town of Surfside Building Department announces the adoption by the Town Commission of a new law requiring the acceleration of the 40-Year Building Recertification Program, incorporating a pivotal change by Miami-Dade County in the Miami-Dade Code Chapter 8 Section 11 titled Recertification of Buildings. Championed by Building Official Jim McGuinness and his team since the early days following the Champlain Towers collapse with the slogan: "Don't Wait Accelerate," the new law accelerates the recertification period of multi-family and commercial buildings from 40 to 30 years. Champlain Towers South collapsed at only 39 years of age. Additional protocols in the building recertification process have also been accelerated and strengthened. Working with other Building Officials in Miami-Dade County and then up through the County Board of Rules and Appeals, McGuinness and his colleagues were successful in amending the Countywide Building Recertification Rule. Finally answering the call for responsible change, this historic law will dramatically increase life safety in buildings throughout Surfside and Miami-Dade County. This is the most significant change in Building Code safety in the state of Florida since the consolidation of the Florida Building Codes 22 years ago in response to Hurricane Andrew, which decimated southern Miami-Dade County. We anticipate this significant legislation will not only have a major impact in Miami-Dade, but also the state, amending the 2023 Florida Existing Building Code with the addition of a chapter titled: "Buildings 30 Years or Older."

SUCCESSFUL FLOODPLAIN MANAGEMENT SAVES RESIDENTS ON INSURANCE

The Building Department, under the direction of Building Official/ Floodplain Manager James McGuinness, along with assistance from Department Supervisor Marisol Vargas and consultant CRS Max, was successful in documenting and demonstrating excellence in Floodplain Management as determined by a recent CRS audit. This audit, performed by FEMA to gauge our performance in managing development in flood zones, occurs every five years and sets the discount rate for flood insurance for the entire town. We achieved an upgrade from Class 7 to a Class 6 rating. This will result in a savings of over 20% in flood insurance premiums for the entire Town. Total Town-wide discounts on flood insurance premiums for property owners will now exceed \$469,000, which is an increase in savings of over \$126,000 over prior year audits.

BUILDING DEPARTMENT INFO

The Town of Surfside Building Department is open Monday - Friday from 9 a.m. - 5 p.m. For questions and more information, please call 305-861-4863 ext. 231. To send a fax, dial 305-861-1302.

We are happy to serve you!

CONSTRUCTION SITES

Within the past several months, the Town has experienced increased construction activity, resulting in more construction sites.

Most of the time, construction might mean dusty areas, construction debris and tools scattered around, noise, etc. Therefore, property owners, along with general contractors, must be thoughtful to neighbors and area residents.

Construction sites must keep a tidy appearance and maintain the areas free of unsafe conditions. Construction site maintenance includes cleaning public roads adjacent to the site, removing litter, stacking of construction tools and materials, and removal of standing water, to mention a few.

Additionally, a dumpster or other container shall be maintained on site with a cover to be used over the containers while no construction is taking place.

It is also essential to keep the sites secured with a temporary fence, which in addition to securing the site, will also minimize the blowing of dust and construction debris onto neighboring properties and public roads. Construction fences must be maintained in good condition throughout the construction process.

Please report any issues to the Code Compliance Division by calling 305-861-4863 ext. 233.

The Town of Surfside completed smoke testing required by Miami-Dade County Department of Regulatory and Economic Resources Division of Environmental Management (RER-DERM) to find sources of infiltration into the sewer sanitary system. The Town uncovered about 50 private property defects and 150 public defects. The Public Works Department is making repairs to public defects (mostly green cleanouts) and will send out notification letters to the 50 private properties with defects. The notification will provide information on making repairs and contact information for follow-up questions.

2022 - 24 TOWN COMMISSION
Swearing In

On Wednesday, March 16 the 2022-2024 Town of Surfside was sworn in following the Tuesday, March 15 elections.

Residents elected Shlomo Danzinger as Mayor. Jeffrey Rose received the most votes of the Commission candidates and was sworn in as Vice Mayor. Elected as Commissioners are Fred Landsman, Marianne Meischeid and Nelly Velasquez.

Surrounded by family and friends, the new Mayor and Commissioners took their oaths to a full Commission Chambers. The first regular Commission meeting will take place on Tuesday, April 12 at 7 p.m.

On Election Day, residents also passed four of the five ballot questions. More information can be found on the Town's website.

CIVILIAN
OF THE
YEAR

The Surfside Police Department has selected Executive Assistant to the Chief Dina Goldstein as the Surfside Police Department's Civilian of the Year for 2021. Dina began her career with the Town of Surfside in 2008 after graduating from the second Citizens Police Academy class as a resident. Dina has come full circle as she currently oversees and has coordinated the Citizen Police Academy program for 10 years. Dina is the only full-time civilian administrative person in the Police Department and successfully manages the many administrative functions within the Police Department. Her job responsibilities are numerous and critical to the overall operation of the Police Department. Dina tracks three budgets annually, single-handedly serves as the office manager for the Police Department and is responsible for the ordering, purchasing, and billing of all items.

Dina also administers the business parking permit program. She compiles the monthly, biannual, and annual crime and enforcement statistics as well as the monthly police bulletin, the Police Department's section of the Town Manager's monthly report, weekly updates and submits the Police Department material to the Gazette. In addition, Dina represents the Chief's Office at law enforcement and community events.

In 2021, Dina was given the responsibility of managing and organizing the Police Department's training files. Her role is integral in keeping the training files up to date both electronically and in the employee files. Dina also distributes the training certificates to Human Resources for documentation. This is an important aspect in order to efficiently complete employee evaluations. She eagerly accepted this challenge and completes it with ease.

Dina took on the daunting task of reviewing and revising the ICS FEMA forms in reference to the Champlain Towers South Building Collapse on June 24, 2021. Dina worked closely with the consulting company hired by the Town to ensure the proper and pertinent information was submitted to FEMA. Due to her diligence, the forms were turned in ahead of time and the Surfside Police Department's ICS forms were used as an example for other police departments.

Dina has and continues to work on many programs that enhance public safety and provide a more secure environment for citizens in Surfside. These programs include the Police Teen Summer Camp and the annual Holiday Toy Giveaway. Due to the COVID 19 Pandemic, the toy event was revamped for the safety of the children, families and participating personnel. She hosts regularly scheduled on-site programs in Surfside such as community blood drives, Department of Highway Safety and Motor Vehicles mobile DMV, and biannual Shred-A-Thons and DEA Prescription Drug Drop Off Days. Dina also works on the bicycle registration, dog identification and registration programs, and the annual Miami-Dade Chiefs of Police dinner.

Executive Assistant Dina Goldstein's work ethic, kindheartedness, and dedication to the Town, her fellow employees, and residents of Surfside are unparalleled. Dina is available evenings and weekends when needed and is always on call. She is the first to help others with their job functions and duties. She is well respected at the Police Department, Town Hall and in the community. Dina was selected by her peers to receive this prestigious award, a high honor. Congratulations to Executive Assistant to the Chief Dina Goldstein as the recipient of the 2021 Surfside Police Department Civilian of the Year Award...well deserved!

OFFICERS

OF THE

YEAR

The Surfside Police Department has selected Officer Kemuel Gambirazio, Officer Ariol Lage, Officer Craig Lovellette and Officer Joseph Matthews as the Surfside Police Department's Officers of the Year for 2021. Officers Gambirazio, Lage, Lovellette and Matthews were the first responding officers when the first calls for help in this incident were received. As the Champlain Towers South collapse catastrophe. The telephone lines rang nonstop and the police radio transmissions employees were called upon to serve their community in an unthinkable situation and redefined to protect and serve.

On Thursday, June 24, 2021, Police Officers responded to 8777 Collins Avenue in reference to a general fire alarm at the Champlain Towers South condominium. Upon arrival, Officers Gambirazio, Lage and Lovellette encountered what seemed like smoke-filled air, but no smell of burning or flames were observed. They quickly discovered a surreal and unbelievable sight. The Champlain Towers South Condominium had partially collapsed. Officers heard screams for help, but could barely see through the dust-filled air making it difficult to even breathe. Despite the treacherous conditions, these first responding officers entered a very dangerous zone without hesitation to assist anyone they could. Their bravery and selflessness are admirable.

Acting Sergeant Lovellette assumed command on this tragic early morning call, rapidly calling for additional resources. Officers Gambirazio and Lage coordinated with the first responding units of the Miami-Dade Fire Department and police units from neighboring jurisdictions securing a hot zone perimeter and hurried to evacuate the nearby buildings. This action prevented further disaster in what potentially could have been an additional collapse of the remaining portion of the condominium. The Town of Surfside Community Center was designated as the staging location for survivors and other evacuees to gather safely and the

In the aftermath of the building collapse, the search and rescue mission was extensive requiring additional personnel to secure the perimeter; providing security at the Family Reunification Center; ensure pedestrian safety; and manage traffic control throughout the Town of Surfside. Officers Gambirazio, Lage, Lovellette and Matthews continued to work tirelessly providing this essential support performing exceptionally in extreme heat and inclement weather. The years of experience of these officers range from three to 17 years and their poise, courage and compassion was exhibited in response to the worst tragedy ever suffered by the Town of Surfside. These exceptional individuals demonstrated the highest standards of conduct and professionalism as they proudly served their community while embodying the Surfside Police Department's core values. They also received the highest honor of being recognized for their heroism by President Joe Biden during his visit to the Town. Congratulations to Officers Kemuel Gambirazio, Ariol Lage, Craig Lovellette and Joseph Matthews as the recipients of the 2021 Officer of the Year Award!
