# MESSAGE FROM THE TOWN MANAGER

Summer is in full flight as days grow longer and the sounds of camp fill every space at the Community Center.

Of course the weight of the late June Surfside Remembrance events is still heavy in our hearts. We look forward to bringing you a recap in next month's issue.

As we transition to a fuller sense of normalcy in the wake of the pandemic, we appreciate the sacrifices that so many, including our camp vendor and parks staff, had to endure for so long. It feels good to be back at 100% this year, and so are a number of Surfside summer staples including the Parks & Recreation Fourth of July event. Come out to enjoy swim races, live music and games from 3 to 5 p.m. before enjoying the Fireworks Show on the beach at 9 p.m.

The Tourist Board will be presenting the return of Summer Fridays, a hit beach event series that has not taken place since 2018 due to beach renourishment and the pandemic. The series will feature unique themes and activities, food, music and more. Stay tuned to our communications channels for updates.

I'm proud to highlight two Surfside businesses for outstanding achievements in the culinary world this season: The Surf Club Restaurant, located at the Four Seasons Hotel at The Surf Club, was one of only 10 restaurants in Greater Miami to receive a coveted MICHELIN Star in the brand new 2022 MICHELIN Guide Miami, Orlando and Tampa.. Harding Avenue's modern classic Josh's Deli was also featured by Michelin in their online Point of View dining guide. Congratulations on these world-class achievements! Thank you for calling Surfside home.

Andrew Hyatt, Town Manager

## NEW & IMPROVED NATURE AREAS COMING SOON

Surfside's Public Works Department is building a new nature area and walk path at the 89th Street Beach End. Construction started on May 25 and will be completed this summer. The nature area will consist of a shower, bicycle security stations, benches, new paver walk paths and trees that will provide shade to beach travelers

The department also started rebuilding the 90th Street Beach End walk path and nature area. Construction began on June 1st and will be completed this summer. The work consists of replacing the original damaged pavers, adding irrigation, adding turtle friendly lighting and improving the overall experience for town residents and visitors.

## SAFETY FIRST! REDUCING WORKPLACE INJURIES

The Public Works Department recently completed annual ergonomic training for heavy lifting at Town Hall. The training helps reduce workplace injury by informing employees on proper lifting techniques and procedures.

## SEWAGE CLEAN-OUT

The Public Works Department is requesting that all Surfside residents locate their sewage clean-out cap on your private property. If you are missing a green clean-out cap, please notify the Public Works Department immediately. The green cap needs to be secured on the clean-out at all times.

If the cap is removed, it will expose the towns sewer system to contamination and potentially cause backups. Example contaminants: Iguanas or small rodents, debris, trash, sediments (e.g., Rocks, Pebbles, sands, etc.) and direct water exposure.

Some green clean-out caps were removed during the 6/4/2022 Storm which exposed flood waters to the sewage system. As a result, the lift stations were overwhelmed with storm water which caused a full-system overload.

During major tropical storms, many municipalities are exposed to the same water hazards. This factor decreases the efficiency of Miami-Dade's sewer system. Additional exposure to storm water dramatically reduces the efficiency of the Towns sewer systems performance by upwards of 90%.

The Public Works Department strongly encourages residents to never remove, tamper or modify their green clean-out cap.

For more information Please contact Public Works at (305) 861-4863 or visit [townofsurfsidefl.gov](http://townofsurfsidefl.gov).

# PUBLIC WORKS BULLETIN

## 88TH STREET BEACH END RESTORATION

Arbor Day 2022 hit differently this year as the Town took to 88th Street Beach End to restore the street end site of the tragic Champlain Towers South building collapse. The Town has been continuously making repairs and this was the last piece of the puzzle. Eighty-eighth Street is now open to the public. As part of the restoration efforts, the area roadway was redeveloped and over two dozen native seagrapes were planted. Additionally, the Town's dunes that were damaged were restored.

## CODE CORNER

### CONSTRUCTION HOURS AND PROHIBITED NOISES

The Town of Surfside has ordinances regulating the days and hours of construction work and prohibited noises. All residents, businesses, developers, and contractors must adhere to and follow the ordinance requirements.

All construction activities that require a building permit, such as electrical, plumbing, mechanical, roofing, and structural work, are restricted to Monday through Friday, from 8:00 a.m. to 6:00 p.m., and are prohibited on Saturdays and Sundays and all federal holidays. However, some activities, such as work related to infrastructure & utilities, roadways, and other public right-of-way construction, are exempted as well as minor repairs and maintenance activities such as painting the interior of a property with manual tools (no commercial sprayers).

The Town's Noise Ordinance has additional rules and regulations regarding noise generated on weekends and federal holidays from commercial landscapers.

For any questions, don't hesitate to get in touch with the Town's Code Compliance Division at (305) 861-4863, extension 233.

## INTRODUCING KÉ, SURFSIDE'S MOTHER TURTLE

To mark the start of Sea Turtle Nesting Season in Miami, last month, the Town unveiled Ke, Surfside's Mother Turtle at the 9500 Collins Avenue beach entrance. In the works for many months, Ke commemorates the Tequesta Indian Tribe which once inhabited Surfside and our love of the environment.

Funded by Surfside's Tourist Board, the project was completed in partnership with the Archeological and Historical Conservancy and Miami International University of Art and Design.

Tequesta expert Robert Carr, who was a key figure in the Miami Circle Tequesta site excavations from the 1990s and HistoryMiami's Dr. Paul George, both participated in the unveiling event along with Elected Officials and members of the Tourist Board.

Learn more about Ke and Surfside's Tequesta history on the dedicated website [SurfsideKe.com](http://SurfsideKe.com).

*Congrats!*

One MICHELIN Star: High quality cooking, worth a stop!

MICHELIN Guide's Point Of View

Located within the elegantly restored landmark, now in league with the Four Seasons, The Surf Club is a prime location for Thomas Keller's first Florida venture. The restaurant boasts all of the style and elegance of a private, members-only hangout with a handsome vintage bar, plush banquettes and dim, amber-hued lighting. Don't rush—you'll want to soak up all of its Art Deco glamour.

Sharp-suited servers exude a certain effortless professionalism—not unlike the impressive Continental cooking. Sauces are what this team does best, starting with the scallop crudo with buttermilk-basil dressing; followed by the brilliantly reimagined Maine lobster thermidor with sauce Américaine; and finishing with the coconut chiffon cake with lime-flecked crème anglaise.

## CLASSIC CAR SHOW LINEUP IN THE HEART OF SURFSIDE

Sunday, May 29 at the Town's Classic Car Show, Surfside visitors and residents indulged in a dazzling display of vintage automobiles right in the heart of Surfside. The event featured activities for kids, food, music, and even an award competition for some of the best automobiles in the show!

#### MICHELIN Guide's Point Of View

Josh Marcus is the namesake behind this Surfside deli. Nestled on a busy street and flanked by tables out on the sidewalk, the interior—albeit small—is quaint and laid-back, featuring a counter with views of the open kitchen. The compact menu is a veritable tome of interesting and original takes on deli classics. Meat and fish are cured in house, but make no mistake, the team doesn't take themselves too seriously. Jewban is a playful, Jewish-inspired version of the Cuban; and starters, like latkes, arrive topped with spicy tuna and sriracha-cream cheese. From there, expect a few platters, pancakes done in various ways and meat-focused sandwiches—corned beef, anyone? Service can be a bit hit or miss but with food this good, nobody minds.

## ANOTHER LIVELY ROUND OF JAZZ ON THE BEACH

Last month Surfside brought a new act for another round of Jazz On The Beach. June's event featured Southern Bell/Pace "Jazz Artist of the Year" and a Miami New Times "best vocalist," Wendy Pedersen. Visitors and residents were transported through the sweet sounds of smooth jazz while soaking in the beach, sun, and waves.

SURFSIDE POLICE DEPARTMENT'S AUXILIARY MARINE PATROL PROGRAM

The Police Department's new initiative, the Auxiliary Marine Patrol program, commenced Memorial Day weekend. The Auxiliary Marine Patrol Unit consists of Sergeant Julio Torres and Officers Ronald Donoso, Juan Duran, Dianna Hernandez and Lesmes Ruiz. All members of the unit have completed the required Marine patrol training and will receive invaluable real-world training as they accompany neighboring marine patrol units including Bal Harbour and Bay Harbor Islands, and Indian Creek Police Departments. This program is beneficial to the Town of Surfside, the community and the agencies they will be assisting.

## POLICE

### APRIL OFFICER OF THE MONTH

On April 19th, 2022, a male subject entered the Publix supermarket located at 9400 Harding Avenue and took 32 cans of baby formula without making any attempt to pay. The store's surveillance cameras captured the subject taking a total of \$575.68 dollars' worth of formula. The subject then fled in a silver, Jeep 4x4, with no tag attached. Detective Leon, who was already off-duty, heard the call and immediately began the inquiry. Detective Leon had previously investigated a theft of baby formula and was aware of the crime ring and the subjects surrounding this crime. She immediately reached out to a Miami-Dade Police Department detective and discovered he had arrested our subject recently. Once Detective Leon obtained the subject's information, she discovered the subject had a silver Jeep registered to his name which matched the description of the vehicle in which the subject had fled. To gather further evidence, Detective Leon reached out to surrounding police agencies and requested a License Plate Reader (LPR) search. The LPR revealed that the subject's vehicle was in the Surfside area 6 minutes prior to the subject entering Publix. Despite the subject's attempt to conceal his identity by removing the vehicle tag, Detective Leon was able to link the automobile to the scene by a sticker located on the rear of the vehicle.

Detective Leon took the initiative to coordinate joint surveillance with the Miami Dade Police Department. On April 21st, 2022, surveillance was established at the subject's girlfriend's house and the subject was subsequently arrested. During the subject's interview, he provided Detective Leon with a full confession discovering he had committed the same crime in other municipalities. Detective Leon contacted those police agencies notifying them of the subject's arrest to close additional cases for those agencies.

Detective Diana Leon is commended for her exceptional detective work, outstanding work ethic, and dedication to her profession. Detective Leon's comprehensive investigation resulted in the apprehension of a subject that committed crimes in multiple municipalities. Congratulations to Detective Diana Leon as the recipient of the April Officer of the Month award...well deserved!
