MESSAGE FROM THE TOWN MANAGER

As September arrives, we embrace the spirit of Labor Day, acknowledging the hard work and dedication that enriches our Town. Please tune in to our Budget Hearings scheduled for the 12th and 27th respectively as we approve the budget for the new fiscal year. On September 24, join us for Music on the Beach presented by the Tourist Board, a joyful event uniting us through popular melodies and togetherness on our amazing beach. Speaking of unity, let's rally to enhance our Town's walkability. Stay tuned for an upcoming workshop where we'll foster connections and collaborate on making our streets more pedestrian friendly. SURFSIDE NOVEMBER 2023 BALLOT QUESTIONS

TownofSurfsideFL.gov/ballot-questions

1 REMOVING LIMITATIONS ON INDEBTEDNESS FOR EMERGENCY AND/OR INFRASTRUCTURE PROJECTS NOT EXCEEDING \$10 MILLION DOLLARS

Shall the Charter be amended to remove limitations on indebtedness for debt issued by the Town for emergency and/or infrastructure projects not exceeding \$10 million dollars, only when the debt is repayable from such infrastructure project revenues, without any increase in ad valorem or property taxes?

EDUCATIONAL SUMMARY: Currently, the Charter provides that any indebtedness that exceeds 15% of the Town's average annual property tax revenue for the preceding (5) years and is not fully repayable within (7) years must obtain approval by three members of the Commission followed by Town elector referendum approval by majority vote. This restriction includes all debt incurred by the Town, including emergency and infrastructure repairs and improvements.

This Charter amendment would allow the Town to issue debt for emergencies and/or infrastructure projects not exceeding \$10 million, where the debt is repayable from such infrastructure project revenues and without any increase in ad valorem or property taxes.

2 CREATING A PROCEDURE FOR DETERMINATION OF REQUIRED QUALIFICATIONS AND/OR PERMANENT RESIDENCY OF COMMISSIONERS

Shall the Charter be amended to create a public hearing procedure, initiated upon majority vote of the Commission or a minimum of 10% of qualified electors in the Town, for a determination as to whether a vacancy on the Commission exists due to a commissioner ceasing to possess and maintain required qualifications and/or permanent residency within the Town?

EDUCATIONAL SUMMARY: Currently, the Charter does not have a public hearing process if a commissioner ceases to possess the residency and qualification requirements to hold office. This Charter amendment would create a public hearing process before the Town Commission for a determination whether a member of the Town Commission possesses the residency and qualifications requirements in the Charter, which may be initiated by either a majority vote of the Town Commission, or a petition signed by 10% or more of the registered voters in Surfside.

WISH TO RUN FOR OFFICE? LEARN HOW!

Notice is hereby given that an election for the Town of Surfside, Florida, will be held in said Town from 7:00 A.M. until 7:00 P.M. on Tuesday, the 19th day of March, 2024, for one Mayoral seat and four (4) Commissioner seats.

Qualifying period for this election begins on Friday, November 3, 2023 through Wednesday, November 22, 2023 at noon.

If you wish to run for office or have any questions, please contact the Town Clerk at 305-861-4863 or by email at smccready@townofsurfsidefl.gov

3

ESTABLISHING FOUR-YEAR STAGGERED TERMS FOR MAYOR AND COMMISSIONERS AND SELECTION METHOD FOR VICE MAYOR

The Charter currently provides that the Mayor and Commissioners are elected to two-year terms, with the Commissioner receiving the most votes becoming Vice Mayor. Shall the Charter be amended to transition to four-year staggered terms for the Mayor and Commissioners commencing with the 2024 general election, and for the Vice Mayor to be the Commissioner receiving the highest number of votes between the last two general elections beginning with the 2026 general election?

EDUCATIONAL SUMMARY: Surfside currently holds elections for Mayor and all four commission seats every two years, resulting in having five elected officials taking office at the same time. The commissioner receiving the most votes is elected as vice mayor.

This Charter amendment would implement four-year staggered terms for the Town Commission, so that every two years, beginning with the 2024 election, two or three of the five seats on the Commission will be up for election every two years. Under the proposed amendment, commencing with the 2026 General Election and thereafter, the Vice Mayor will serve a two-year term and will be the commissioner receiving the highest number of votes between the two most recent general elections. Elections would still take place every two years, but the staggered terms would create a structure where at least two of the commissioners remain in office at every election.

4

REQUIRING MAJORITY VOTE FOR MAYOR AND PROVIDING FOR RUN-OFF ELECTION

The Charter currently provides that the Mayor is elected upon receiving the highest number of votes. Shall the Charter be amended to require that the Mayor be elected by a 50% plus 1 majority vote, and to provide for a run-off election between the two candidates receiving the most votes for Mayor if no candidate for such seat receives a majority of the vote?

EDUCATIONAL SUMMARY: This Charter amendment would require that the Mayor be elected by 50% plus 1 majority vote, and require the Town to have a run-off election if the mayoral candidate receiving the most votes does not receive more than 50% of the vote and there are three or more candidates in the mayoral race.

5

ALLOWING THE TOWN CLERK TO FILE AN APPEAL WITH THE PERSONNEL APPEALS BOARD

The Charter currently provides that certain employees may file an appeal with the Personnel Appeals Board if they claim to have been discharged or reduced in pay or rank without cause, but excludes the Town Clerk. Shall the Charter be amended to allow the Town Clerk to file an appeal with the Personnel Appeal Board for a claimed discharge or reduction in pay or rank without cause and request a hearing?

EDUCATIONAL SUMMARY: Currently, almost all employees of the Town of Surfside have the right to appeal to the Personnel Appeals Board if they claim to have been discharged or receive a demotion in rank or pay without cause. The current Charter exempts the Town Clerk, a non-Charter employee, who is not provided the right to appeal to the Personnel Appeals Board. This Charter amendment would give the same appeal rights to the Town Clerk as are given to the vast majority of Town employees.

SURFSIDE'S NEW HONORARY MAYOR

Surfside recently welcomed its new Honorary Mayor, an 11-year-old resident named Kasriel Gewirtz. He was officially sworn in at the August Commission meeting by Florida State Representative Fabián Basabe after his remarkable compassion was observed at the 2nd Annual Surfside Remembrance event as Kasriel touchingly attempted to console a grieving mother, which deeply touched the community.

Kasriel's demonstration of empathy and kindness perfectly exemplifies the positive spirit of Surfside. In recognition of his exceptional act, State Representative Basabe presented Kasriel with a special proclamation. Moreover, Kasriel was invited to join the Commission on the dais and even played a role in presiding over several meeting matters.

Kasriel has consistently displayed enthusiasm for community involvement and has expressed an interest in pursuing the Mayor's office in the future. It is clear that his potential is boundless, and we are confident that he is destined for incredible accomplishments. Surfside is proud to have such a remarkable young individual in their community, and we look forward to seeing what he will achieve in the future.

JULY OFFICERS OF THE MONTH

On Sunday, July 23, the North Bay Village Police Department requested additional support from police units from neighboring police agencies regarding a vehicle that had fled from police officers. During the chase, two subjects bailed out of the vehicle which had overturned and was now on fire. Officer Bobby Gabriel and Officer Joshua Rosario immediately responded to the John F Kennedy Causeway to assist with the search. As Officer Gabriel and Officer Rosario conducted a search in a dark lit area near the water in view of the waterline, they discovered a male attempting to conceal himself in the water from police apprehension. Officer Gabriel gave verbal commands for the subject to come out of the water and advised the North Bay Village Police the subject had been located. The subject was placed into custody without further incident. Officer Gabriel and Officer Rosario are commended for their professionalism, courage, and dedication to law enforcement. These distinguished officers responded to an extremely challenging and highly volatile situation exhibiting an elevated level of alertness and bravery. The remarkable police instincts ingrained in Officer Gabriel and Officer Rosario were demonstrated during this critical incident. Congratulations to Officer Bobby Gabriel and Officer Joshua Rosario as the recipients of the July Officer of the Month award...well deserved!

SEA TURTLE NESTING SEASON CONTINUES UNTIL OCTOBER 31

Sea turtle nesting season typically takes place from May 1 to Oct. 31 in Surfside, and this year's season has proven to be one of the busiest yet! It is important to keep in mind that we share South Florida's beaches with these amazing, unique creatures. While sea turtles are resilient, their environment is fragile and can be easily impacted by humans. That is why the Town of Surfside has adopted specific measures in the Town Code for their protection. For exact restrictions, including a plastic straw ban, the prohibition of tiki torches, bonfires, flashlights, flash photography and fireworks on the beach, as well as various lighting regulations for coastal properties, please refer to: Town Ordinance No. 2018-1688, Lighting Regulations for Marine Turtle Protection

Here are several resources containing tips and information to ensure sea turtles have a safe and successful nesting season in Surfside.

- The distribution, sale or use of plastic straws is prohibited in Surfside: Town Ordinance No. 2018-1690
- The distribution, sale or use of polystyrene food service articles by food service providers and stores is prohibited in Surfside: Town Ordinance No. 15-1639

INTERNATIONAL COASTAL CLEANUP DAY PLASTIC FISHING FESTIVAL

The Town of Surfside is excited to invite residents and visitors alike to join the eagerly anticipated Plastic Fishing Festival on Sunday, September 17, from 10 a.m. to 12 p.m. at 93rd Street beach presented by the Tourist Board. This event not only celebrates creativity and community but also aligns with the global movement of International Coastal Cleanup Day. The festival will be a day of inspiration, education, and meaningful connection, all while highlighting the urgent need to protect our precious coastlines and marine life. Festival-goers can look forward to a day of engaging activities, exclusive gear, captivating musical performances, prizes, and a variety of vendors offering eco-friendly products and services!

What is plastic fishing?

1. Pick up five or more pieces of plastic polluting your beach or community.
2. Use them to make a little 🐟.
3. Snap a 📸 of your catch.
4. Share it on IG using #plasticfishing.
5. Clean it all up and put it in the 🗑️.

MUSIC ON THE BEACH BRINGS OUT THE LATIN HEAT

Beachgoers in Surfside were treated to a sunny afternoon of ritmo y sabor at the Tourist Board's Music on the Beach performance. The AA Musicians house Latin band played through a number of genre classics to the enjoyment of hundreds who lined Surfside's shores on a hot summer beach day. Joining visitors, residents and elected officials at the event was the Town's State Representative, Fabian Basabe, who showed off his dancing skills. Join us for the next Music on the Beach event, Tropical, on Sunday, September 27!

A graphic for the Music on the Beach event. It features a sun, musical notes, and palm trees. The text includes "MUSIC on the BEACH", "3-4 P.M. AT 93RD STREET BEACH", "SEP 24 Tropical", and "Presented by Surfside Tourist Board. One or more members of the Town Commission or Town Boards may be present." There are also icons of a seashell and a starfish.
