MESSAGE FROM THE TOWN MANAGER

Dear Residents,

As our community continues to grow and evolve, we welcome new faces and ideas ready to move us forward. I am humbled and honored to be given the opportunity to serve as your Interim Town Manager. My journey with the Town actually goes back many years – just last month I celebrated 21 years here in Surfside. I have had the pleasure of working in various Town departments including Public Works, Finance, Building and Human Resources, and look forward to bringing my experience in these roles to better serve the community. I feel grateful to lead such a talented team and work alongside this new Town Commission. This month as we approach Memorial Day, we reflect on those who have paid the ultimate sacrifice to defend our freedom. Please join us for our annual ceremony at Veteran’s Park. Surfside will also celebrate a historic 89th birthday on May 18, just one short of the milestone 90th. This month also marks the official start of Sea Turtle Nesting Season, so please read the dedicated article and make sure to follow best practices.

LEGACY RESIDENT, RETIRED NAVAL OFFICER, FORMER TOWN COMMISSIONER AND FORMER MIAMI-DADE COUNTY CIRCUIT COURT JUDGE MARK BLUMSTEIN NAMED INTERIM TOWN ATTORNEY

Mr. Blumstein is a graduate Magna Cum Laude from the Shepard Broad Law Center at Nova Southeastern University. While in law school, Mr. Blumstein was commissioned into the U.S. Navy Judge Advocate General's Corps and served as a Trial Attorney, first as a prosecutor and then as a defense attorney, among other assignments. After returning home from overseas duty, Mr. Blumstein began his civil practice in several private law firms before opening his own law firm. Mr. Blumstein practiced in many areas of law and was primarily a litigation and trial attorney. He is admitted to all courts, state and federal, throughout the State of Florida. In 2015, Mr. Blumstein was recalled to active duty and was deployed to Djibouti in support of Operation Enduring Freedom. Upon returning home, Mr. Blumstein was elected to serve as a Circuit Court Judge in Miami-Dade County for the period 2017-2023. He served in the Dependency Division, Criminal Division and Civil Division of the Circuit Court. Mr. Blumstein now takes the helm as our Interim Town Attorney. Let's join in welcoming Mr. Blumstein aboard at Town Hall where he now serves the people of the Town of Surfside.

TRAFFIC FLOW CHANGE AT 88TH STREET & BYRON AVENUE

In an effort to make our residential streets safe and eliminate the cut through traffic in the residential streets - all traffic heading north on Byron Avenue south of 88th Street is no longer permitted to use the roundabout at Abbott and 88th Street to continue north through Town on Carlyle Avenue or any of our other residential streets.

Residents who use Byron Avenue to access the residential district may use Collins or Harding Avenues as alternatives to access any of the numbered 88th through 95th east-west streets to get to your home. While it is expected that this measure will cause some initial discomfort, it is being done in an effort to address the Town's speeding problem, the running of stop signs and to reduce high volume traffic in the residential district.

TOWN SUPPORTS RESIDENCE INN REOPENING EVENT

The Residence Inn Miami Beach Surfside, located at 9200 Collins Avenue, recently celebrated its reopening with a gorgeous ribbon-cutting ceremony following a series of renovations throughout the property.

The latest renovations accentuate the sleek, modern design found throughout all common areas pairing perfectly with their fully-equipped rooms and suites, which epitomize comfort and convenience. Located just across from the beach, the property features a stunning rooftop pool with cabanas that can be rented out by both hotel guests and locals. Vice Mayor Tina Paul, Commissioner Vildostegui and the Town Attorney joined Interim Manager Vargas, Chief Doce and a number of staff at the reception which also included industry partners like the Greater Miami Convention & Visitors Bureau (GMCVB).

SAYING GOODBYE TO A BELOVED SURFSIDE RESIDENT, DR. FREDDY CHICHE

It is with immense sadness that we have learned of the passing of our dear friend Dr. Freddy Chiche on March 17 in Surfside.

A celebrated cardiologist in Paris, he came to settle at the Marbella Condo in Surfside over 20 years ago—warm and friendly to all, humble and generous, and always telling anyone who would listen that he had found his paradise in our little corner of Florida.

He had a great passion for all things natural, vegetables and fruits, and conceived of the idea of a communal garden right here in Surfside, helped by an equally enthusiastic friend, Former Mayor Daniel Dietch. This garden saw an immediate and vibrant success, so much so that the amount of interested participants quickly outnumbered the spots in the garden.

After being elected President of the Community Garden, Freddy dedicated himself fully to the responsibility—involving not only adults but also children—organizing visits from students and scouts, always sharing his experience and knowledge with all those who wanted to learn more.

The garden still proudly stands under the leadership of Dalia Blumstein, who once nicknamed Freddy the “King of the Garden.”

One of Freddy’s great loves were trees, a symbol with which he identified throughout his life. In light of this, his children, grandchildren, and wife Evelyne have wished that all those who seek to honor his memory donate a tree to be planted in Israel through the Jewish National Fund: <https://shop.jnf.org/collections/plant-trees>

BE READY FOR SEA TURTLE NESTING SEASON

From Parks & Recreation and Code Compliance - Sea turtle nesting season in Miami-Dade County runs from April 1 to Oct. 31 each year. However, nesting can occur before or after these dates. During nesting season, surveys are conducted daily to monitor, record and study all sea turtle nesting activity. If a crawl is determined to have resulted in a nest, staff mark off the area with stakes, neon tape and a nest sign to protect the nest during incubation. Around 600 nests are laid on Miami-Dade County beaches every year.

Each nest will have approximately 100 hatchlings that will emerge and make their way to the ocean. Once in the water, it is thought that only one out of a thousand hatchlings will actually survive to adulthood, making conservation efforts incredibly important for the species.

All sea turtles are either Threatened or Endangered. They are protected under federal, state and local laws. The following threaten the sea turtle population:

Artificial lighting and urban sky glow • Boating traffic • Pollution • Plastic ingestion • Entanglement with fishing gear • Coastal development and loss of habitat

As a reminder, Code Compliance will be enforcing its “Lighting Regulations for Marine Turtle Protection” during the entire season. We ask all residents that live on an oceanfront property to follow the regulations for interior lighting by:

Apply tint or film to all windows • Rearrange lamps and other moveable fixtures away from windows • Use window treatments, such as blinds and curtains to shield interior lights from the beach • Turn off unnecessary lights

If you observe an adult sea turtle or hatchling marine turtle on the beach, please adhere to the following rules and guidelines:

1. It is normal for sea turtles to be crawling on the beach on summer nights. DO NOT report normal crawling or nesting (digging or laying eggs) to the Florida Fish and Wildlife Conservation Commission unless the turtle is in a dangerous situation or has wandered off the beach. (on a road, in parking lot, etc.)
2. Stay away from crawling or nesting sea turtles. Although the urge to observe closely will be great, please resist. Nesting is a critical stage in the sea turtle’s life cycle. Please leave them undisturbed.
3. DO REPORT all stranded (dead or injured) turtles to the Florida Fish and Wildlife Conservation Commission.
4. NEVER handle hatchling sea turtles. If you observe hatchlings wandering away from the ocean or on the beach, call: 1-888-404-FWCC or *FWC (Mobile Phone).

What to do if you see a stranded sea turtle:

If you find a dead, sick or injured sea turtle, please call Florida Fish and Wildlife Conservation Commission’s (FWC) 24-hour wildlife hotline at 1-888-404-3922, dial *FWC from your mobile phone, or call us at 305-310-3046. Follow any instructions given by the staff, who will report to the scene as soon as possible. (If it is calling after business hours, please leave a voicemail, which is monitored regularly, and we will get back to you as quickly as possible).

Be prepared to answer the following questions:

What is the location of the turtle? • Is the turtle alive or dead? • What is the approximate size of the turtle? • Is the turtle marked with spray paint? • Are there nearby access points to the turtle?

KEEPING SURFSIDE'S BEACH CLEAN

From Public Works - Surfside's beach is a wonderful place to spend the day in the sun and waves with family and friends. The Town of Surfside is proud to have one of the most beautiful stretches of beach in South Florida. With the summer months approaching, high traffic is expected, and beachgoers can help keep our beach clean by following a few suggestions:

1. When enjoying a quick bite from one of our restaurants or from our local Publix, please place garbage in the bins along the beach, biking path or shower area.
2. Do not throw bottles, cans or trash into the dunes.
3. When walking your dog, please pick up and dispose of any waste with the bags provided in the doggie station.
4. Cigarette smokers should discard their unlit cigarette butts in the garbage and not toss around the benches or leave on sand.
5. Take your belongings (clothing, towels, beach umbrellas, sporting equipment etc.) when leaving the beach.
6. Please do not sit on ropes or lean on the rope posts along the bike and walk paths.

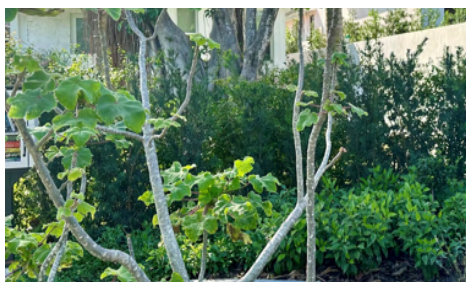

By following these simple suggestions, we can all help keep Surfside's beach a great place to enjoy fun in the sun.

SURFSIDE CELEBRATES ARBOR DAY

From Public Works - The Town celebrated Arbor Day 2024 by installing gumbo limbo trees around Town enhancing's the Town's overall aesthetics. Keep in mind for this Arbor Day and many more to come that:

1. Trees support our health and the health of our planet! They clean our air and water. They provide shade, which cools our urban areas. Even on a personal level, trees have been proven to calm us and reduce our stress levels.
2. Trees also support wildlife and our entire ecosystem. One oak tree attracts thousands of pollinators and beneficial insects! Trees provide birds and aquatic animals with habitats. In addition, they provide humans with powerful medicine, materials for living, and agriculture.

3. Finally, trees are our biggest allies as the world climate warms; they are a cost-effective way to pull carbon dioxide out of the atmosphere today. Planting even one tree makes a difference.

CANNON AT VETERANS PARK REFRESHED BY

From Parks & Recreation - The cannon at Veterans Park has undergone a striking transformation, thanks to the collaborative efforts of the Second Infantry Division of Florida Bruce Lamberto, Howard Rennert, Commissioner Ruben A. Coto, and Parks and Recreation Maintenance Worker Carlos Vina. This revitalization not only preserves a piece of history but also symbolizes the unity and commitment of the community to honor its veterans and preserve their legacy for future generations.

FISHING OUT PLASTIC FOR THE ART OF CONSERVATION

The second annual Earth Day Plastic Fishing Festival brought together communities for a day filled with art, creativity and conservation, but also shone a spotlight on the importance of protecting our marine life. Partnering with the Plastic Fisherman the festival offered an enriching experience that underscored the significance of our oceans and the creatures that call them home. As participants fished out plastic and other pollutants from the water, they were not just cleaning up; they were celebrating Surfside's sea turtle nesting season, which beautifully unfolds from spring to October. This hands-on approach to conservation provided an invaluable lesson on the impact of plastic pollution on marine ecosystems, especially on the vulnerable sea turtle populations. But it wasn't all work and no play! The festival was bursting with energy, offering custom gear, exciting prizes, and a plethora of vendors showcasing their eco-friendly products and services.

POLICE DEPARTMENT CELEBRATES TELECOMMUNICATIONS WEEK

National Public Safety Telecommunicators Week (NPSTW) is observed annually to recognize and celebrate the invaluable work of telecommunicators who play a crucial role in saving lives. The thousands of men and women who answer emergency calls, dispatch emergency professionals, and render life-saving assistance to citizens and first responders were honored April 14-20. Citizens in the past who may not have been aware, have come to realize that telecommunicators are in fact “The First, First Responders!” Let’s take a moment to appreciate and thank these invisible heroes who tirelessly serve in this demanding profession, ensuring our safety and well-being. Communications Supervisor Susie Sperbeck and Communications Operator Ernesto Dardon and newest Communications Operator Ana Maria Chamorro are honored by the Command Staff and colleagues for their service to the law enforcement profession. In times of crisis, their essential service is clearly demonstrated and greatly appreciated by all they serve.

ENRIQUE (HENRY) DOCE SWORN IN AS SURFSIDE'S CHIEF OF POLICE

A new chapter begins for the Surfside Police Department as Enrique (Henry) Doce was sworn in last month as Chief of Police. Chief Doce has decades of experience and is very well recommended. He looks forward to leading the men and women of the Surfside Police Department and getting to know our Town and residents. Please join us in welcoming him to Surfside!

Police Beat

GET TO KNOW CHIEF DOCE!

Welcome to Surfside, Chief! Could you please give our residents a summary of your service career in law enforcement?

I have been a police officer since 1984 when I joined the Village of Virginia Gardens. My dream of being a police officer started when I was 13 years old after seeing officers from Miami Police respond to a residential burglary at the house, we lived in. They were amazing and took me around as if I was on their team. Needless to say, the bug bit and I started my dream. After working at Virginia Gardens I was hired in June of 1989 as a police officer for the City of Miami Beach. I worked in the narcotics unit as an undercover officer and then went into the K9 unit, where I worked for 15 years as a k9 handler, K9 Instructor, k9 Sergeant, Lieutenant. I was promoted to the level of captain in 2012 and served in numerous departments. I learned all the special areas needed to better serve the city. I was promoted to Major in 2018 and oversaw Criminal Investigations, Major Crimes, Robbery, Homicide, Sex BATT, Human Trafficking, Victim Advocates, Fraud, Burglary, and Auto thefts along with Crime Scene. I also was assigned to the Uniform Operations of the City where I was supervising over 250 officers as we handled all the special events and details on all High Impact Weekends. This was quite a challenge but was extremely rewarding as we implemented numerous ideas to quell many of the rowdy behavior by large numbers of visitors. My drive to serve has always given me the need to do more and I've always been able to enjoy each day of my career.

Given your years of service with the City of Miami Beach, what do you think makes Surfside unique?

Surfside is such a unique and beautiful Town with amazing residents and fantastic employees. It feels similar to a family where everyone is close and knows each other. The City of Miami Beach has a similar feel in the North Zone of its city. This gave me a close view of how Surfside operated and the caring citizens felt just like I have belonged here all the time.

How has this first month been for you interacting with residents and the community overall?

I have been warmly welcomed by all the Town's employees and the police family is amazing as well. There are many things to learn and names to remember but the task is not that difficult because of the great resources that have been made available to me by our Town Manager.

What are some of the community challenges and issues that you look forward to addressing?

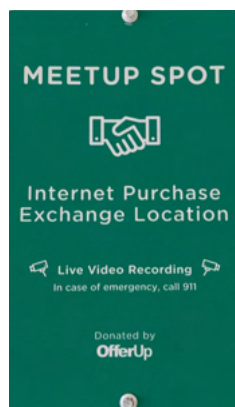

We are under staffed at the moment and I am looking to present a cost study to see the possibility of adding officers to cover the staffing needs and better serve our Town. I also want to make sure that we begin more added patrols for parking violations and traffic issues along the busy corridors. In addition, I am also tasking our officers to increase the frequency of their patrols within the residential areas to better engage with our residents.

Anything else you'd like residents to know?

I am looking forward to meeting our residents through future meet and greets, coffee with a cop, pastelito with the chiefs and Bike rides with the community. The times will vary so I can meet as many residents as possible and be available to them for any issues, concerns and compliments.

TOWN HALL MEETUP SPOT HELPS RESIDENTS STAY SAFE

With the rising popularity of digital transactions, both buyers and sellers should take safety precautions when closing out transactions in person. The Surfside Police Department advises all residents to utilize the front of the Police Department at Harding Avenue & 93rd Street, or the Meet Up Spot located inside the Town Hall lobby to carry out the transaction. The lobby, which includes the Police dispatch window, is open 24 hours a day, seven days a week. Just look for the dedicated green sign.

Join us in welcoming Assistant Chief Holbrook to Surfside!

SENIOR TRIP

It's Art Basel and the stakes are high for the gallery Mariana runs in the Wynwood Arts District in Miami. And when Mariana's movie-star mother tries to help out, things get even more complicado. A fast paced, cafecito-induced comedy about art and success—and mothers and daughters. Join the party, embrace life's twists and turns, and mark your calendar for this uproarious new comedy.
