MESSAGE FROM THE ACTING TOWN MANAGER MARIO A. DIAZ

Dear Friends and Neighbors, April brings the vibrant arrival of spring to our community, offering a season filled with renewal, celebration, and opportunities to connect with nature and one another. As flowers bloom and warmer days return, residents are encouraged to enjoy Surfside's beautiful outdoor spaces while taking part in meaningful community activities. Let's never forget April Fools' Day on April 1, bringing smiles and playful moments to kick off the season. *Don't be fooled – Surfside is hotter than ever...*

April highlights milestones that inspire us all, from Ponce de León exploring Florida to Apollo 13's journey and Apple's founding, reminding Surfside residents to celebrate discovery, creativity, and the achievements that shape our community, and above all, progress and possibility.

A New Chapter 2026 for Surfside April also marks a time of new beginnings for the Town of Surfside. With the start of a new term, we welcome our newly seated Town Commission and the fresh perspectives they bring to our community. New leadership offers an opportunity to build upon past accomplishments while working together toward a shared vision for the future of Surfside. Please vote in the April 7 mayoral runoff election at Town Hall.

We welcome our elected officials with open arms and look forward to a collaborative and productive term focused on transparency, service, and continued progress for our residents, businesses, and visitors. Together, we look forward to moving Surfside forward and strengthening the vibrant community we proudly call home.

Environmental & Cultural Highlights One of the month's most important observances is Earth Day on April 22. This global celebration reminds us of the importance of protecting our environment and strengthening our commitment to sustainability. Throughout April, residents can participate in gardening, beach cleanups, and volunteer efforts to help preserve the beauty of our coastal community. April also brings several cultural and seasonal observances. Families will celebrate Easter and Passover, a time of reflection, renewal, and togetherness.

Literature and the arts take center stage during National Poetry Month, celebrating creativity and the power of words, as in these 2 Surfside-inspired rhymes:

*Roses are red,
Violets are blue,
Surfside's beaches sparkle,
And so do you. — Anonymous*

*Spring tides lift the shore, Palms bend to the eastern wind, Surfside blooms again.
— A Surfside Hiku by MAD*

No April Fools' joke here Surfers! Keep an eye out for the announcement and submit your Poems by May 3. We'll be the judge! Go to page eight for the details of our poetry contest.

Residents are encouraged to explore poetry, attend cultural events, or simply enjoy the inspiration the arts bring to daily life. Music lovers can also celebrate **Jazz Appreciation Month (JAM)**, honoring jazz legends such as Duke Ellington, Ella Fitzgerald, Miles Davis, and Ron Carter, and their lasting impact on music worldwide.

April is a wonderful time in Surfside. Get involved, plant something new, attend local events, and soak in the beauty of our vibrant community and coastline.

Upcoming Events in April 2026

- **Historical Walking Tour** – April 4: Led by historian Dr. Paul George, exploring Surfside's landmarks including the iconic Surf Club area.

ALERT! HURRICANE SEASON BEGINS JUNE 1

As hurricane season approaches, the Town of Surfside Police Department urges residents to prepare early. Planning ahead helps protect families, reduce risks, and ensure a faster response if severe weather impacts the community.

Residents should review and update family hurricane plans, know their evacuation zone and routes, inspect storm shutters, secure outdoor furniture, restock emergency supplies including medications, water, batteries, and important documents, and sign up for local emergency alerts.

The Surfside Police Department has begun seasonal preparations, including reviewing emergency response and evacuation plans, coordinating with Miami-Dade County emergency management, inspecting emergency equipment and vehicles, conducting staff training, and evaluating communication systems to ensure reliable public information.

Early preparation keeps Surfside safe and allows first responders to focus on critical needs during a storm. Residents are encouraged to begin preparations now rather than wait for a forecast. For hurricane preparedness resources, contact the Surfside Police Department or visit the Town's website. Stay safe and stay prepared this hurricane season.

RECYCLING: WHY IT MATTERS AND HOW IT HELPS

Recycling is the process of collecting and processing materials that would otherwise be thrown away as trash and turning them into new products. It is an important part of protecting the environment and conserving natural resources.

When we recycle materials such as paper, plastic, glass, and metal, we reduce the need to extract raw materials from the Earth. For example, recycling paper helps save trees, and recycling aluminum cans reduces the need for mining new aluminum. This conserves energy and reduces pollution caused by manufacturing and transportation.

Planning and Zoning Department
 Scarlet Hammons
 Email: shammons@corradino.com

The Town Commission has recently amended the Town Code to adopt an official exterior paint color palette for properties throughout the municipality. The new provision is intended to promote a consistent and harmonious visual character while preserving the Town's unique aesthetic identity.

Under the updated code, property owners planning to repaint the exterior of a house are not required to obtain a building permit. However, prior to beginning work, owners must apply for and receive a Zoning Approval Letter confirming that the proposed paint color complies with the adopted color swatch palette.

The application allows the Town Planner to review the selected color for consistency with the approved palette and ensure compliance with community design standards. This process helps maintain an attractive and coordinated streetscape across the neighborhood.

Questions regarding the application process or palette options may be directed to the Planning Department.

The Town appreciates residents' cooperation in supporting this initiative to preserve and enhance the community's overall appearance.

SURFSIDE PREPARES FOR WORLD CUP CROWDS, INCREASED TRAFFIC THIS SUMMER

June and July will bring the energy and excitement of the FIFA World Cup to Hard Rock Stadium. Numerous events throughout the Miami area will celebrate this highly anticipated occasion, drawing visitors from around the world.

While this is an exciting time for the region and will provide increased revenue for local hotels and restaurants, a significant influx of visitors is also expected. As a result, traffic on already busy streets will likely increase during these two months.

The Surfside Police Department is working closely with neighboring law enforcement and partner agencies to help ensure this period runs as smoothly and safely as possible. Authorities are coordinating resources, adjusting staffing and implementing traffic management strategies to minimize disruptions to the community.

Officials said they look forward to the world-class event and appreciate residents' patience and cooperation as efforts continue to keep Surfside safe and moving efficiently throughout the tournament.
