A Message fom Surfside Mayor

SHLOMO DANZINGER

Dear Neighbors,

As 2026 draws to a close, I am filled with gratitude for the privilege of serving as your Mayor, and with renewed hope and vigor for the year ahead. Surfside is a special place because of you, and every accomplishment this year belongs to this community.

In November, **we paused to honor the veterans** who serve our great nation and those who came before them. Their courage and sacrifice secure the freedoms we cherish every day, from gathering openly to worshipping freely to shaping the future of our own community. To every veteran and military family, thank you. Our nation and our town are stronger because of you.

It was a joy to see the **Halloween block party return to our streets this year**. The laughter of children, the creative costumes, and neighbors lingering to chat reminded us that community spirit is built one gathering at a time. I am grateful to everyone who helped bring this cherished tradition back to life.

This season, we take another meaningful step. For the first time, Surfside will host a **town Menorah and Christmas tree lighting**, an evening meant to bring residents together from every background and walk of life. Whatever traditions you hold dear, I hope you will join us in celebrating the light, warmth, and goodwill that unite us.

Exciting projects for our community are underway, and I look forward to sharing more as they take shape. We will keep building a Surfside that is welcoming, resilient, and proud of its character, always with your voice at the center.

May the festive spirit of this season carry with us into the new year. On behalf of the Town, I wish you and your loved ones a joyous holiday season and a healthy, peaceful, and prosperous 2027.

With humility and appreciation,

Shlomo Danzinger
Mayor, Town of Surfside

COMMISSION ACCOMPLISHMENTS

Summary from the **November Meeting**

The Town Commission addressed several key legislative, infrastructure, and administrative priorities aimed at protecting residential zoning standards, strengthening municipal infrastructure, and modernizing Town operations.

- **Zoning Code Restoration.** On second reading, the Commission passed an ordinance repealing Ordinance No. 2024 1785 in its entirety. The measure **restores prior zoning rules** governing setbacks, yard projections, lot standards, and accessory structures in the H30A and H30B residential districts to maintain long standing neighborhood character and reduce municipal legal exposure. The Town is now in full compliance with Florida Senate Bill 180.
- **Stormwater and Infrastructure Resilience.** The Commission approved critical infrastructure agreements to **proactively protect Town utilities and roadways**, including annual stormwater system maintenance services, procurement of spare soft starters for stormwater and sewer pump stations, pump room electrical replacements at the Community Center, and annual contracts for concrete and asphalt restoration across neighborhood streets.
- **Electronic Plan Review and Permitting Modernization.** The Commission approved the purchase and implementation of electronic plan review software alongside updated enterprise services, **streamlining building permit reviews** and improving operational efficiency for residents and applicants.
- **Building Department Fee Compliance.** The Commission adopted an **updated Building Department Fee Guide** to align building permit, plan review, and inspection fees with recent state **statutory requirements** under House Bill 803.
- **Payroll and Human Resources Modernization.** The Commission authorized an agreement with ADP to streamline municipal payroll and human resources onboarding operations. This ensures **efficient recruitment and retention of quality town staff** to better serve our residents.
- **Community and Public Safety Recognitions.** The Commission recognized **Surfside Police** Officers of the Second and Third Quarters for their dedication to public safety, honored JVAC volunteers with an official proclamation, and announced the winners of the **Spookiest Surfside House Contest**.
- **Sister Cities International.** The Commission adopted a resolution **terminating the Town's membership** in Sister Cities International while affirming the Town's commitment to maintaining direct sister city partnerships.

These actions reflect the Commission's ongoing commitment to fiscal oversight, infrastructure reliability, and responsive local governance for the Surfside community.

Commission Corner

DAYANA BENMERGUI
VICE MAYOR

As we approach the holidays, I want to wish each and every one of you happiness, peace, good health, and blessings together with your loved ones.

December is a special month, a time of miracles, light, hope, and gratitude. Chanukah reminds us that even a small light can overcome great darkness. It also reminds us of the power of faith, perseverance, and unity.

Here in Surfside, I believe our greatest strength is our community. We may come from different backgrounds and have different opinions, but we share one common goal: making Surfside the best place to call home.

I am proud to see our Town moving forward with a renewed spirit of unity and cooperation. We are building Surfside from the inside out, strengthening our foundation, improving our services, and working together to create a brighter future for our residents.

Many important projects are advancing, from improving public safety and street lighting to enhancing our beaches, infrastructure, and community services. Some improvements are visible, while others happen behind the scenes. But every step matters, and every effort is focused on improving the quality of life for our residents.

Please know that we are working hard for you, listening to your concerns, addressing challenges, and making thoughtful decisions with Surfside's future in mind.

As we close another year, I am grateful for the opportunity to serve this wonderful community. My hope is that we continue moving forward with kindness, respect, understanding, and a shared commitment to one another.

May this time of miracles bring light into every home, peace into every heart, and continued blessings to our beautiful Town.

¡Bendiciones para mi querida comunidad latina de Surfside! Que este año nuevo nos traiga luz, paz y alegrías.

Happy Holidays to everyone!

With gratitude and warm wishes!

ANDREA TRAVANI
COMMISSIONER

December is always a magical time of year. The holidays are a special opportunity to get together with our loved ones. I believe in the importance of traditions: they keep us grounded and bind us together through gestures, rituals and words that provide meaning and give us the best gift we could ever hope to receive: quality time with our nearest and dearest.

As a Town, we also have traditions we want to preserve, like the Christmas tree lighting, the Menorah lighting, and the Winter Wonderland Bash. As a diverse community, I love the idea of respecting different traditions and learning from one another.

The holidays also give us an opportunity to reflect on the year that is about to end. The first obvious consideration is that the years go by way too fast! But we can also take stock of our accomplishments and shortcomings.

As a Town Commissioner, after nine months of service, I can tell you it's been an exciting ride! It's not an easy job, involving everything from technical municipal issues to diplomacy, negotiating and, most importantly, listening to residents. On top of that, it requires balancing public service with a demanding job and family time.

But I am thankful for all the support we receive from residents: the participation, the suggestions, and the many hours so many of you spend selflessly serving on boards and committees, attending meetings, and volunteering.

I want to take some time during these holidays to let all these emotions sink in, and I sincerely hope you'll do the same with all the emotions that fill your bucket.

Happy Holidays!

GERARDO VILDOSTEGUI
COMMISSIONER

The photo on the cover of this Gazette captures so much about Surfside, and about what the winter holidays are like in South Florida. Team Surfside may be sweating through their holiday sweaters and squinting into bright sunlight, but the enthusiasm and the team spirit in that photo are undeniable. Thanks to Sandra McCready for the idea and for making it a reality.

As if on cue, the first cold front of the season arrives on Nov. 13, just as this issue goes to press. (We could have used it a day or two earlier, at the photo shoot and the Veterans Day ceremony, but there are some things even our Acting Manager can't make happen.) The colder air ushers in a new season, and once December starts, the Town's major winter celebrations will arrive in quick succession, with the Seas & Greetings party on Dec. 6 and Winter Wonderland on Dec. 13. I look forward to seeing many of you there.

Another December event that I'm greatly looking forward to is the second edition of our Bike Bus—a group bike ride to RKB K-8 Center, led by the SPD and adult volunteers. The second Bike Bus is tentatively scheduled for Friday, Dec. 4, and I'm hopeful that we can exceed the marvelous turnout of November's event. It's a chance to introduce our youngest bike riders to the joy of biking, and to teach and to model safe bike practices while we're at it. There's a lesson there for older kids and adults, too. The winter season also brings seasonal traffic, and it's worth keeping in mind that biking is not just a fun, healthy way to get around this area; it can also be faster than driving when events like Miami Art Week clog our island's streets.

Commission Corner

DAVID WEINGOT
COMMISSIONER

Surfside is at its best when neighbors show up for one another and honor the people who keep our community safe. We have had several meaningful moments that remind me why I am so proud to serve our Town.

At our annual **Veterans Day Ceremony** at Veterans Park, residents, local veterans, and our Police Honor Guard came together to pay tribute to those who wore our nation's uniform. Speaking at the ceremony, I shared a simple message: saying thank you once a year is only the beginning. **Real gratitude** means standing behind our service members every single day, listening to their stories, supporting military families, and ensuring no one who raised their hand to defend our freedoms is ever forgotten.

That same spirit of dedication is evident right here in our Police Department. Please join me in congratulating Major Marian Cruz on her well-deserved promotion. Strong leadership and committed officers are the foundation of public safety in Surfside, and we are grateful for her continued service to our community.

On a personal note, I could not be more proud of my wife, **Rivka**, who completed the Marine Corps Marathon in our nation's capital. Watching her train, push through the miles, and cross that finish line was truly inspiring, and I want to publicly congratulate her on an incredible achievement.

From our family to yours, we wish a **joyous holiday** season to all - in good health, peace, and quality time with loved ones. Thank you for your continued involvement and pride in Surfside.

MESSAGE FROM THE ACTING TOWN MANAGER
SANDRA N. MCCREADY

December brings a special kind of magic to Surfside. The holiday season is here, the year is drawing to a close, and our community has so much to celebrate. This is the month where we take time to recognize the many holidays and traditions celebrated throughout our community. Christmas, Hannukah, Kwanzaa, and other seasonal observances offer opportunities to reflect on the values of family, generosity, hope, and gratitude.

We hope to see all of you at our Seas & Greetings event to be held at 6:30 p.m. on Sunday, Dec. 6 outside Town Hall. Sponsored by the Tourist Board, this elevated, more inclusive event hopes to bring our community together through celebration, tradition, music, and holiday food & drink like never before.

As we look back on 2026, we can be grateful for the many accomplishments, special moments, and shared experiences that have brought our community closer together. May this holiday season bring you joy, meaningful time with loved ones, and plenty of reasons to celebrate. As we look ahead to a new year filled with opportunities and possibilities, let's continue building on the strong sense of community that makes Surfside such a special place to call home.

Serving as your Acting Town Manager continues to be a great honor. Thank you for the trust you have placed in me and the Administration. On behalf of our entire team, I wish you a happy holiday season and a healthy, peaceful, and prosperous New Year!

SURFSIDE ENDS MEMBERSHIP IN SISTER CITIES INTERNATIONAL

Town will continue its sister city relationships

At its November 10 meeting, the Surfside Town Commission approved a resolution sponsored by Mayor Shlomo Danzinger ending the Town's membership in Sister Cities International, effective immediately.

The resolution followed a Palestine-U.S. roundtable promoted by the national organization. Mayor Danzinger said the event took a side in an international conflict and sent a hurtful message to Surfside's Jewish community.

"Surfside will not partner with any organization that directly or indirectly spreads a message of hate, bigotry, or antisemitism," Mayor Danzinger wrote in the Town's formal notice to the organization. The Town also received no meaningful value from its membership. Leaving the national organization does not affect Surfside's sister city relationships, which will continue.

The Town of Surfside's Hatha Yoga program continues to bring residents together for relaxation, movement and mindfulness. Despite rainy weather, this weekend's class welcomed an enthusiastic group of participants for a peaceful and energizing session.

Led by instructor Commissioner Andrea Travani, Hatha Yoga combines gentle physical postures, breathing techniques and meditation to improve strength, flexibility and overall well-being. The program welcomes participants of all experience levels, ages 16 and older.

Classes are held Sundays from 11 a.m. to noon at the Surfside Community Center, through Dec. 20. Residents and visitors are encouraged to join. For registration, fees and additional information, call the Community Center at 305-866-3635.
