#SIMPLY SURFSIDE

Do you Simply Love Surfside? We want to hear what you love best about our town! Recently, Mayor Daniel Dietch kicked off a social media campaign to promote what he loves best about Surfside. Since then, we have had great support from other community leaders to share what they enjoy best. Now it is your turn. Just snap a picture in front of your favorite place with a small sign that reads #simply  surfside or create your own hashtag. Email the photograph to tourism@townofsurfsidefl.gov. The best ones will be featured for all to know why we #simply  surfside!

Vice Mayor Eli Tourgeman loves to #simplycycle! He often refers to the bike path and Surfside as a slice of paradise. He especially enjoys the perfect view and weather Surfside always seems to have. Each day Vice Mayor Tourgeman can be seen biking an impressive three miles.

Commissioner Marta Olchyk #simply beachpath! As a Surfside resident, she finds herself starting the day with a peaceful walk along the path. The beach path is a local favorite for a stroll, run or walk. With the beach to the east and lush foliage to the west, Commissioner Olchyk enjoys the peaceful sounds of nature coupled with the great exercise.

Small Business Saturday Advocates

November 29th is Small Business Saturday. The goal of the national initiative, founded by American Express, is to get customers to support their local businesses. Surfside is an official partner and neighborhood champion for our Downtown district. We are currently looking for small business owners who would like to be advocates for Small Business Saturday. The selected businesses will be featured in a series of social media posts, promotional videos and be highlighted in the day of activities. If you would like to become a Small Business Saturday advocate or have any questions, email Nissa at NBjennifer@townofsurfsidefl.gov.
