POPULAR THIRD THURSDAYS RETURNS FOR 2019

The Surfside Tourist Bureau's 11th annual year of hosting the popular Third Thursdays block parties got off to a rousing start on February 21, 2019 with chef demonstrations, live music from Brothers of Others, games, an

interactive mural, herb planting station, delicious samplings from local restaurants, and healthy living ideas for the entire family. Mark your calendar for the March 21 Third Thursdays with a theme of Be Well - Yoga & Wellness. Do not forget your yoga clothes!

BOOTCAMP & BREWS - WHAT A COMBINATION

Surfside is a favorite spot for combining outdoor workouts with beautiful scenery. So it makes sense that the first annual Bootcamp & Brews events, sponsored by the Tourist Bureau, were a huge success. Held on January 17 and February 7, 2019, residents and guests broke a sweat and learned new moves in the hour-long workout. Held on the beach in front of the Grand Beach Hotel Surfside, four of Miami's best trainers created a distinct workout regimen. After the bootcamp, guests retreated to the garden area of the Grand Beach Hotel Surfside for post-workout beers sponsored by Concrete Beach Brewing, Estrella Damm and Saltwater Brewery. Lahh Salon, a local favorite, pro-

vided a braid bar for the perfect post-workout hair. Fiji Water provided the H20 and Harmless Harvest provided refreshing coconut water. DJ

Supersede, the official DJ of the Miami Dolphins, kept the energy going with lively beats.

CODE COMPLIANCE CORNER Keeping the Business District Clean

Storefront and sidewalk cleanliness is an important component of operating a successful business. It is the first impression customers have regarding a store or restaurant and it should

be a positive one. Under the Town Code, Section 14-51, General Property Maintenance, every owner of a commercial property or tenant shall be responsible for maintaining the exterior of the store/business in a clean, sanitary and safe condition.

Under the Town Code, Section 14-52, Commercial Property Maintenance, every merchant, storekeeper or operator shall sweep and/or hose down the sidewalks adjoining the business whenever necessary to keep the area clean. The sweeping must be picked up and not swept into the gutter.

For those businesses that have a sidewalk café operation, under Town Code, Section 18-92, the area covered by a sidewalk café permit, and the sidewalk and street immediately adjacent to it shall be maintained in a clean, neat and orderly appearance at all times. The sidewalk surface on which the café is located must also be pressure cleaned at the close of each business day.

The Town of Surfside works closely with business operators and property owners to follow the Town's storefront and sidewalk cleanliness standards. If the Surfside Code Compliance Team finds a property owner, agent or tenant not following these standards, they will be contacted regarding the compliance standards and civil penalties of non-compliance. For more information, please contact the Code Compliance Team at (305) 861-4863.
